

New York Giants Blank Brooklyn Dodgers 9-0 in Open Slugging Spree

Fitzsimmons, Burgess Lead Gothamites to Victory Yesterday

Yanks Stretch Winning Streak to Five Straight Games

NEW YORK, April 29—Between fat Freddy Fitzsimmons and Burgess Whitehead the Giants just about clabbed Brooklyn Dodgers out of the Polo Grounds today.

With Fitz tossing a five-hit shutout and contributing a homer, double and single, and Whitehead smashing out two homers and driving in five runs, the National champions came through with a 9-0 victory.

Tony Cuccinello's fifth successive hit, a home run into the left field bleachers with Warstler on first and one out, gave Boston Bees a 6-4 triumph over the Phillies in Philadelphia in an 11-inning battle.

It was Wayne Lamaster's first defeat of the year and Guy Bush's second victory. Both entered the game as relief pitchers.

Catcher Al Todd crossed the plate to give the Pirates a 6-5 victory in Pittsburgh as Bill Lee, relief pitcher for Chicago Cubs, walked Arky Vaughan in the 13th inning with the bases loaded.

Gabby Hartnett, making his first appearance of the season for Chicago, got three hits, one a double, to drive in the tying runs in the eighth.

In St. Louis the Cardinals made only five hits off Ray Davis and Lloyd Moore, but three were triples and they combined them with three walks and two errors to defeat Cincinnati Reds 6-1.

By winning, the Cards maintained their place at the top of the National League and marked up their straight victory and their sixth in seven games this season.

Make It Five Straights
NEW YORK, April 29—New York Yankees stretched their winning streak to five straight today with a 4-2 victory over the Senators in Washington.

Gaining revenge for their opening day defeat at the hands of Monte Weaver, they connected with nine hits off him while their own Monte Pearson hurled steady six-hit ball to stay out of danger.

The White Sox combined a robust 19-hit attack with the first shutout

Escobar's Manager Signs For Martin

NEW YORK, April 29—Lou Brix, manager of Sixto Escobar, world champion bantamweight boxer, said today he already had signed with Lou Dettmar, Montreal promoter, for Escobar to defend his championship against Frankie Martin, Canadian bantamweight champion, but promoters were having trouble signing Martin.

Brix's statement followed an announcement in Montreal by Frank Hogan, chairman of the Canadian Boxing and Wrestling Federation, that a protest was sent to New York Athletic Association against alleged unfair treatment of Martin.

"I understand Martin's manager is demanding a guarantee of \$2,500 to fight Escobar and the promoters think that is too much," Brix said. "Escobar is ready for Martin any time a producer can sign Frankie."

pitching of the American League season to defeat St. Louis 12-0 in Chicago. Monty Stratton, right-hander, pitched the shutout limiting the Browns to eight hits.

Led by Larry Rosenthal's two triples and a single and Luke Sewell's four singles, his mates pounded Elton Walkup for 10 hits and four runs in five innings and then fell on the veteran "Sheriff" Blake for eight hits and as many runs in the next two frames. Tommy Thomas yielded the 19th blow.

In Cleveland the Indians bombarded four Detroit pitchers for 13 hits to win the opener of a two-game series with the Tigers 12-3.

Earl Whitehill held his former Detroit team-mates to seven hits, one of them a homer by Rudy York, the Tigers' rookie third baseman.

Haj Trosky, the Indians' slugging first baseman, hit his first home run of the season in the first inning with Averill on base.

PROBABILITY THAT YORK - SUNBURY LEAGUE WILL CONSIST OF TWO TEAMS

Baseball Officials Held Meeting Last Night -- Discuss Plans

The probability is that the York-Sunbury Baseball League, if it is reorganized for the season of 1937, will consist of only two teams, Minto and Marysville.

At an informal preliminary meeting held last night, representatives of the Devon club stated that Devon could only enter a purely local league during the coming season. It was suggested by Devon that the York County League with Fredericton, Devon and Marysville as members be revived after a lapse of two years.

But both Minto and Marysville supported reorganization of the York-Sunbury League to which Devon was opposed due to financial reasons and the loss of players. Definite decision regarding formation of a senior loop in the central part of the province has not yet been reached, however, but Marysville and Minto may carry on the loop on a two-team basis.

Both President C. L. Dougherty and Vice-President G. M. Byron were absent from last night's York-Sunbury meeting, Fredericton, Devon and Marysville were represented.

Those attending the meeting included Kenneth Staples, secretary of the New Brunswick Amateur Baseball Association; Geo. Howell of the Devon Club; A. D. Taylor of Minto; Leonard Inch, Marysville; Fred Foster, Marysville, secretary of York-Sunbury League; Dr. P. G. Thompson and Joe O'Connor, Fredericton.

It is expected that within a fortnight further steps will be taken from representatives of Marysville and Minto to form a two-team York-Sunbury League to function during the present year.

Possibilities of a York County League were dimmed when Marysville refused to surrender seven Fredericton men, who they have lined up for the coming season, to a city club if this were organized.

STUART CLUB GETS CROCKER

Veteran to Play on Senior Team--Bedard President

MONTREAL, April 29—President Paul Bedard's persuasive powers have prevailed upon Willard (Smiling Bill) Crocker to hang his flannels on a Stuart Club peg this season.

