

National Hockey League Championship at Stake in Detroit Tonight

New York Rangers and Detroit Red Wings in Final Game of Series

Patrick Bolsters Team in Effort to Capture Stanley Cup

DETROIT, April 14—All square after four strenuous games, Detroit's champion gang of National Hockey League crumbles—the Red Wings, and New York Rangers resume their best three-of-five games feud tomorrow night in the deciding game for the Stanley Cup and the world pro hockey title. It will be a bolstered team that Lester Patrick's Broadway Blue-shirts play in the final.

Back in the lineup will be bulky Eddie Goodfellow, the defenceman. Manager Jack Adams kept out of last night's game because of a leg injury.

The Red Wings who sent the series to the full cup round route by defeating Rangers 1-0 last night to tie the score at two games apiece, hope to become the first team to win the 44-year-old trophy two successive seasons since Montreal Canadiens turned the trick in 1930 and 1931. Rangers won the cup in 1933.

Tomorrow's finale pits the impressive power of the Ranger combination of experienced veterans and eager, speedy youngsters, against the notable 'money-playing' proclivities of the Red Wings who have played their best hockey when prospects were darkest.

Twice the Red Wings have evened the series to stay in the fight. After a crushing 5-1 defeat at New York they came home to win 4-2. The Rangers took the edge with a 1-0 victory and Detroit reversed that figure last night. Tomorrow the blue chips go down. The teams battle to a finish, no matter how much overtime is necessary.

MANY TEAMS TO ENTER MARITIME BOWLING TOURNEY

SAINT JOHN, April 15—Entries to the Maritime-Eastern Maine bowling tournament to be held on Imperial alleys here on May 4, 5, 6 and 7 have already started to roll in.

According to word received by Arthur Porter, who is again handling the tournament this season, in mutual agreement with Harry F. Black, proprietor of Black's alleys, Glace Bay Cardinals will have a strong squad of ten men to pick from and that Woodstock and Campbellton entries have been received. All three teams were in last year's tournament.

Mr. Porter said he was given to understand that New Glasgow will have two teams in the tourney, representing Pictou County, N. S., but has received nothing definite yet. It is quite possible that one or two teams from Sydney may also enter.

Long before the tournament opens the four alley teams of the city will be entered—Black's, last year's champions; Porter's, Y.M.C.I. and Central.

In all probability Conn and Martel of Halifax will be represented and Wilbert Martel will again lead his five into battle for the trophy, emblematic of the championship.

Mr. Porter stated last night that

PEG MEMORIALS FAVORITES TO WIN MEMORIAL CUP

TORONTO, April 14—Winnipeg Monarchs established themselves as favorites to win the Memorial Cup tonight when they defeated Copper Cliff Redmen 2-1 in the third game of a best-of-five series. Each team had previously won one game.

Monarchs took a lead with only two seconds to go in the first period but Redmen came back to tie it up in the middle frame. The winning goal came from the stick of Alf Pike, rangy centre, on a pass from little Dick Kowcinak with four minutes to go in the second session.

For most of the way it was a battle of goaltenders, with Zeke Ferley in the Winnipeg cage holding a slight edge although he had less work to do.

Just as it looked like a scoreless first period, Pete Langelie took a pass from Lucien Martel just outside Copper Cliff's crease and banged the puck home. They set up a stout forechecking system early in the second and seemed to have Redmen baffled until Alf Webster sank the equalizer.

Goal Inspires Losers
The goal seemed to inspire the Northerners and for a while they threatened to take the lead.

But Monarchs refused to stay back, checking relentlessly in centre ice. The winning marker came on a sparkling play. Kowcinak rushed in behind Redmen's net to pick up a pass from Pike and neatly relayed it back. Pike fired as the puck touched his stick.

Although the boys started to rough it up in the closing minutes, the game was cleanly fought. Only three penalties were handed out.

Devon Baseball Club to Meet Again During the Week

Officials and players of the Devon Baseball Club plan to hold another meeting this week to further discuss arrangements in connection with the coming baseball season. Lack of finances threaten to curb the activities of the club this season and an effort is now being made to bring the club "out of the red."

The proposal to operate a three team circuit—Saint John, St. Stephen and Devon-Fredericton—is meeting with the approval of fandom generally. The financial situation is mainly the problem to cope with at the present time and the club hopes to be able to overcome this obstacle.

There will be no recurrence of last year regarding Ellsworth, Me., team which rang in an all-star State of Maine team in an attempt to wrest the championship. He has informed the Ellsworth management that if they enter it must be a team from their own alleys or none at all.

