

# Les Canadiens Score Win Over Maritime Professionals at Moncton

## Record Crowd of Fans Watch Habitants Win 11-8 Over All-Stars

### Jackie Keating Shines For Maritimers--Irvine Scores Opener

MONCTON, April 13.—The Maritimers' contributions to "big time" hockey stacked up against Les Canadiens, runners-up for the National Hockey League title this year, here tonight in an exhibition game and although they put on a dashing display of the pastime the Habitants won 11-8. Goals by little Howie Morenz of the late "Stratford streak" who proved a favorite with the fans and a "good will goal" which Bill Miller kicked into his own goal, helped boost the margin of victory.

About 5,000 fans, the largest crowd to watch a hockey match here in recent years, crammed The Stadium almost to its capacity. Moncton turned out in force to see their old favorites and compare them with the best team in the Canadian Section of the N.H.L.

It was Jackie Keating, native of Newcastle, and ace of the old Saint John Beavers, voted the most valuable player with the Providence Reds in the International-American League, who stood out tonight like a beacon on a dark night for the Maritimers.

The light centre star whirled about The Stadium in a manner which won the acclaim of the customers. He had few equals and no superiors on either team tonight. With the all-Maritime high scoring line of Keating, "Doggie" Kuhn and Sammy McManus, the Habitants were hard pressed.

"Dad" James, "Dizzy" Desilets and "Knucker" Irvine, former Maritime "Big Four" stars, made up the All-Stars' second line, while the amateur line of George Appleby, George Bell and "Babe" LeBlanc constituted the third but it was the Providence line that caught the eyes of the customers.

"Knucker" Irvine, fearless and dashing as in the days when he campaigned for the Hawks, opened the scoring less than two minutes after the start of the first period. He was playing with the almost "all Hawk" combination of Bill Miller, Bill Gill,

defence; James, McManus and Irvine, front line. McCormack of the Canadiens was in goal.

After the goal was scored the Providence line swung into action and Kuhn rapped in the second goal for the All-Stars on a pass from McManus. Canadiens bounded into the offensive after that, scored four goals in succession and were never headed.

About midway through the third period Toe Blake was injured in a collision with Bill McKenzie, and little Howie Morenz took his place at centre ice. The "future great" raced down the ice with veteran Pit Lepine and scored a goal to the acclaim of the fans. He had to battle with McCormack before lifting his own rebound into the cage.

It was in this period that Bill Miller, in attempting to clear the puck from the All-Stars' cage, accidentally kicked it into his own goal.

Scoring honors were well distributed tonight. Irvine, Keating, Kuhn, each scored two goals and James and Desilets accounted for one apiece, for the All-Stars, while Mondou led the scoring parade for the Habitants with three. Drouin, who impressed with his speed, Gagnon, Brown, each fired in two and the old "Battleship" Leduc, and Little Morenz accounted for the others. Keating had two assists also.

Gagnon shone brightly tonight and was travelling at an amazing rate of speed. He gave the All-Stars' defence plenty of trouble. Bill Gill, who has added more than several pounds to his huge frame since the "Big Four" wars, found the pace difficult to maintain tonight. James also showed the lay off has not been to his hockey advantage. The amateur line played hard but had little opportunity to shine in the galaxy of stars.

Les Canadiens remained in the city tonight and will leave tomorrow for Montreal, having completed their barnstorming tour of the Maritime provinces.

GASTONIA, N. C., April 13.—Washington Senators were unable to solve McFayden's deliveries and Boston Bees whipped them 8-3 today.

## NEW WATERFORD MARITIME JUNIOR CAGE CHAMPIONS

NEW WATERFORD, N.S., April 13.—New Waterford Strands more than doubled the score on Saint John Falcons here tonight, 49-24, and took the Maritime junior basketball title by a score of 95-60 on the two-game round. Strands won the first game 46-36.

Strands could do nothing wrong tonight and for a time neither could Falcons as the juniors gave a dazzling exhibition of basketball. But guard Agar of the New Brunswick champions had three personal fouls called on him early in the first half and anxiety to avoid banishment slowed up Falcons' defence.

The Saint John team duplicated its tactics of the previous night at the outset and went on the offensive in a desperate effort to draw even on the round.

