Fredericton Capitals Avenge Themselves on Moncton Maroons: 6-2

WANT ATHLETICS IN SAME CONTROL AS EDUCATIONAL STUDIES

Colleges Want Endowed Sport Clothier As-
serts --- Scores Drinking at Athletic Events

PHILADELPHIA, Dec. 15—Dr. Robert C. Clothier, president of Rutgers University, said that "we should not penalize an athlete student by disbarment from college or from participation in sport because he is poor in this world's goods."

"I'd like to think we can depend on the good faith of our opponents in deciding the eligibility of the players," he told delegates from twenty-four colleges at the annual meeting of the Middle Atlantic States Collegiate Conference.

"The real criterion of a bona fide student is not who pays his bills, but whether he is seriously in search of education and whether he is maintaining a full satisfactory performance in his academic work. By this, I do not mean we should encourage unrestrained activity by wealthy and sophomoreic alumni."

"As soon as possible, let us hope that our colleges and universities will put their athletics on the same basis of control as the other educational departments and will finance them similarly with adequate endowments, free from the economic necessity for victory."

Dr. Clothier recommended teams confine themselves to opponents of "comparable size governed by similar athletic ideals" to eliminate the need of "breathers for big teams and gate receipts for smaller ones."

He said irrational alumni interest, need for financial income, drinking at football games and heavy betting threaten the amateur status of college athletics.

"It is reported that half a million dollars was bet on a recent game," he said. "If some day a major game should be thrown because of unscrupulous influences brought to bear on the players, the blow to American amateur sport would be irreparable."

R. C. (Jing) Johnson, of Ursinus College, was re-elected president, with these other officers: N. A. Kellogg, of Lehigh University, vice-president, and Dr. E. Leroy Mercer, of the University of Pennsylvania, secretary-treasurer.

The only changes in personnel were in the executive committee. Those

CANADIENS KEEP ON GO, TOPPING WINGS

Maroons and Rangers
in 2-2 Draw at
New York

MONTREAL, Dec. 15—Montreal Canadiens topped Detroit's powerful Red Wings tonight 4-3 in a thriller-packed National Hockey League game that was witnessed by only about 4,500 customers.

Victory made sure for Canadiens the top spot in the league's Canadian Section, for no matter how the New York Americans fared with Boston the "Flying Frenchmen" were assured of at least a point edge for first place. Penalties were costly for the Stanley Cup champion Red Wings. Canadiens scoring two of their goals while the Motor City squad was short handed.

Overtime Goals Win
BOSTON, Dec. 15—Two overtime goals, one by LeRoy Goldsworthy and the other by Bun Cook, tonight gave Boston Bruins a 5-3 National Hockey League victory over New York Americans.

It was the Bruins' second victory over the Manhattan Meteors in three nights and a rabid crowd of 15,000 thrilled to the spectacle.

After spotting the star-spangled visitors two goals, the Bruins caught them short-handed three times as they pulled into the lead in the second session. Art Chapman forced the game into overtime by counting in the third period and during the extra session, Goldsworthy and Cook cracked Goalie Roy Worters inside of 62 seconds.

Play 2-2 Deadlock
NEW YORK, Dec. 15—Overcoming a two-goal lead their opponents had secured in the first 30 minutes of play New York Rangers gained a two-all tie with a weakened Montreal Maroon team tonight to share first place with Detroit Red Wings in the American Division of the National Hockey League. Maroons advanced to second place in the Canadian Division with New York Americans.

Some 9,000 fans saw the Maroons open with a burst of speed and after outplaying the New Yorkers, take the lead on Jimmy Ward's counter late in the opening frame. Little Bob Gracie, who was forced to do double duty at centre for the Montrealers, put his team two up half-way through the second chapter.

Defeated Moncton Club 6 to 2 in First Game of Southern Hockey Loop Here This Season --- Good Crowd Augers For Successful Season --- McLenahan Brothers, Lifford, Scoring Stars.

The Fredericton Capitals took a sudden and nasty revenge on the Moncton Maroons for the 7-2 reverse they suffered at Moncton on December 1, and last night at the Arctic Rink before one of the largest opening night crowds since the "Millionaires" era, the Caps defeated the visitors by a score of 6 to 2.

All in all it was a most auspicious start for the local hockeyists for the victory gave the fans that the capital city has got an up and coming hockey club this season, one fit to cope with any in the league, and the win also provided the Capitals with that necessary confidence in themselves, which is quite likely to carry them right up to the top of the ladder this year.

Of course Moncton Maroons were without the services of four of its regulars last night, including Barton, their bespectacled goal tender. And this is partly responsible for Fredericton's one-sided victory. But on the other hand the Caps were an aggressive, able crew of puckchasers last night. Contrary to predictions every individual hockey player from big Ralph Goodine to the slight Jackie Keenan appeared in the best of condition. They played through three fast periods, without showing any physical strain, and appeared, if anything, to be in better shape than the Maroons, who had a long head-start from point of games played this season.

Aggressive Play
Last night's game was distinguished from the point of some fast skating, and aggressive individual play. Combined efforts were conspicuous by its absence in most cases, but there were some bright passing plays, which, with some more polish, should provide the right sort of hockey.

