

New York Rangers Blank Detroit Red Wings 1-0 in N. H. L. Play-off

Victors Need Only One More Win to Capture Series and Stanley Cup

Colville Scores Winning Marker -- 13,735 Fans Witness Game

DETROIT, April 11—New York's Rangers advanced to just a game away from Stanley Cup custody tonight, defeating the champion Detroit Red Wings 1-0 before 13,735 customers as Dave Kerr returned to his mastery of the nets.

Neil Colville's short drive on a rebound, as Detroit defenceman Johnny Gallagher was in the penalty box for tripping, provided the victory margin for the third game of the five-game cup series. The goal was scored just 23 seconds after the second period started.

The Red Wings and Rangers battled at high spirit, drawing 11 penalties in the roughness of play.

Herbie Goodfellow of Detroit and 'Babe' Pratt of New York produced the flistic highlight, drawing five-minute penalties in the third period after swapping punches lustily.

Kerr, who scored his fourth shut-out in seven playoff games, was the New York star. Jumping about in the nets he stopped drive after drive in the late stages of the game as the Red Wings put on the power with five-man rushes in an attempt to tie the score. Because of the many penalties, however, there were frequent moments when five-man rushes were impossible.

Pratt, in addition to his major penalty for the Goodfellow fight, was in the box on two other occasions. Once he tangled with Modere Bruneteau a few seconds after Bruneteau and Joe Cooper left the penalty box for a bit of high sticking in the second period. Less than half a minute after he completed serving his five minutes in the third, he battled with Herbie Lewis on the right boards and both were banished.

Gallagher's tripping of Ott Heller opened the way for the Ranger goal. On a face-off in the Detroit corner, Cooper got the puck to Pratt at the blue line, who fired a long drive that Cooper deflected slightly. Goalie Earl Robertson stopped the puck, but Neil Colville was in on the rebound to hit the open nets.

Heller and Alex. Shibicky, both with brain concussions suffered Thursday when Detroit evened the series, played tonight with special head guards, but Shibicky was on the ice only at infrequent intervals.

The teams resume the series here Tuesday with the Rangers needing only one victory. The lineups:

Rangers	Goal	Detroit
Kerr	Goal	Robertson
	Defence	
Coulter		Goodfellow
Heller		Bowman
	Centre	
Watson		Barry
	Wing	
Murdock		H. Kilrea
Keeling		Lewis

Ranger subs.—Pratt, Johnson, Shibicky, N. Colville, Boucher, Dillon, Cooper, Mac Colville, Patrick.

Detroit subs.—Gallagher, McDonald, Howe, W. Kilrea, Sorrell, Pettinger, Bruneteau, Mackie, Sherf.

Officials—Stewart and Smith.

The summary:

First period: No scoring. Penalties, Cooper, Gallagher.

Second period: 1, New York, N. Colville (Pratt, Cooper), 23. Penalties, Bruneteau 2, Cooper, Pratt.

Third period: No scoring. Penalties, Gallagher, Pratt (major and minor), Goodfellow (major, Lewis).

Amusement Park Looking For Six Black Bear Cubs

An amusement park in Montreal is looking for six black bear cubs for exhibition during the coming summer according to C. K. Howard, manager of the Tourist and Convention Bureau of the Canadian National Railways, the manager of the park having made application to him in an endeavor to secure the cubs. Bear cubs seem to hold a great attraction for people and particularly for visitors to parks, sportsmen's shows and the like. At the recent sportsmen's shows in Boston, New York City and Hartford, Conn., crowds gathered about the exhibit of the New Brunswick government to watch the antics of the bear cubs which formed part of the display. Out in Jasper National Park in the Canadian Rockies, guests at Jasper Park Lodge at Jasper, Alta., derive considerable amusement from watching the natural "clowning" performances of the bears in the park which is a big game sanctuary as well as being Canada's largest national playground.

TIGERS CAPTURE SECOND BATTLE ALLAN CUP FINALS

CALGARY, April 11—Sudbury Tigers swept from behind with a third-period offensive here last night to defeat North Battleford Beavers 6-3 in the second game of the best-of-five Allan Cup hockey finals.

Losers 4-1 in the first game Thursday night, the Western Canada champions seemed on the way to victory as they led 3-2 at the end of the second period. But the Beavers lost their drive as the Tiger rally 16 seconds after the start of the third tied the score. They wilted as Sudbury went into the lead.

A victory in the third game tomorrow night would give the powerful Ontario Miners the series with three straight wins and return to the East the trophy won last year by the Kimberley Dynamiters.

Erwin Chamberlain, Sudbury left winger, garnered the lion's share of honors for the night as he rifled three goals into the Beaver citadel. Almost 5,000 fans watched two periods of hockey at its best. Sudbury's diminutive netminder, Charlie Teno, saved his team time and again in the first and second sessions as Beavers pressed. His great work probably prevented Beavers taking an insurmountable lead.

Six of the nine goals were scored while the teams were short-handed. North Battleford getting their three markers while a Tiger was on the penalty bench.

