

Minto Miners Again Lead Series By Virtue Of Last Night's Win

Miners Notch 7-4 Win Over F'ton-Devon Nine

Lefty Neill Shelled From Mound In Fourth Frame
Slugfest--Miners Tallied Five Runs

FOURTH GAME AT DEVON TONIGHT

Minto again climbed a notch ahead of the Fredericton Devon nine when they handed the local lads a 7-4 drubbing last night. This gives the miners a 2-1 lead over the combination aggregation in the five game series for the right to enter the New Brunswick play-downs against St. Croix.

Barnett, clever Minto hurler gave the local seven hits in all, but played an outstanding game in the last innings and saved further possible scores. In the last four frames he bore down retired 12 men in succession. He further added to the team victory when he singled in the fourth and drove in four runs.

Neill, speedy little Devon hurler, who was recruited from the junior ranks a short while ago couldn't keep them away from the Minto bats was shelled out of the mound in the fourth. He was replaced by Aikens.

Minto took the lead in the last half of the first. Arnold was given a free pass to first. Nightingale singled and Moore came through with a double to score both runners.

There was no further scoring until the first of the third when Fredericton-Devon took the lead by hammering in three counters. Thompson and Malloy both singled. Staples doubled to drive in the first two hitters. McLennan came through with a single and Staples scored.

Neil Retired

In the last of the fourth the Miners put Neill to the woods and drove in five runs to clinch the ball game behind the fine work of Barnett after the fifth.

In the big fourth Barnett drove in Titus and Thompson. Kiley and Arnold tied to short but Burgess singled scoring Barnett. Nightingale then doubled to bring Burgess home. Moore tied to centre to end the inning.

Fredericton-Devon notched their first tally in the first of the fifth after two men were gone. Staples singled and McLennan doubled to bring Staples home.

BEEF-EATERS PICK LOUIS TO TOPPLE FARR

LONDON, Aug. 19--There's a suspicion in Great Britain that maybe it's just as well the future of the empire doesn't depend on Tommy Farr. Which is to say that, if Joe Louis mangles him in their heavyweight championship fight Aug. 26, the commonwealth will be braced for the shock.

If it isn't braced, it won't be the fault of the British sports writers. They have spent much time and many shillings looking at the pictures of the Louis-Braddock fight, and after ponderous thinking have done the British equivalent of climbing out on a limb. They are picking Louis.

"Nice fellow, Tommy, courageous and all that sort of thing, but he really can't attack, can he?" they say. The critics don't believe their boy is good enough to stay fifteen rounds with Louis without getting hit too many times.

There also is a tendency here to regret Tommy's recent eloquence. One of the more constant contributors to the London papers and also one of the few who favor Farr is

With Minto again one game in the lead, the choice for victor of tonight's game in Devon is just a toss up between the two. In Wednesday's game at Devon we picked Devon to win with a 5-3 tally--were partly right when they took Minto at 5-1. Yesterday this corner stated that Minto was going to take last night's game, which they did; but tonight, we won't talk!

—OO—

Devon has a good chance to win, however, because the boys have shown that they are evenly matched with the miners, and when they settle down to serious ball can hand them a trimming. They should play serious ball tonight, otherwise they get bumped out of the play-downs.

—OO—

We expect that Dinsmore will do the hurling tonight, and hope to see the lads back him up with the same "do or die" ball that they played on Wednesday night.

Ted Broadbribb, Farr's manager, who is enthusiastic about Farr's chances. In the sports columns there is a definite tendency to minimize the importance of the bout, but even the past record of British heavyweight contenders can't discourage the average British boxing fan.

The British board of boxing control does not recognize Louis as the champion, so that Tommy would be just the North American champion here were he to beat Louis.

There's no doubt, however, he will be the popular champion. Special boats are carrying many British fans to New York for the bout and some London restaurants are carrying cabled stories of Tommy's training activities on the backs of the menus.

