New Dean to Move Family Here Early in July

Very Rev. Dean William Henry Moorhead will be installed tonight as dean of Christchurch Cathedral. The installation ceremonies will take place at the Cathedral beginning at eight o'clock. The ceremony will be conducted by Most Rev. J. A. Richardson, Archbishop of Fredericton, and it is expected that a large number of clergymen from different sections will be present.

Very Rev. Dean Moorhead arrived here today accompanied by members of his family. He will not, however, take up his residence here until after the first day of July as his children wish to complete their school work at Saint John.

Dean Moorhead, who has for some years been rector of St. Paul's Valley church at Saint John, comes to Fredericton with a very high reputation as a clergyman and administrator, and with the best wishes of all citizens, irrespective of denominational lines. He has been rector of St. Paul's since 1927, and apart from his parish duties has been actively interested in numerous worthy institutions and movements.

He was a member of the board of governors of King's College and of Rothesay Collegiate school; a director of the N. B. ## ANNUAL OUTING ST. ANDREW'S SOC. HELD YESTERDAY

Members Made Their Yearly Pilgrimage to Cold Springs

### Successful Picnic

Feature a Presentation to Mr. and Mrs. J. G. Douglass

The St. Andrew's Society in common with the general public celebrated the King's birthday yesterday. For some years past the Society has made it a practice to drive to the Thorburn homestead at Lime Kiln, and hold an annual picnic. Yesterday afternoon about seventy five members of the Society gathered at the post office for their annual outing. Arriving at the picnic grounds the pipers band played the gathering into the Cold Springs where President D. J. MacLeod took several pictures of the group and one special picture of Geo. Ross, 91 years young, who was with the rest of "the boys" yesterday. Following this the afternoon was spent in games and dancing to the music of the pipes. About six o'clock supper was served on the grounds and hot coffee was passed around. The coffee was made on a large stove erected on the grounds. President MacLeod and past presidents Major James Pringle, Edward Elliott, Ald. F. S. Mundle and W. J. Glen acted as hosts in serving the supper and replenishing. They were assisted by Bryce Love, Leslie Mavor and others.

At the conclusion of the supper the gathering went to the home of James Thorburn where a veranda party was held and a presentation made to Ex-Warden James G. Douglass and Mrs. Douglass, who are today celebrating the fiftieth anniversary of their wedding. The presentation was made by D. J. MacLeod who handed the worthy couple a handsome silver tray, a gift of the St. Andrew's Society of which Mr. Douglass has been a member for many years. In making the presentation Mr. MacLeod referred to the long connection of Mr. Douglass with the St. Andrew's Society and to the esteem in which he is held by all. He

Mr. Douglass replied in a neat speech in which he expressed his appreciation both for himself and his wife and he extended an invitation to those present.

## PREDICTS THE DEPRESSION TO LIFT THIS YEAR

J. S. Eason, Famous Pyramidologist Lectures Here

### Interesting Speaker

Says King Edward VIII Direct Descendent of Solomon

J. S. Eason of Vancouver, B. C., Canada's foremost pyramidologist, is scheduled to arrive here this evening and will address local supporters of the British-Israel movement. He will leave for Montreal on Friday.

Mr. Eason believes that accurate predictions of coming world events can be made on the basis of measurements of the Great Pyramid of Gizeh. Mr. Eason also holds that King Edward VIII is the direct descendant of Solomon and that the British people are really the lost tribes of Israel.

Mr. Eason recently received nationwide notice when he predicted that King Edward VIII would be crowned "King David II," according to biblical indications. The British people, he says, are really the lost tribes of Israel and in combination with other Celto-Saxon nations are destined to be the dominant race.

The present economic depression will lift in September of this year according to indications in the Great Pyramid of Gizeh, according to Mr. Eason. Mr. Eason edits "The Perspective," official Canadian organ of the British-Israel movement. "Because of the self-sacrificing actions of the British people on behalf of the human family, the pyramid indicates that the strangle hold of international finance will be suddenly removed this year. The British Empire is passing through the agonizing stages of its final period of tribulation. This will end in September, 1936," declares the famous pyramidologist.

ent to come to Stanley and to join with them in the celebration which is taking place there today. Others who spoke all congratulated Mr. and Mrs. Douglass upon their happy anniversary. Those who spoke included Ald. Fred S. Mundle, J. H. Malcolm, W. J. Glen, Major J. S. Scott, John M. F. MacKenzie, Major James Pringle, Edward Elliott and J. L. Neville. Solos were rendered by Geo. Ross, and by John Taylor of Margerville. A vote of thanks was extended to James Thorburn for the use of his grounds. Mr. Thorburn replied, extending them an invitation to come again every year and keep up the old tradition. After joining hands and singing Auld Lang Syne and God Save The King the happy gathering boarded the cars and returned to their homes in the early evening.