Normal School Team to Meet Yarmouth for Title

Arrangements having been completed, Provincial Normal School, inter-scholastic basketball champions of New Brunswick, will leave here on Thursday for Yarmouth to meet Yarmouth Academy, Nova Scotia champions, for the Maritime title, Friday night. Last year Normal School laid claim to the crown on a default of the Nova Scotia winners.

Details were arranged with the assistance of Dr. H. H. Hagerman, principal of the Normal School, and the faculty. Making the trip are Regimental Sergeant-Major A. W. Oliver, coach of the team; Glen Davis, manager; Donald Thorburn, captain, and George Boyle, George McIntyre, Lawrence Leech, Reginald Holmes, Bruce Hicks, Donald McDonald and Frederick Estabrooks.

Increased Orders For Canadian Goods, British Industries Fair

The question may be asked sometimes: What value industrial exhibitions or fairs? The answer seems to be fairly well given in analysing the results of the recent British Industries Fair held in England. The total attendance was 375,386 with a record number of overseas buyers, according to the Industrial Department of the Canadian National Railways. Canada was well represented and the results, insofar as Canada is concerned, are reported as entirely satisfactory. This year the Canadian display at White City featured women's ready-to-wear goods and some substantial orders were received for dresses, in particular, from overseas buyers for shipment to other parts of the Empire. In the hardware section held in Birmingham, orders for certain goods were reported to have increased by 100 per cent. There was an attractive display in this section of Canadian timber and mineral products, the timber display including an attractive range of boxes and crates manufactured from Canadian lumber and plywood. There was also a Canadian display in the Olympia section. The interest and support of Their Majesties the King and Queen and other members of the Royal Family helped materially to the success attained and it is the opinion that the Fair has greatly stimulated trade in Canadian goods overseas and that it will result in increased orders for products of Canada.

ROCHESTER, N. Y., April 11—Big Bill Tilden, aging tennis ace, vanquished the favored Fred Perry last night for the second successive night 6-2, 7-5.

Tilden's series with Perry now stands at four wins for the Briton to three for Tilden.

TEAMS MEET IN PLAYOFF TONIGHT

SAINT JOHN, April 12—The much mooted verbal battle on the matter of title-holders in New Brunswick intermediate basketball, centering on the Saint John 1934 Club and Mount Allison University five will take concrete form tonight. The two squads, both winners over the Newcastle Bachelors in the playoff rounds, tangle on the High School floor at 8:15 tonight.

Doug Skinner was appointed arbitrator in the so-called "muddle" by the provincial basketball association—a move approved by the Dominion body—and arrangements suitable to both squads have been made whereby the locals will be hosts to the Mounties tonight.

According to Skinner, the only way out of the difficulty was to play the sudden death game for the title on the home floor of the squad placing the largest guarantee. The Saint John club has offered the Sackville collegians the sum of \$70, an amount in excess of what the Mounties could offer.

How "Muddle" Arose
The "muddle" arose when the Mounties asked permission of W. E. Stirling, secretary-treasurer of the New Brunswick Basketball Association, to re-enter the playdowns after they had withdrawn at the request of the faculty. Permission was granted the team to continue in the playoffs at a special meeting of the faculty held on the eve of the scheduled game at the High School here, and the Mounties came to the city on April 1 to play that evening.

The '34 club management had already made arrangements for a series with Newcastle for the provincial crown and had lost a considerable sum on the Mount Allison game which was expected to take place here and then considered definitely "off" when the collegians stated their intention to withdraw.

Moreover, the locals, according to Manager Ralph Lawton, found it impossible to arrange for a floor at such short notice as Manager Gascoigne of Mt. A. gave them, and was advised by Henry Holmes, president of New Brunswick Basketball Association, to go through with the Newcastle series. The Mounties, on the other hand, according to Mr. Gascoigne, were advised by Mr. Stirling to play their game at Saint John. The contest was not played, and the matter of championship was placed in the hands of the Canadian Amateur Basketball Association and the provincial body, who subsequently appointed Doug Skinner to rearrange a game.

SHORTAGE OF HORSES IN UNITED STATES

Notwithstanding the thousands of motor vehicles in use in the United States, doblin has not passed from the scene by any means. In fact, there is a shortage just now in the United States of suitable horses. City dairy companies rely on the horse for milk deliveries, requiring a fast-walking easy keeping animal and one able to stand up to hard work in hot weather. The total shortage is estimated at 174,382 head with 49,076 allocated to the New England and adjoining States and 62,638 head distributed among the more central states of Ohio, Michigan, Indiana, Wisconsin, Minnesota, Missouri, Kansas, and North and South Dakota. Imports of horses from Canada have been steadily increasing, last year the number amounting to 17,482 head, the greater portion going to New England and adjoining states, according to the Agricultural Department of the Canadian National Railways.

MARITIME PROS PREPARING FOR CANUCKS TILT

MONCTON, April 11—Jackie Keating, formerly Saint John amateur player, who with "Doggie" Kuhn and Sammy McManus, formerly the powerhouse line of Providence Reds in the International-American League this year, will arrive here tomorrow from Saint John to work out with McManus and "Knucker" Irvine in preparation for the hockey game here Tuesday night between Canadiens of Montreal and an augmented Maritime all-star team.