YANKS WIN OVER SENATORS IN TWELVE INNINGS - OTHER MAJOR LEAGUE TILTS

Tigers Trim White Sox--Red Sox Take Athletics; Indians Win--Cubs, Trim Pirates--Giants Lose To Boston Bees

NEW YORK, Aug. 20--The Yankees took advantage of a 12th inning break yesterday to nose out Washington Senators 4-3 and hold their 11½ game American League lead.

With the bases loaded and two out in the third extra frame, Cecil Travis threw high to first in fielding Tony Lazzeri's grounder, and Red Rolfe slid across the plate with the game-wrecking run.

Red Ruffing went the full route, getting credit for his 16th win against four defeats for the year.

A heavy storm in Chicago stopped a rain of Detroit Tigers base hits but not in time to save White Sox from a six-inning 12-4 defeat in what was to have been the first game of a doubleheader.

During six legal innings the Tigers pounded John Whitehead and Sugar Cain for 15 hits, four of them home runs, two each by Gerald Walker and Rudy York.

Eric McNair, who entered the game as a pinch-hitter in the eighth inning slammed the first pitch of Harry Kelley into the left field stands for a home run, giving Boston Red Sox an uphill 5-4 victory over the Athletics in Philadelphia.

Two of the Indians' chief tomahawk-swingers Bruce Campbell and Earl Averill, smashed seven hits good for 18 bases as Cleveland downed the Browns 9-1 in St. Louis.

Cubs Win, Giants Lose

NEW YORK, Aug. 19--Chicago Cubs got out the skid chains today in time to prevent a rout in the three-game series in Pittsburgh, winning the final contest 7-3.

The Bees stopped Giants' dash toward the league lead by squeezing out a 2-1 decision in 11 innings, behind the all but airtight pitching of Jim Turner.

Wildness of Lefty Grissom in the first game and two rallies in the second gave St. Louis both ends of a doubleheader in Cincinnati, Ohio.

Cards won the first 6-2 and the night cap 5-1.

They won the opener 3-0 behind the six-hit shutout pitching of old Waite Hoyt to climb into seventh but were dumped back into the cellar again when the Phillies belted Mungo and two other flingers for a 7-5 decision in the nightcap.

C.C.'s - GIANTS PLAY TIE AT MONCTON

MONCTON, N. B., Aug. 19--The C. C.s-Giants and Cubs played a 5-all eight-inning game in the City baseball playdowns here tonight and the count in seven games in a best five out of nine series still remains, Giants four and Cubs two. Another game is scheduled for tomorrow night.

Tonight's struggle saw the Giants come from behind on two occasions to knot the count and both times it was Fred Dunphy, fleet utility player, who performed in the centre field area tonight who crashed out triples to drive mates across the plate with the tying tally.

George "Yank" Urquhart pitched for the Cubs and although wild at times he confined the combination team to eight hits, while his mates collected a total of 11 safeties off the offerings of Roy Agnew and Tommy Goguen.

The lineups:
Cubs--Pollock 2b, Taylor ss, G. Vanbuskirk lf, T. Vanbuskirk 3b, Barton c, Lister cf, Cusack 1b, My-Quinn, rf, Urquhart p.

