TRIM BORDER CREW LAST NIGHT IN ARCTIC RINK TO CLIMB INTO THIRD Drillon Still Leads PLACE IN SOUTHERN N. B. LEAGUE

Hectic Hockey Features Fights, Hard Checking And Scores of Penalties; Fredericton Capitals Easily Have Edge In Play, Smoother Passing

Bill Gill led his Capital aggregation into third place in the Southern N. B. Hockey League by taking the St. Croix team with a 9-7 tally in 60 minutes of roughouse hockey featuring slashing, high sticking, hard checking, arguments and fist fights. The fans got their money's worth in double-harrelled action, in a game that lacked smooth hockey.

The game consisted of s series of rushes of the smash-bang type. The Capita's outshaded the border crew through every frame but not to the extent that it was lop-sided. Both goalies were doing outstanding work in the nets, while the Fredericton team showed much improvement in combination work, their passes being a lot smoother than last week.

ine.

### SPORT DUST -BY-

"Timmy" Green

The league standing is settled for the present at least with the Maroons in first place by virtue of their win over the Beavers last night, and the Beavers going into second place, while the Caps took third with their victory over, the St. Croix. The third place honours may not remain settled for long however since the Caps and St. Croix clash again tonight. A border win would tie the thing up again.

#### The game last night was more or less a brawl all the way through, not only because of the

several fights that ensued but the play itself was mostly a wildman battle. The Caps can be assured of a good following every time the St. Croix team plays here because the fans naturally love the roughstuff. The teams are pretty evenly matched 100, with the Caps having a little the edge.

Bun McLenahan is making himself more valuable each game, while Doucett isn't exactly making the club sorry they signed him on. The Caps have a nice hockey machine that is improving every game and is going to show big things before the season is much . . 'Snap' Thompson did older . some nice work in the third and won the cheers of the crowd when he went a little wild and bowled over every man within his reach when the two teams were massed inside the border blueline. The fans get more kick out of one of Thompson's rushes than they do any other man on the team . Gill is showing speed now that is speed. The big defenceman does not look to be travelling very fast, but you no doubt saw him overtake McNichol when the speedy Border centre man broke away with nothing to stop him-McNichol makes those skates move . . . That's all!

MONCTON MAROONS REGAIN LEAGUE

LEAD BY TROUNCING SAINT JOHN SIX

SAINT JOHN, Dec. 21-The Moncton Marcons played the breaks and threw up an airtight defence at The Forum last night to step right back into the leadership of the Southern New Brunswick Hockey League with a 5-1 win over the Beavers, their second straight triumph over the home forces here. The Jamesmen grabbed the lead six minutes from starting time on a fast breaking play by the Carroll - Ingram - Chapman line and clamped down with a three-man defence to take the snap from the Saint John rushes before they reached the dangerous stage. Lavoie took over his old stand between the posts to outguess any marauders who broke through the iron-bound defence.

- The only local goal came early h the third period when Beavers were awarded a counter after Lavole threw his stick at Price in an attempt to TO GET ALLAN CUP stop the uncovered pivot ace who sped in on the cage on a break-away.

## This Safe, External Treatment Helps END A COLD Quicker

### The 3-Minute VapoRub Massage

Massage VapoRub briskly on the During the night, VapoRub keeps throat, chest and back (between and below the shoulder blades). Then spread it thick over the chest and cover with warmed cloth.

Almost before you finish rubbing, VapoRub starts to bring relief two ways at once-two direct ways:

1. Through the Skin. VapoRub acts direct through the skin like a poultice or plaster,

2. Medicated Vapors. At the same time, its medicated vapors, released by body heat, are breathed in for hours-about 18 times a minute direct to the irritated air-passages. This combined poultice-and-vapor action loosens phlegm-relieves irritation-helps break congestion.

right on working. Often, by morning the worst of the cold is over.

Avoids Risk of Stomach Upsets This safe, external treatment cannot possibly upset the stomach, as constant internal "dosing" is so apt to do. It can be used freely, as often as needed, even on the youngest child.

Mothers! Look in your VapoRub package for full details of Vicks Plan-a practical home guide to greater freedom from colds. In ch tests among 17,353 people, this Plar ness from colds more than half. Follow Vicks Plan for Better Control of Colds