NIGHBOR IS SIGNED AS COACH

TORONTO, Dec. 15—Lester Patrick announced tonight that he has signed Frank Nighbor, one of the all-time greats of the game, to coach the New York Rovers, amateur hockey team.

Patrick figures that with Herb Gardner coaching the Philadelphia Ramblers and he, Bill Cook and Ching Johnson taking care of the New York Rangers, the New York club will have one of the most formidable organizations in hockey. Nighbor was manager of the disbanded Buffalo Bisons of the International American League.

George "Shorty" Clark, of this city, made his initial appearance as a hockey referee and made a favorable impression, although a bit oversharpened on penalties. However "Shorty" has the right idea and seems to have the new rules—which this year includes more of the professional regulations—pretty well memorized. Referee Clark had fans and players chagrined when he penalized Jack Keenan for the infraction of having too many men behind the blueline. But after that the fans were pretty sure that "Shorty" knew what it was all about and afterwards respected his decisions.

Coach Larry McLean used twelve men, mingling his offensive lines in an attempt to find the best combination, and at the end of the game falling back on his first choice of "Bus" McLenahan-Lifford-Mills as one line, and "Bun" McLenahan-Haining-Kilburn as his alternate line with Jackie Keenan, and Ron Laskey of high school and junior hockey fame, as subs. Ralph Goodine and Bob Chalmers were the main guard of the defense, and Harold Thompson, as alternate.

Goal Tending Critical Point
While the Fredericton sharpshooters, "Bun" and "Bus" McLenahan, and Bill Lifford and "Heddy" Mills played a big role in the Capital's victory, the goal tending was the crucial point of the game. Lavoie in the Moncton nets was not nearly so reliable as "Cliff" Young in the Caps' nets. At least two of the Capitals' tallies might have been deflected by sharper net minding. Young on the other hand had one of his real good nights, and characteristic of his play, he smothered a number of close-in shots which were almost certain tallies. It was a great display of goal-tending by Young. In the early stages of the game he seemed a bit uncertain, but actually bordered on the brilliant near the close of the contest.

The Fredericton fans were familiar with Ken Carroll of Bathurst and Moncton fame. Ken worked on the wing for the Maroons and did a consistent job of worrying his opposing wing, but he didn't look anything like the old Ken Carroll. The Moncton team last night was composed mainly of juniors up for their first year in senior hockey, and they include such promising men as Crowhurst, LeBlanc, Bell and Chapman, as well as White, who looked good on defense.

The first chance the fans had of seeing the penalty shot in operation this year was when "Bun" McLenahan skated down on Lavoie, took the puck in the penalty zone and slammed it past the Maroon goale before the latter had a chance to save. The penalty was awarded by Referee "Shorty" Clark when the Moncton goalie held the puck overtime.

Last night's game, as we said before, was marked by individual play and for Fredericton the McLenahan brothers, "Bus" and the younger "Bun," got the lion's share of the scoring honors, along with Billy Lifford. Both are possessed of hard and accurate shots. Lifford, with a quick, subtle shot and a boring-in style, and Mills, probably the fastest man on either team were the other two Fredericton scorers.

Goodine, Chalmers and Harold "Snap" Thompson were formidable on defense, and Chalmers "bar the door" checking seems to have lost none of its former effectiveness.

Flurry of Penalties
Penalties were thick and fast in the first period while "Shorty" Clark was getting used to the lesser offences which need no serious penalizing beyond a warning. For a while in the first period each team had a man off in see-saw fashion. The score at the end of the first session was 2 to 1 for the Capitals. The locals tallied two more in the second, while the Maroons were only able to collect two against "Cliff" Young. In the final canto Bill Lifford scored again, while Young turned aside every effort of the Maroons, and the latter put

on a grand offensive during the first part of the period which carried them right past the Capitals' burly defense and almost onto Cliff Young's lap. Cliff turned aside every shot and several of his saves were of the spectacular variety.

Fredericton's alternate line composed of "Bun" McLenahan, "Chaud" Haining and Johnny Kilburn, in its initial appearance showed up well with McLenahan's and Haining's fine skating and stick handling impressing.

The lineups were as follows:

Fredericton—goal, Young; defence, Goodine, Chalmers and Thompson; forwards, Ed McLenahan, Lifford, Mills; "Bun" McLenahan, Haining, Kilburn, J. Keenan, Laskey.

Moncton—goal, Lavoie; defence, Bastarache, White; forwards, Crowhurst, Dickie, K. Carroll; LeBlanc, Bell and Chapman.

The summary:
First period—Fredericton, "Bun" McLenahan (Haining) 3:20; Mon-

ton, LeBlanc (Bell), 17:45; Fredericton, "Bun" McLenahan (Penalty shot); Fredericton, "Bus" McLenahan, 19:45. Penalties—Bell, Chalmers, Crowhurst, Keenan and White. Second Period—Moncton, White, 7:40; Fredericton, Lifford (McLenahan) 8:20; Fredericton, Mills (Bus McLenahan) 18:20. Penalties—Chalmers.

Third period—Fredericton, Lifford, 18:55; No penalties.

Stops: by Young, 40; by Lavoie, 31. Referee, "Shorty" Clark.
