FUR MERCHANT HERE

CABINET MEETS THURSDAY

The provincial government is slated to hold a meeting on Thursday. The meeting had been first set for Wednesday, but owing to the Remembrance Day holiday, the cabinet meeting has been set over one day. The government is expected to consider several things, one being a proposed change in the system and organization of the provincial treasurer's department. Another matter which may occupy the attention of the government at its meeting is the 1937 highway snowplowing programme. The chief engineer, C. B. Croasdale, is now working on a programme to be submitted to the government.

CAR STOLEN LAST EVENING

Last evening Gerald Phillips had a Chevrolet car stolen from him while he was making a call at the home of Fred Phillips, St. John street. Mr. Phillips went into the house to spend a few minutes with his friend and when he came out the car was gone. He notified the city police who say that they made a thorough search of the town without finding the car. The city police in turn notified the R. C. M. P. headquarters and all outside Mounted Police posts have been notified. Mr. Phillips left the keys in his car so that it was an easy matter for the parties who stole the car to drive off without any trouble. The car carries a number 3752 New Brunswick license plate.

EGG LAYING CONTEST

The first week of the 17th New Brunswick Egg Laying Contest conducted at the Dominion Experimental Station here started November 1st, and concluded on Nov. 7th, with a production of 284 eggs and 230.5 points. This is an average production of 13.9 per cent. Twenty-nine pens are entered in the contest, but some of the birds arrived after the commencement of the contest so the production obtained is very satisfactory. All of the pullets entered in the contest are in a vigorous condition, and they constitute one of the best lots of birds ever entered in the New Brunswick contest. The Barred Rocks owned by Lloyd M. Wood, Harvey Station, led in production for the week with 45 eggs and 36.3 points.

NEED OF CHURCH TO INDIVIDUAL TODAY STRESSED

Rev. Drs. Hunter and Bingham Speakers Last Night

Plead For New Day

Large Numbers Attend Meetings Here on Monday

Rev. Dr. Crossley Hunter, pastor of the First United Church in Hamilton, and Rev. Dr. H. H. Bingham, pastor of the Walmer Road Baptist church in Toronto left Fredericton today for Saint John on the second lap of their maritime tour in conjunction with the campaign for the Evangelization of Canadian Life.

In the capital yesterday they were present at a number of services, one of which was a banquet especially tendered in their behalf in the recreation hall at Brunswick Street Baptist church last night.

At a public service in the Brunswick Street Baptist church last evening, which was attended by a very large congregation, the two noted evangelists delivered impressive addresses. So successful was their three day visit to the city that the general consensus of opinion among the Ministerial Association members was that "a new day of united effort" had arrived.

Speaking at the public meeting on the subject of "The Challenge of the Church," Rev. Dr. Hunter outlined the place of the church in public life today and told of the menace of Communism, which was one of the things which the church had to face today. Rev. Dr. Bingham spoke on the subject "The Cross of Christ," in which he said that the central trust today was in preaching the word of God.

Speakers Banquetted

Rev. Drs. Hunter and Rev. Dr. Bingham were guests at a banquet in the recreation hall of the Brunswick St. church at 6.30 last evening, when about 200 were present. Speakers besides the two visiting clergymen were Rev. J. W. Bartlett, who acted as chairman, and Mayor G. Willard Kitchen. Mayor Kitchen referred to the importance of the church and the spiritual life. The banquet proceedings were broadcast.

"The tonic of big things," was the note stressed by Rev. Dr. Hunter. There is something in the human heart which responds to the tonic of large things, he declared. He said our modern world was a "shrinking" world, one in which boundaries are getting smaller and smaller. The time has come, he said, when we will have to live in peace or not live at all. Christian friendship expands into a world-wide friendship. The church stands for the achievement of a Christian character.

"The system is what it is because men are what they are," declared the eloquent Dr. Hunter. The task of the church is a fundamental one. The church stands for what is free. Concluding, Rev. Dr. Hunter urged those present to "go back to your churches." He counselled that they "love her and stand before her programme."

Don't Become "Parochial"

Rev. Dr. H. H. Bingham made a plea that Canada not become "parochial." The great brotherhood of man should break all international boundaries, he said. He referred to the (Continued on Page Five)

FREDERICTON TO COMMEMORATE ITS WAR DEAD

The Remembrance Day Ceremony at Cenotaph

To Decorate Graves

Two Minutes' Silence to Be Observed at 11 o'clock

Tomorrow, Remembrance Day—18 years after the cessation of the Great War—Fredericton will celebrate the close of the war and through impressive ceremonies hope that the world will continue to seek peace instead of war.

Hundreds of citizens are expected to gather at the Cenotaph tomorrow morning for the special ceremonies, which commence at 10.45 o'clock at the Fredericton War Memorial. The programme is in charge of the local branch of the Canadian Legion. All members will gather at the Legion quarters tomorrow morning at 10.15 o'clock and will parade from there to the Cenotaph to take part in the Remembrance Day ceremony. The York Regiment also will be in attendance, as well as children of the city schools, Boy Scouts, members of the I.O.D.E. and private citizens.

The usual impressive feature of two minutes of silence at eleven o'clock will be observed with all at attention and with heads bared in silent tribute to the war dead. The principal address will be delivered by Very Rev. Dean Dr. W. H. Moorhead, and His Worship Mayor G. Willard Kitchen will deliver the opening remarks. Comrade H. Endall will read the city's honor roll. The booming of a cannon on the river bank will signalize the two minutes of silence. Wreaths will be placed at the Cenotaph by various organizations and private individuals. The ceremony is to conclude by the sounding of "The Last Post" and "Reveille."

His Honor Lieutenant Governor MacLaren has issued a proclamation for the observance of the two minutes of silence and for the suspension of all vehicular traffic during that period.

The members of the Canadian Legion will further observe Remembrance Day, when in the afternoon they go in small motor parties to the various cemeteries to decorate the graves of returned men and women. A poppy and a flag will be placed on each grave. The graves to be decorated are as follows:

Rural Cemetery—Nursing Sister Millicent Lister, Mrs. Alice Dougherty, V.A.D., Morris Grace, Chas. Stevenson, Percy Edgecombe, J. Turner, Albert Morris, George H.