The amiable Bill, veteran of former Davis Cup skirmishes, will swing a racket on their senior inter-club team. Stuart will not only reap the benefit of his experienced stroking tournament play, but will reap a rich harvest for its younger members in the advice and counsel Crocker is at all times willing to give to those who seek pointers to improve their game. He has promised to be on hand often to encourage and help the young Stuart members along the road to success.

Crocker has made several comebacks from time to time, most of them because of strong urging from some club or other. None of these comebacks have looked as business-like and serious as this 1937 return to competition.

Commenting on his acquisition, President Paul Bedard remarked last night "We are indeed delighted to have Bill Crocker line up with us. His appearance at our courts will be a great incentive to the young players."

Available for senior team duty with Crocker will be John Cloghessy, Leo Cloutier, Arnold Ridgway, Paul Bedard. Whether Roland Longtin has definitely decided to move back to his old love, Canadian Club, President Bedard was unable to state last night. He intimated that it was not unlikely Longtin would remain with Stuart. Young Jean Amiot will be graduated to the senior team if it is thought advisable.

The club held its annual meeting last night. Four new directors were elected to the Board. They were Eddie Bernard, George Charron, Roland Therien, Jacques Vadboncoeur. Officers elected were: President, Paul Bedard; vice-president, Leo Cloutier; secretary, Eugene Payette; treasurer, Rene Gagnon.

The club also decided to floodlight another court, bringing their total of courts available for night play up to five. The courts will open on Saturday afternoon of this week. Teams will be entered in the P.Q.L.T.A. inter-club series in the divisions.

Champions who will defend the club titles this season are: Men's singles, Leo Cloutier; men's doubles, Eugene Payette and Arnold Ridgway; ladies' singles, Josephine Mullarky; ladies'

TONY GINGRAS PASSES AWAY

First of Great French Canadian Stars--Discovered Cude

MONTREAL, April 29—Out in Winnipeg, where he was a legendary hockey figure, one of the famous greats of another day, "Tony" Gingras passed away.

Dead at 61, his passing recalls the olden days in hockey when the Winnipeg Vics held the Stanley Cup, when they battled with Montreal Vics and Gingras was the Moritz of his day.

Gingras was one of the early great French Canadian players. One of the race that later produced Laviolette, Pilon, Lalonde, and so many other famous names.

He had extreme speed, he was a sensationalist. Old timers still recall him as a flashing figure, in fact they mention him as the outstanding showman of an era that had few showmen.

When he came here he caught the imagination of French Canadian hockey fans, in his way did a great missionary work in the game. He was a right winger, and a flashy player with a great shot.

For years he was a Canadian hockey scout. He turned to the youngsters and one of his discoveries was Wilf Cude.

Gingras discovered Wilf as a forward, saw he had natural talent as a netman, and talked him into that position.

Every time he came east he could be seen around the Canadian club offices. He and Newsy Lalonde were great friends.

He was born in St. Boniface, across the Red River from Winnipeg. He had many friends in Montreal, particularly among the old timers.

At last night's annual meeting it was disclosed that Stuart will sever all connections with Nelson Club with whom it linked hands last season.

RED SOX STILL DEEP IN RED INK

Claim Yawkey Baseball Losses Near the \$2,000,000 Mark

BOSTON, April 29—Almost half of the \$4,000,000 Tom (Croesus) Yawkey is reported to have invested in Boston Red Sox over a four-year period has melted away, according to the club's financial statement for the year ending November 30, 1936.

Last year's Red Sox flop, considered the outstanding American sports upset of 1936, forced the club to wind up in sixth place with a deficit of \$804,560.

The previous season, the Red Sox splashed around in \$511,629 worth of red ink, the 1934 loss was reported as \$470,843, making a three-year total of \$1,787,032, and, although the 1933 figures are unavailable, it is probably safe in assuming that the seventh place loss enough to boost the grand total to around \$2,000,000.

Since a baseball franchise, players and a park are actually worth only what you can get, it could be argued that Yawkey could lose most of every dollar he has invested in baseball.

Mr. Picobac's Advice to Anglers

"I WANT you to put a piece in the paper where everybody will see it," said Mr. Picobac to his friend, Herb Smith, editor of the Essex Centre Gazette and County Advertiser (circulation guaranteed). "It'll save me a lot of time writing letters in answer to correspondents." "Sure," said Herb, feeling for the pencil behind his ear. "It's poetry," confessed Mr. Picobac, handing it over. The editor read it aloud:

"Angler's Calendar for April"

"Give your good trout rod a coat of shellac,
"Glue up the ferrules if any be slack;
"Test all your tapers, silk, linen or cotton,
"Cut off the ends of all such as be rotten;
"Take last summer's leaders now frayed and worn,
"All moth-eaten trout flies, tattered and torn,
"Make one last cast with them—throw them away,
"Stock up with new stuff for Trout Opening Day."

"Sounds like an ad," said the editor. "What about the smokes?" "Picobac, of course," said Mr. Picobac briefly. "In handy seal-tight pouches."