Over the week-end, Sammy McManus, "Dud" James, Bill Gill and Irvine, former members of the great Moncton Hawk machine, worked out in the Stadium with George Bell, "Babe" LeBlanc, Len LeBlanc, and goalie "Buz" Barton of the Maroons.

The four members of the old Hawks along with Bill Miller, will take the ice with either Wilfie Cude or Hughie McCormick in the nets at the start of Tuesday night's game against Canadiens. Keating, "Dizzy" Desilets, Armand Mondou and Polly Druin will be the other forwards used by the Maritime stars. Bill McKenzie will work on the rear guard with Miller and Gill.

Indications are that a large crowd will see the contest, the only New Brunswick appearance of the Hart coached team this season, unless plans for a proposed game at Saint John later in the week materializes.

It was stated tonight that every possible effort was being made to locate "Doggie" Kuhn, now en route to his home in Nova Scotia, to have him come to Moncton to play. The promoters have not given up hope yet of having Gordon (Lefty) Drillon of Toronto Maple Leafs home for the game, either.

CANUCKS DEFEAT PHONE BRIGADE

SYDNEY, N. S., April 11—Montreal Canadiens defeated Sydney Telephones, Cape Breton Island hockey champions, 25-6 here Saturday night in an exhibition game that brought Canadians' tour of the island to a close.

Toe Blake led the National League team's scorers with an even 20 goals. All Telephones' counters came in the second period after Wilf Cude, the national squad's regular goalie, and Campbell of Telephones, changed sides, and in the third.

Canadiens scored nine in the first, six in the second, when Cude played for the Sydney team, and 10 more in the third. The visitors left for Charlottetown today for a single exhibition stand and then will play at Moncton, Tuesday. The lineups:

Canadiens—Goal, Cude; defence, Siebert, Buswell, Goupille, Leduc; forwards, Gagnon, Mantha, Haynes, Lorrain, Brown, Drouin, Desilets, LeBlanc and Blake.

Telephones—Goal, Campbell; defence, MacNeil, Young, Powell; forwards, McDonald, H. MacAdam, F. MacAdam, White, McDougall, Nicholson.

Saint John Hoopsters Take Second Game But Lose Play-off Round

McGill Grads Win Series By Margin 14 Points -- Will Meet Windsor

SAINT JOHN, April 12—A pair of neatly tossed foul shots by 'Les' Stratton, lanky guard of the Saint John Seniors, Maritime senior basketball champions, gave Saint John a 29-28 victory over Montreal's McGill Grads here Saturday afternoon. But the one-point win was not good enough to give the home quintet Eastern Canada semifinal senior honors, the Grads taking the two-game round at Saint John High school auditorium 76-62.

Montreal will now meet Windsor, Ont., cagers in the Dominion semifinals and for the right to be known as Eastern Canada champions.

Staging an uphill battle from the opening whistle while a large crowd looked on, the homesters snatched the single-point margin in the closing stages when Stratton was fouled by John Ferraro, ace of the Upper Canadians. Having captured the opener 48-33 Thursday night, the series winners coasted into the total-score victory with a close checking defence. Ferraro was high man for the two games with an aggregate of 26 points, 17 Thursday and nine Saturday.

The Maritime champs jumped into the lead from the start with Brown and Ralston beating the hoop for a field basket and a free throw before Johnny Ferraro, Italian American star of the Grads, broke the ice with a pair of foul tosses for the Grads.

Patterson, Ralston and Stratton accounted for 11 more tallies for the

found later in the captain's possession, causing his arrest—but everything finally comes out all right.

Seniors before the whistle blew for half time while the fast travelling Montreallers were held to eight points for the session. The locals continued to control the play in the closing session but the visitors gave a nice display of long shooting to tie the score at 26-all on the game with four minutes to go. Then the Seniors, with the title definitely a lost issue, put on a closing rally to outscore the winners of the opener, three points to two.

Don Patterson, local forward, starred with a classy exhibition of old-time form in sinking long flings with deadly accuracy and intercepting passes time after time to beat the Grads at their own game. He tallied 13 points for the day's high honors. Stratton shared the spotlight with Patterson for the locals. Taking on the tough assignment of marking the high-scoring Ferraro, he held down the husky Grad star throughout. Bernie Ralston played a standout game on the forward line, snatching McGill passes time after time to start scoring rallies for the locals. Hammond led the Grads sharpshooters with ten points.

Wild passing, ragged dribbling and inaccurate shooting robbed the locals of many fine chances as in the opening fray. Displaying a greatly improved passing system, however, they staged a series of court length passing giving them control of the play for minutes at a time while the McGill five seemed content to cover up in the defence zone and limit them to long flings on the hoop. The series winners gave a superior exhibition of long range shooting, with Oke Olson sinking a brace of looping under-handers from centre without touching the rim. Patterson of the locals also lashed the twines in old time form for several nice long shots.
