

It's Coming Again!

N. B. WILL BE REPRESENTED AT SPORT SHOWS

Boston, New York and Hartford, Conn., to See Provincial Exhibit --- Expect Increased Business.

The Province of New Brunswick once more will sponsor exhibits at Sportsmen's Shows to be held later in the winter at Boston, New York City and Hartford, Conn.

Exact dates are as follows: New England Sportsmen's and Boat Show, Mechanics Hall Boston, Mass., Jan. 30 to Feb. 6.

National Sportsmen's Show, Grand Central Palace, New York City, Feb. 18 to Feb. 27.

Connecticut Sportsmen's and Boat Show, State Armory, Hartford, Conn., March 6 to March 13.

As usual the official exhibit will be handled through the Government Bureau of Information and Tourist Travel and D. W. Griffiths, director of the Bureau, will be in active charge. A corps of New Brunswick guides will assist in assembling and dismantling the exhibit at the several stands.

"This year," said Mr. Griffiths in releasing the announcement, "we will have an additional inducement to extend to prospective sportsmen who contemplate coming to New Brunswick. By that I refer to the complimentary black bear license announced by Hon. F. W. Pirie, Minister of Lands and Mines, only a few weeks ago. By virtue of this arrangement, non-resident sportsmen will be enabled to take four black bears during April, May and June without payment of a license fee. This should prove of especial interest to early season anglers who will thus be enabled to combine spring bear hunting with early salmon angling at no additional cost. I am confident that this arrangement will materially increase the numbers of early season sportsmen and will thus furnish additional employment to the guides at a time of year when they would otherwise not be busy."

This year two New Brunswick boys, Fred and Henry Padgett, will take part in the canoe tilting, log rolling and other events staged twice daily in the large indoor tanks at all three of the shows. Fred appeared several years ago at a sports show held in the Boston Garden. The coming event will mark Henry's first appearance. Both boys are regularly employed by Ogilvy Brothers, prominent outfitters of Plaster Rock.

The exhibit itself will represent a typical New Brunswick woodland scene and will occupy approximately 1,000 square feet of space at the three shows. Among its numerous attractions will be continuous motion pictures of outdoor sports and wild life as exemplified in this Province.

Already the New Brunswick guides attached to the exhibit have accepted invitations to various events to be held in their honor while on tour. Among these is a dinner to be tendered by the Boston City Club on the night of Feb. 4. Other functions will be announced later.

Meanwhile, Campbell-Fairbanks Expositions, Inc., under whose direction the Sportsmen's Shows are annually conducted, are arranging the details of an all-New Brunswick broadcast with one of the major stations.

Reports from the Campbell-Fairbanks offices point to an increased interest in Sportsmen's Shows generally. For instance the New York Show this year has been extended to ten full days, Feb. 18 to Feb. 27, inclusive, instead of the customary one week used heretofore. At the same date, demand from prominent sporting goods houses and other large exhibitors for space at the New York Show, has this year necessitated the leasing of three floors of the Grand Central Palace. Two floors housed the show in 1936.

agriculture was ordered to be continued. The committee consists of Couns Dobie, Graham and Morrison.

Coun. Doherty wanted an explanation of a bill paid to Ex-Sheriff Roy Smith for conveying prisoners to the penitentiary.

Coun. Morrison said that the usual charge had been made and it included travelling expenses of the prisoners and officers.

The Warden thanked
On motion of Coun. Grant a hearty vote of thanks was tendered Warden Cornum for the efficient and courteous manner in which he had performed his duties.

The Warden in a brief address expressed his thanks. He hoped to meet all the Councillors in July and that the meeting would be just as successful as the present one had been.

Election Talk
Coun. Doherty said that in September next the Councillors would seek re-election. In view of the fact that the revisors had been laid off, he wanted to know what would be done about the voters' lists.

The Warden replied that the Dominion voters' lists would be available by the month of July, and that arrangements would be made to have names added to the same.

The minutes of the morning session of the Council were read by the Acting Solicitor after which the Council adjourned sine die with the singing of the National Anthem.

SUMMARY

What is so rare as a day in June?
A dozen things or so;
A lazy walk 'neath an Autumn moon,
Manhattan under snow;

Du Dome in Paris in early Spring,
The swans along the Seine,
The sight of a swallow on the wing—
A highland swept by rain;

What is so fair as a day in June?
There's still a thing or two;
The haunting words of an old-time tune,
And, incidentally, you!

—Lee Wiley.

The roll was called and the minutes of the previous meeting read and approved. Mrs. Barker was automatically retired from the programme committee and Mrs. Box appointed as the incoming member. The remaining reports for the year were called for. The most of these could not be prepared until the close of the year. Of particular interest was that of Mrs. Green, the treasurer, showing the amount of money actually raised during the year, and that of Mrs. Squires, recording secretary, showing the ways and means by which the amount had been raised. Some one reported that another Auxiliary had decided to raise its allocation solely by voluntary giving. A short time was spent discussing this plan. Delegates were appointed to attend the Presbyterian which meets the first week in February. A verbal summary from our study book "Men and Women of Far Horizons" was given by Mrs. Crocker. It showed careful preparation and was most appreciated. Mrs. Lawson was asked to give the closing prayer and the benediction.

Meeting opened with "O Canada," followed by the repetition of the Club Woman's Creed in unison. One new member was welcomed as well as three visitors.

