RIGHT HERE IN TOWN
WE WILL SHOW YOU LOCAL
PROOF!

Proof of the pudding is in the eating. Proof of the tire is in the mileage.

Step into our shop and we will show you tire-prints of Goodyears... Goodyears on cars owned in this locality... that have travelled many thousands of miles... with the famous diamond tread-blocks still retaining their safe, road-gripping sturdiness.

Goodyear is the only tire that provides the proof of its sturdiness and long-wear before you buy.

Ask us to give you the proof—the triple-proof of the three Goodyear tests: The carcass test... the tread test... the traction test.

Come in and see these tests demonstrated at our shop.