It is expected that this year's tournament will be bigger than that of last year.

GARDINER SEES MUCH TALENT FARM TEAMS

Few Promising Players On Other Minor Clubs

NEW YORK, April 14—Major league hockey clubs will find high class material rare when searching minor loops for replacements next season, believes Herb Gardiner, coach of Philadelphia Ramblers.

En route home from Syracuse, N.Y., where the Ramblers were decisively whipped by Syracuse Stars in the best-of-five series for the International-American League crown, he stopped off in New York. The Stars, Toronto Maple Leaf farmhands, wound up the title-hunt at home last night by winning the fourth game 5-0. The Ramblers captured the opening contest 2-0 but were on the short end of the scores thereafter.

"I felt fairly certain even before the season opened that Syracuse and Ramblers would hook up in the final," said Gardiner, a Winnipeg veteran of National League warfare. "These clubs were the only ones I thought had promising young material for blending with seasoned campaigners."

"Being tied up with New York Rangers was a big help to Ramblers and the link between Syracuse and Toronto aided the Stars. They got Toronto's surplus for development. Of course Rangers get the pick of the Ramblers whenever they want them, just as Leafs get the cream of the Syracuse crop, so there won't be much left for any other major league club seeking recruits. There are a few good youngsters on the other teams in our league."

Players on the Syracuse squad to please the expert Gardiner eye were goalkeeper Phil Stein, defencemen Jack Church and Chuck Shannon and forwards Art Jackson and Geo. Parsons. All are Toronto boys. Murray Armstrong, speedy centre from Winnipeg, is certain to be up in the big time soon, said Gardiner, for he has a lot of speed and a fine shot.

Of his Ramblers, Gardiner believes Hueh Gustafson, Winnipeg; Murray Patrick, son of Lester, Ranger manager; Clint Smith, Charlie Mason, Bobby Kirk, Vancouver; Eddie Ware, Calgary, and Joe Krol, Winnipeg, give the most promise of becoming major league stars. Gustafson and young Patrick are defencemen. The others are forwards.

For Eddie Powers, veteran Toronto coach of the Stars, the league championship was just another honor to add to his long list of achievements in minor leagues. He led Springfield Indians to the old Canadian-American League title three times, when the Indians were the farm outfit of Rangers.

AMBERS, SUCCESS NOW, REMEMBERS THE TOUGH DAYS

NEW YORK, April 14—Lou Ambers will come bouncing out of his corner at Madison Square Garden on the night of May 7 to defend his world lightweight championship against Tony Canzoneri, and with that will add a paragraph to another of those success stories with the rags-to-riches theme.

Four years ago he arrived here under the name of Otis Paradise and as a gentleman of leisure—firmly clenching an armload of rods beneath a freight. His assets consisted of what they call a fighting heart, a pair of swift fists and the price of a set of doughnuts without the coffee.

He found out in the next few days that you can get extremely hungry at the age of 20 when you are broke in a strange city, and that you can gather a whole rash of aches and pains from bedding down on benches, but soon thereafter he began to cash in and they haven't stopped him yet.

He started this success story under the name of "Otis Paradise" in the bootleg amateurs around his native Herkimer, N. Y. When he came here to make his bid on the big time he shed that for something nearer his own name, Luigi Ambrosio, and, as Lou Ambers, he has progressed from that period of postponed meals and bench-sleeping to the lightweight title and approximately \$60,000 in ring earnings, a good part of this has gone back to Herkimer to his widowed mother and a house full of his brothers and sisters.

He will add to his bankroll on May 7 against Canzoneri and probably retain his lightweight championship. He took the title from Canzoneri last September and the latter hasn't improved any with the additional months of age clinging to him.

ROYALS AND BUFFALO CLUB START THREE-CONTEST EXHIBITION SERIES

Harry Smythe Slated to Pitch Today—Southpaw in Top Form—Club Not Returning To Orlando in 1938

ORLANDO, Fla., April 13—The Buffalo Bisons, whom the experts say still have one of the best teams in the International League despite the loss of a number of their stars now in the majors, will be hosts to the Montreal Royals for the next three days.

And while the players will be playing, Leo Miller, the Buffalo Club's business manager, and our own Guy Moreau will be in conference.

The Bisons' owners want to organize a Grapefruit League during the Spring training next season in Florida, and are contemplating and arranging a schedule with four International League teams, including the Royals.

Each team would play three or four games against the other clubs and the winner of the pennant would receive a cup just like at the end of a regular season.

