several days before complete figures are available, particularly those from outlying districts.

Registration was started in August by the Social Credit Government headed by Premier William Aberhart of adult men and women desiring to be paid monthly credit dividends. Just when they will start to be paid has not been announced, but an antecedent step will be establishment of Government credit houses throughout the Province. The credit houses will act as a sort of bank, where credit slips will be deposited monthly and debits made against them.

Under the first and only issue so far of certificates a one-cent stamp had to be affixed weekly to the scrip and it was redeemable in cash by the Government once a month, the redemption period lasting three days. In the September redemption period \$140,000 was redeemed by the Government, leaving \$96,000 outstanding. Of this, \$10,000 has been estimated to be taken out of circulation as souvenirs.

If the Government signed agreements with the fifty municipalities to issue certificates to them, it probably would be on a slightly different basis. The municipalities would build roads and pay for the work in scrip. They would agree to circulate the scrip within their own borders for two years, being empowered at the last session of the Legislature to accept them for taxes.

Each week the holder of the scrip would buy a one-cent stamp from the Provincial Government and affix it to one of the squares on the reverse side. Thus, at the end of two years the Government would have enough cash to redeem the scrip, which in the meantime would be circulating generally, accelerating purchasing power.

SOCIAL HAPPENINGS

Engagement Announced

Mrs. Edward Hurley announces the engagement of her daughter Phyllis Evelyn to Wilfrid Laurier Roberts, son of Mrs. James Roberts and the late Mr. Roberts, Fredericton. The marriage will take place the latter part of October.

SACKVILLE, Oct. 3—At the sessions of the semi-annual meeting of the I.O.D.E. which is meeting here further plans were made yesterday for the establishment of a Memorial Scholarship in memory of the late Katherine E. Black (Mrs. John Black) of Fredericton, who was the founder and Regent of the first Chapter of the I.O.D.E. of the British Empire. Others

(Catherine E. Black), Founder and Regent 1st Chapter I.O.D.E.

taking part from Fredericton included Mrs. A. T. McMurray, provincial president, and Mrs. H. F. McLeod who succeeds the late Mrs. John Black on Empire work in India.

The New Brunswick Chapter has been awarded the "Echoes" shield, given to the province having the most chapters 100 per cent subscribers to "Echoes," and the members were urged to endeavor to keep this shield in New Brunswick next year. The national endowment fund report stated that the largest donation received from any province was given by New Brunswick chapters. At the meeting, the prize for the best press clipping scrapbook sent by any chapter in Canada was presented on behalf of the national organization by Mrs. F. S. Tilton, press convener, to the winning chapter, the Duke of Rothesay. The meeting opened yesterday morning in Beethoven Hall, Mount Allison with Mrs. McMurray presiding. After the salutation of the flag, singing of the National Anthem and prayer of the order, Mrs. A. G. Putnam, regent of Lord Sackville Chapter, gave an address of welcome, which was responded to by Mrs. E. H. Chalmers, of Nicholas Denys Chapter, Bathurst. A report of the last meeting was read by Mrs. Havelock Coy, provincial secretary.

At the close of the afternoon session, the delegates visited the Mount Allison memorial library, and were entertained later at tea by the Sackville chapters at the home of Mrs. F. B. Black.

After the weekly practise of the choir of St. Mary's Parish Church, Devon, entertained one of their members, Gilbert Henry, who has been transferred to the Bank at Charlottetown, P.E.I. Bridge and Monopoly were played and refreshments served, after which Rev. C. LeRoi Mooers, on behalf of the Choir presented Mr. Henry with a parting gift, and expressing regret of his departure from among them but with best wishes for his success in his new home.

Mr. and Mrs. R. A. MacMillan, St. John street, entertained the choir of St. Paul's United Church last evening. Games and contests were enjoyed, after which refreshments were served. Mrs. MacMillan was assisted in serving by Mrs. A. F. Baird and Mrs. J. E. Sewell.

Last night Miss Doris Owen, a bride of the near future, was tendered a shower at Estabrooks' camp. A number of her friends gathered and presented her with a variety of lovely gifts. After an enjoyable evening refreshments were served.

Prior to their departure for Lethbridge, Alta., about thirty friends of Major and Mrs. E. C. P. Salt gathered last evening at the home of Mr. and Mrs. Bryce Love. Bridge was played and a social evening spent, after which Mr. Love, on behalf of those present, presented Mr. and Mrs. Salt with a silver pitcher and expressed regret at their leaving Fredericton. At the close of the evening refreshments were served.

Last evening the Wilmot Young People's Society held their weekly meeting in the vestry at eight o'clock. Bruce Bird presided and read the minutes of the previous meeting. Miss Trueman read the Scripture Lesson after which Lloyd Lewis played two selections on the saxophone accompanied by Miss Mildred Barbour, which were greatly enjoyed. A special feature of the evening was pictures, taken and shown by Earl Young, of the unveiling of the Vimy Ridge Memorial and other pictures taken on the trip. During the evening Miss Mildred Harvey gave a short talk and hymns were sung which had been sung at the unveiling of the Memorial at Vimy. The meeting closed with the singing of the National Anthem.

The regular monthly meeting of the W.M.S. of Wilmot Church was held yesterday. The president Mrs. R. Crocker was in the chair, and after the roll call, and the minutes of the last meeting were heard, the devotional period was taken by Mrs. E. King. The title was "The Harvest of Prayer" and it was rich in precious truths from the Sacred Word. Mrs. King closed the period with prayer. Reports were received from the treasurer and from several secretaries. Mrs. F. W. Barker was added to the programme committee, Mrs. Bartlett retiring from it. As Mrs. H. Hallett had been appointed to look after the Branch Expense Fund, the president gave her the opportunity of explaining the object of this fund, and of asking each member to contribute ten cents to it. Mrs. Ovid Peters gave a carefully prepared paper on the work of the W.M.S. in Saskatchewan. As Mrs. Peters had resided there for some time as a pastor's wife, her paper was of more than ordinary interest. Mrs. N. C. Squires gave a resume of several chapters of the study book on Africa. It was presented in Mrs. Squires' usual interesting manner and was listened to throughout with much attention. The meeting was brought to a close with the benediction.

The Fredericton Women's Institute met last evening at the home of Mrs. C. F. Parker, King street, and was very well attended. A report was received to the effect that the Institute paid out \$31.25 in money at the Fredericton Exhibition and that \$44.50 was net receipts from the lottery tickets sold on the quilt at the Exhibition. It was decided to pay for the tuition of two young women at the Vocational classes which begin here next week. This practice has been going on for the past few years and has been found satisfactory. A report was given on the presentation of the library to the school at Carrieburg. One new member was received into the Institute. During the course of the evening an interesting address was heard dealing with the recent Pilgrimage to Vimy. The address was given by Mrs. J. Henry Harvey, who accompanied her husband on the pilgrimage. Mrs. Harvey gave a graphic description of the historic unveiling of the Memorial and also paid a delightful tribute to the informality of His Majesty King Edward VIII in his mixing with the Canadians at Buckingham Palace. Mrs. Harvey also passed around several pictures and souvenir cards which she brought back with her from Vimy, Ypres and other places. At the conclusion of Mrs. Harvey's address she was given a hearty vote of thanks. Another member of the Fredericton Institute, who was present at the unveiling at Vimy was Mrs. C. E. Batt. Mrs. Batt has not yet returned home.