Overanxiety spoiled their shooting and they were frequently caught flat footed on fast break-aways by the Strands. The New Waterford team held a 19-12 lead at half time—17 points on the series.

Strands clung to the same style of play in the second half, letting the Saint John squad carry the play to them and then breaking away fast for points. Slowly but surely they piled up a commanding lead.

Izzard and Hugh Conlon added four points each to Falcons' score on pretty plays, but Gus MacNeil, rangy Strands' centre, Leaver and Tonnelly shot three baskets each and Gillis and McDonald added another eight. Izzard, whose work worried Strands in both games, was high scorer for Falcons with ten points. Gus MacNeil led New Waterford with the same number, followed by Dickson with nine and J. Michalsky with 8.

Lineups: Saint John: Bowes, Izzard 10, L. Conlon 2, forwards; MacFarlane 4, centre; H. Conlon 4, Agar 3; Bonner 1, guards.

New Waterford: J. Michalsky 8, W. Michalsky 2, McDonald 4, Gillis 6, Tonnelly 4, forwards; MacNeil 10, centre; Leaver 6, Dickson 9, guards.

## Talks on Canada Create Interest

The timely talks on Canada heard on the radio broadcast "Canada 1937" are attracting wide interest in all parts of the country. That this is not confined to Canada alone is being indicated by letters received from many listeners in the United States. One from a member of the House of Representatives, Lansing, Michigan, was as follows: "I have listened to a talk delivered over your station at 5:50 p.m., Sunday, on the subject of Canada's attitude toward the 'sit-down' strike. This talk is a masterpiece. If it is available in printed form, I would indeed appreciate a copy."

## DUKE, KIMSEY AND MYLLYKANGAS PITCH IMPRESSIVELY FOR ROYALS

Rab's Men Turn Back Toronto Leafs 6-2 After Losing to Detroit 6-5 in Tenth Inning

ORLANDO, Fla., April 13.—"All I can say is that you played your best end when the Royals lost by 6 to 5 against the Detroit Tigers in a 10-inning game in Lakeland Saturday, and won by 6 to 2 against the Toronto Maple Leafs yesterday in Haines City."

Crip Polli, the other pitcher to go on the mound during the week-end showed lack of condition, but it was expected that he would take quite a long time before being in shape. The weather, although satisfactory this season, hasn't been hot enough to give the veteran Italian the chance to get in condition.

Both Royals and Leafs showed up nicely yesterday. The Queen City club surprised everyone by its gallant fight. Dan Howley has a group of young players but they look like a very promising lot. They showed a lot of pep during the game played before a few hundred people. But Kimsey and Myllykangas were too good for them.

Duke, Kimsey and Myllykangas pitched great ball during the week-

## AGGRESSIVE SALES POLICY IS PLANNED

OTTAWA, April 13.—An extended campaign for the marketing abroad of Canadian agricultural products and beef cattle is to be launched by an appropriation of \$100,000 in supplementary estimates tabled in Parliament today by Hon. Charles Dunning, Minister of Finance.

The supplementary estimates provide for total expenditures of \$11,339,955, and are in addition to special supplementary estimates aggregating \$96,063,307 and main estimates totalling \$410,465,397, which were submitted earlier this session. Total expenditures for the fiscal year ending March 31, 1938, made a grand total of \$518,000,000.

Before the expiry of this week, it is expected Hon. James Gardiner, Minister of Agriculture, will explain his scheme for a more aggressive marketing policy to Parliament.

It will involve the employment of experts in the various products and they will be sent to canvass chances for increased sales in Britain. Others will be engaged in promoting a more orderly sale of Canadian cattle in the United States. In the first year of the trade treaty with that country many cattle were shipped over the border in poor condition. Had they been held in Canada for a longer period or been utilized elsewhere, better prices would have been realized by the farmers, it is stated.