A great deal of correspondence was taken up including literature from the Provincial Department in connection with tuberculosis, the studying of the natural resources of New Brunswick, the League of Nations Peace Society, and short course at Sussex. Appreciation was expressed at the violet being chosen by His Honor Lieutenant-Governor Murray McLaren as the province's flower. Congratulations were also extended to Barker's Point on the acquisition of a hall in which to carry on various activities. Mrs. G. I. Nugent, Mrs. Nehemiah Kierstead, Mrs. C. F. Parker, Mrs. J. Allan Horncastle and Mrs. Vernon Rogers were named delegates to the Social Service Council and membership fee voted. Reports were given on the work done at Christmas and the monthly milk bill passed. Exhibits for the district convention were suggested and considerable other business taken up.

A letter of greeting from the Frimley Institute, Frimley, England, was read by Mrs. A. E. Mathewson, who is the link between Fredericton and Frimley Institutes. A surprise package donated by Mrs. E. E. Burden, was won by Miss Ida Belyea, a visitor to the meeting.

Following the singing of the National Anthem, a social hour was enjoyed, refreshments being served by the committee. Mrs. G. I. Nugent, Mrs. Robert Phillips, Mrs. J. S. Allen, Mrs. Harding Kierstead and Mrs. Joseph Tims.

UNITED YOUNG PEOPLE'S RALLY IN ST. ANDREW'S

Rev. Dr. Marshall Delivers Address to Young People

The annual Young People's Rally held on the Friday of the Universal Week of Prayer, was conducted last evening in St. Andrew's Presbyterian church. Rev. Dr. Marshall, who is pastor of Brunswick street Baptist church during the absence of Rev. G. W. Guion, was the principal speaker. Representatives from various Young People's Societies of this city also contributed to the worship.

The service was opened by Rev. Dr. Ross who led the congregation in prayer. Ronald MacKay of St. Andrew's Young People's Society, presided over the service and offered a warm welcome to the large number of young and older people who were present. The Scripture lesson was read by Charles Simms, president of the Wilmot Young People's Society. Prayer was offered by Harry Ganong of the George street Baptist Society.

Rev. Dr. Marshall was introduced appropriately by Emerson Skene, a representative of the St. Paul's Society. The singing was led by a united choir under the direction of R. C. Bailey, organist of St. Andrew's church. The musical portion of the service was featured by a solo "The Lord's Prayer," sung by Robert VanDine of the Brunswick street Baptist Young People's Union.

When the Mikado (temporal and spiritual ruler) of Japan goes to the Shinto temple to worship he takes three symbols, a mirror, a crystal and a sword. The mirror pictures himself as he really is; the crystal gives a glimpse of the future and an ideal, and the sword represents the action he shall take in his newfound manhood.

Carrying the thought behind these symbols into our lives, Rev. Dr. Marshall said the Bible is a mirror of a kind that reveals us as we really are. This mirror of the word of God does not give us the choice of forgetting the kind of person we are nor does it flatter the soul. As young people look into it they will find enough to show them what they are and the need they have.

The crystal brings a glimpse of an ideal, the realization that there is another order of life, another condition of mind. The seeker will try to achieve a manhood or womanhood free from the marks of the life that now is.

The character of the crystal is purity. Rev. Dr. Marshall continued. Loyalty and courage have variously been claimed as the fundamental virtue. If so, they must be embodied in a spirit of purity, the speaker contended. The foundation of a character that will abide must be purity. A pure heart is the pathway into the unseen, the realm of spiritual vision.

Following the thought to its conclusion, having seen what we were and attained in a measure a new manhood or womanhood, we come to the question to what purpose this new character is to be put. Samson's great power was used as a plaything. Herod used the sword of power to destroy those who challenged his personal success.

Jesus Christ found another way of using it, the way of service, said Rev. Dr. Marshall. Service is labor, sanctified and lifted out of the rut of passion and consecrated to great purposes. It is the sacrificial outpouring of character for others. In other words, brotherhood. Rev. Dr. Marshall said he believed that youth stands ready to accept the challenge of sacrifice.

Following a prayer offered by Rev. J. W. Bartlett the benediction was pronounced by Rev. Dr. Ross.

Helping Millions to Enjoy Greater FREEDOM from COLDS

Catch Cold Easily? . .
Vicks Va-tro-nol helps
Prevent many Colds

At the first warning nasal irritation, snuffle or sneeze, use Vicks Va-tro-nol—just a few drops up each nostril. Va-tro-nol is especially designed for the nose and upper throat—where most colds start. It stimulates Nature's own functions—in the nose—to help prevent colds, and to throw off head colds in their early stages. Used in time, Va-tro-nol helps avoid many colds.

Colds Hang on? . .
Vicks VapoRub helps
End a Cold Sooner

If a cold has developed, rub Vicks VapoRub on throat and chest at bedtime. VapoRub acts direct—two ways at once: (1) By stimulation through the skin like a poultice or plaster; (2) By inhalation of its medicated vapors direct to inflamed air-passages. Through the night, this combined vapor-poultice action loosens phlegm, soothes irritation, helps break congestion.

Follow Vicks Plan for Better Control of Colds

A helpful guide to fewer colds and shorter colds. Developed by Vicks Chemists and Medical Staff; tested in extensive clinics by practicing physicians—further proved in everyday home use by millions. The Plan is fully explained in each Vicks package.