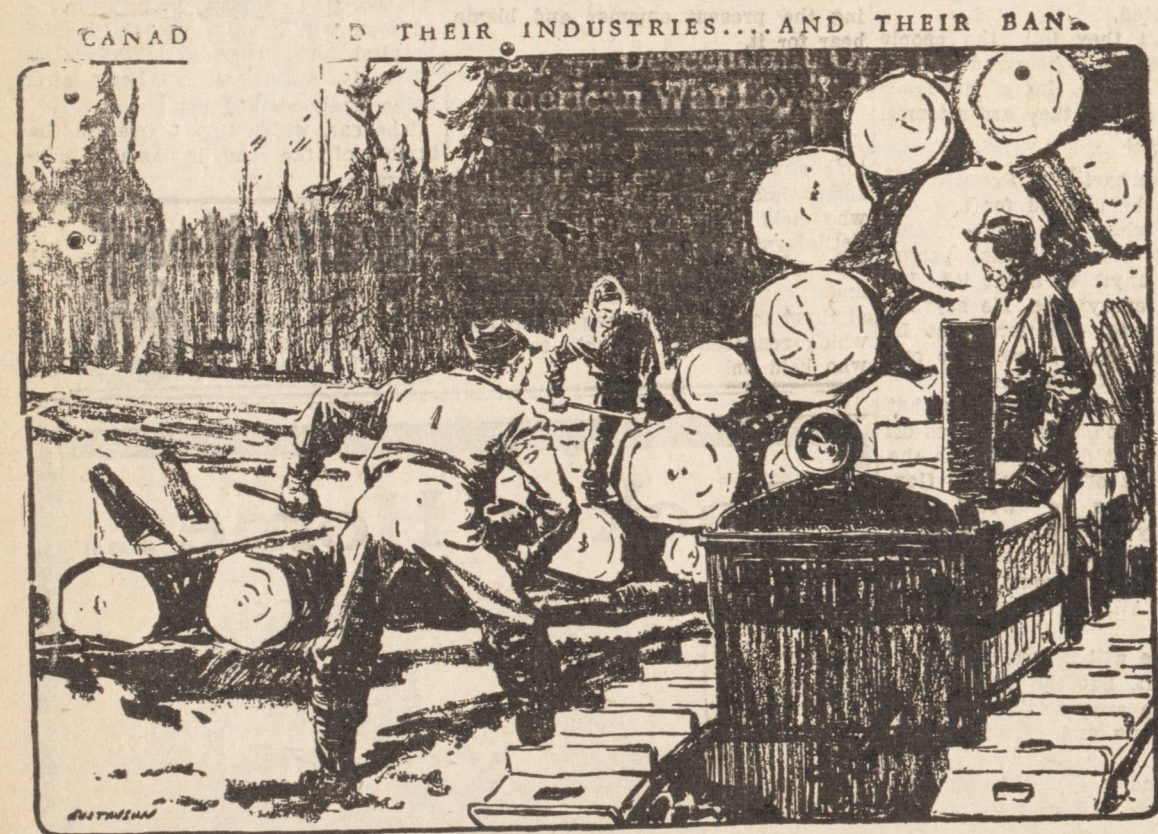

C.C.'s-Giants--Lutes, lf, Francis Dunphy c, Goguen 3b and p, Clowater rf, Trites 2b, Bourque 1b, Melanson ss, Fred Dunphy cf, Boudreau 3b, Agnew p.

Schmeling, as always, was in fine shape. He weighed 194, only two pounds over his best fighting weight, and was hard and bronzed. He said he had kept in condition by hunting and boxing.

THE FOREST INDUSTRIES

The forest area of Canada on which there is timber of merchantable size is larger than the total area of France and Germany combined; the standing timber on this is estimated at 274 billion cubic feet. An area of even greater extent is covered with young growth.

This vast reservoir of wood is the source from which Canada drew wealth in excess of \$110,000,000 in 1934 (the latest figures available) in the form of primary products such as:

- raw material for saw-mills, pulp mills, wood distillation, charcoal plants;
- logs, pulpwood, bolts, etc., for export;
- firewood, railroad ties, posts, poles, fence rails, mining timbers;
- maple sugar, balsam gum, resin, casahuate, tanbark, moss, etc.

The total value of manufactured products made principally from raw materials of forest origin was \$404,435,948. Forest products in 1936 afforded an excess of exports over imports--\$158,560,000--very important to Canada's international trade.

The Bank of Montreal has co-operated with every activity of the forest industries--assisting in every phase of production and marketing. The Bank has had the privilege of financing a large share of the export business of these industries. Thousands of workers are dependent, sharing in the safety and facilities of the Bank with these employing companies.

Some of the Bank's services most frequently used by employers and employees in the forest trades: Commercial accounts, foreign currency accounts; financing of shipments; commercial loans and discounts; collections; trade and credit information; safekeeping of securities; savings accounts; personal loans; money orders; travellers cheques; banking by mail.