Other important items in the estimates include \$300,000 to assist in the resettlement of farmers in the drought areas of Western Canada, \$500,000 to provide contributions to aid municipalities on the trans-Canada air route to improve existing airports and provide new landing places \$150,000 to provide for salaries and expenses of the proposed Royal Commission to inquire into the financial relations between the Dominion and the Provinces, \$300,000 for additional postal accommodation in Toronto, \$1,500,000 for Saskatchewan and \$750,000 for Manitoba in the form of temporary grants to help them over the hill and pending the findings of the Royal Commission on Finance and Taxation, \$250,000 to provide for the payment of allowances to veterans during a limited period of probationary training under arrangement with prospective employers, and \$200,000 to settle the claim of the Ontario Hydro-Electric Power Company, for power supplied to the Port Colborne elevator.

The Government is also asking Parliament for an additional \$915,000 for the construction of airways, airports and radio stations on which some \$8,000,000 already has been expended.

## Detroit Red Wings Even Series With New York Rangers

World Champions Shut-out Gothamites 1-0

DETROIT, April 13.—Marty Barry, big centre of the champion Detroit hockey team, shot the Red Wings back into the Stanley Cup race with a third period goal tonight that spelled defeat for the New York Rangers, 1-0, and evened the series at two victories each.

The National League champion Detroiters, crippled by an injury that kept their star defenceman, Ebbie Goodfellow, off the ice, met the situation with speed, outskating the rugged Rangers only to be checked by the sensational work of Dave Kerr in the New York nets.

Barry was not to be denied when he took the puck at his own blue-line midway in the third period after passes from Howe and Sorrell. In a tremendous burst of speed, he split the defence between Ott Heller and Art Coulter. At the penalty circle he swerved to the left out of Coulter's reach and from an amazingly sharp angle, rifled a swift drive into the far side of the net.

Kerr never had a chance as the puck streaked past him to bite into the net just inside the post.

The goal sent the Stanley Cup finals to the fifth game, which will be played here Thursday night.

Barry's shot turned 13,515 customers who had settled back in anticipation of an overtime game, into a madly cheering throng that tossed papers and programmes onto the ice.

Barry was the only one of four Detroit members of the National League all-star team selected by sports writers, to be in condition to play.

### Three Detroit Stars Out

Goodfellow as the third of the four to be injured, suffering a swollen knee. Normie Smith, Vezina trophy goalie, is out with an arm injury, and Larry Aurie suffered a broken leg before the regular season ended.

Only one penalty marked tonight's game, which reversed Sunday's 1-0 Ranger victory when 11 penalties were called. "Ching" Johnson went off the ice for tripping Modere Bruneteau just before the second period ended, but Kerr with able assistance from his mates stopped the kings' power plays.

Syd Howe filled in for Goodfellow on defence and at times joined the forward lines with a brilliant exhibition.

## EARL ROBERTSON, BARRY PRAISED

DETROIT, April 13.—Pushed with excitement, hat, tie and other raiment awry, pudgy Jack Adams pulled Goalie Earl Robertson from his dressing room seat tonight, yelled "Robbie, you're wonderful, you're going to stay in there for the next game," and hugged him with gorilla-like arms.

The minor leaguer, rushed into the breach when the Wings' regular net-minder, Normie Smith, was forced out with an arm injury during the N.H.L. championship series with Montreal Canadiens, said nothing. He gulped a few times, however, and a big smile broke over his perspiring features. He'd just scored the first shut-out in eight games—or since the play offs began—against New York's galloping Rangers.

"Nice going, I'm mighty proud of you," Adams shrieked at his warriors. "What a hockey club. With three all-stars out with injuries we beat them 1-0. The next win is Thursday, boys."

Little Larry Aurie hobbled up on his crutches to Robertson and shook his hand. They just looked at each other for several seconds and then—"I can't think, Larry," Earl said. "They could take me out and shoot me now. I'd die happy."

A few doors down the hall Coach Lester Patrick had nothing but praise for the Wings, Barry in particular. "It was a beautiful goal and a beautiful play," he said. "And was scored from an almost impossible position. Too bad for us."

Turning to Dave Kerr the "Silver Fox" grabbed his hand and said: "Think nothing of it, kid. You were marvelous."

The coach's son who made good—husky Lyn Patrick lolled about in his underwear and sang a song which went something like "When Your Roundup Days Are Over." Then he slapped Neil Colville playfully.

"Hurry up and get dressed, rookie," he said, "and let's get some sleep. Thursday comes soon and we're going to take 'em sure."