Dan Howley, of the Toronto Maple Leafs, is in favor of the project and if the Royals accept, Miller will be looking for another team, probably, the Baltimore Orioles to complete the circuit.

Harry Smythe will pitch for the Royals this afternoon and he will go the nine innings unless something goes wrong.

The veteran is in great form. "I worked less than I usually did, but the Rabbit has let me train the way I wanted to and I am in better training," said Smythe last night.

Old Harry worked eight innings against Rochester last Friday and wasn't a bit weary at the end.

"That old rubber arm is still as good as any in the International League and is still going to be good for many years to come," declared the veteran of many an exciting battle.

Yesterday the Royals nearly lost their other left-hander for the season when Marvin Duke was hit by a ball on the elbow while he was pitching batting practice. Hit by Paul Dunlap, the ball struck Duke with so much force that it sent him sprawling on the grass.

Maranville, white as a ghost, rushed to his pitcher's help while large Bill O'Brien came running on the field.

Duke was taken to the headquarters of the club where he spent a half

AWARD SIEBERT HART TROPHY

MONTREAL, April 14—"Babe" Siebert, defenceman of Montreal Canadiens, has been awarded the Dr. David A. Hart trophy as the most useful player to his club in the 1936-37 hockey season, the National Hockey League announced from headquarters here tonight.

The Lady Byng trophy for the player showing the highest type of sportsmanship along with playing ability goes to Marty Barry, centre ice man of Detroit Red Wings.

Both players were chosen by the sports writers for The Canadian Press "all-star" team. The trophy winners also were decided in a poll of sports writers in the six cities of the circuit.

Siebert's margin of victory was a wide one, his nearest rival being veteran Lionel Conacher, rearguard of Montreal Maroons. Barry ran a neck-to-neck race in the polling with Gordon Drillon, Toronto rookie wing man, and graduate from Moncton junior ranks.

Defencemen were predominant in the race for the Hart trophy. In order were: Siebert, Conacher, Eddie Goodfellow, Detroit, another defenceman, and Tiny Thompson, Boston goalkeeper.

In the Byng trophy polling three of the first four were pivot men. In order: Barry, Drillon, Russ Blinco, Maroons, and Bill Crowley, Boston. Barry spent only six minutes in the penalty box during the regular season. He finished third among scorers with 17 goals and 27 assists for a point total of 44. Drillon was penalized only once in the season and scored 33 points.

Siebert was leading scorer among defencemen in the league, with 28 points. He spent 35 minutes in the hoosegow, a conservative total for a rearguard. He was a prime factor in Canadiens' spectacular climb to first place in the Canadian Section of the league.

ITHACA, N. Y., April 14—Ellsworth Vines, hard hitting tennis star from California, went two up on Fred Perry of England last night when he defeated Perry 4-6, 6-1, 7-5 in the 42nd match of their exhibition series.

Battleford Beavers Deadlock Allan Cup Series by 3-2 Win

Victors Come From Behind to Tie Cup and Ride to Triumph

CALGARY, April 14—North Battleford Beavers unleashed a great third period rally tonight to edge out Sudbury Tigers 3-2 in the fourth game of the Allan Cup hockey final and deadlock the series at two victories each.

The rubber game is scheduled for tomorrow night but, in Edmonton, Dr. W. G. Hardy, first vice-president of the Canadian Amateur Hockey Association, said the game might be postponed until Friday.

Duplicating the rally that saw them break from the shadows of elimination in the third game, the Beaver brigade overcame a one-goal lead with three markers in the third period before Tigers retaliated with a lone counter.

A circus goal from the stick of Don Grosso midway in the first session seemed to have decided the game until Clarence Shillington, speedy North

Battleford right-winger ended the jinx that pursued him all during the series. His first goal against Sudbury came at 6:34 in the final period, while Frank Lavigne, diminutive Sudbury defenceman and a former Halifax Wolverine, rested in the penalty box.

Less than three minutes later Eddie O'Keefe punched in his own rebound to send North Battleford ahead and Shillington increased the margin two minutes later while two Sudbury forwards, Jules Cholette and Farmer Chamberlain, were serving time.

The injury-riddled Sudbury squad fought back desperately to regain the lead but the sensational Beaver goalie, Ken Davis, frustrated every attack. With Shillington off Chamberlain reduced the margin after taking a pass from Don Grosso.

Lavigne, haltering defenceman just recovered from a severe head injury, was outstanding for Sudbury. Injected into the lineup to bolster the Tiger defence, weakened by the loss of Bill Regan and Bingo Kampman, the stocky Lavigne played practically the entire 60 minutes without relief.
