### Governor Carleton Chapter I.O.D.E. Favors Peace Action

A well attended meeting of Governor Carleton Chapter I.O.D.E. was held last evening at the home of Mrs. C. C. Camp, York Street. Regrets were expressed for the continued illness of our Educational Secretary Mrs. Coy. In the discussion of Child Welfare the matter of the Children's Aid Society was before the meeting, but no definite action taken, although we are now sharing the expense of a child in the hospital. Several letters were read, among these a very excellent letter from Miss Fairweather, explaining the connection of the Seamen's Mission with the Navy League and thanking us for our donation to this Mission. Mrs. Neville, our representative at the Peace Program meetings gave a very full report, which was received with great interest. A very earnest discussion followed this report and the reading of a letter from Dr. Toole, President of the League of Nations Society in Fredericton. The ladies realize that something definite must be done to promote peace. Mrs. Osborne gave a report of the meeting of the Welfare Bureau, and arrangements were made for the distribution of Christmas baskets. The work the Daughters of the Empire are doing for the mentally deficient was discussed, and money voted for its support. The calendars for 1938 were on hand and found a ready sale. Mrs. Camp served delicious refreshments, and a very pleasant social hour was spent. The meeting closed with the National Anthem.

### Stanley C.W.L.

On Sunday afternoon, Nov. 14, a special meeting of the Stanley sub-division C.W.L. was held in church vestry. This meeting was attended by Miss Veronica Osborne, Diocesan president, Rev. Dr. Boyd, Rev. Father Butler and the C.W.L. presidents of Fredericton and Devon.

Miss Osborne opened the meeting with League prayer. Eleven members attended. A very instructive and interesting address was given by Miss Osborne, explaining the work of the Sisters of Service. She also stated that one of the first works of the C. W. L. was catechetical and sanctuary work. Rev. Dr. Boyd and Rev. Father Butler also addressed the meeting.

A vote of thanks was given the speakers. The meeting closed with League prayer after which a very dainty supper was served the guests by the C.W.L. members.

On Friday evening, Dec. 3, the regular monthly meeting of the Stanley sub-division C.W.L. was held. The meeting opened with League prayer. Roll call was answered by ten members. After the reading of the minutes and correspondence the business was dealt with. Plans for the supper and bazaar to be held Wednesday, Dec. 22 were discussed. Mrs. Fred Graham and Mrs. Fred Hickey were appointed to the sick committee. The mystery box donated by Mrs. Fred Campbell was won by Mrs. Minnie Beers. Meeting closed with prayer.

### Leaving for South

Mr. and Mrs. C. C. Camp expect to leave next week on an extended trip to Atlantic City. Mr. Camp will be absent about a month and Mrs. Camp expects to spend the winter with her mother Mrs. Gunter and other members of her family.

### Picardy Chapter I.O.D.E.

The monthly meeting of Picardy chapter I.O.D.E. met at the home of Mrs. Warren J. Maxwell with the Regent Mrs. T. C. Barker in the chair. The meeting opened with the prayer of the order, followed by the salutation of the flag. The minutes of last meeting were read and approved. The Treasurer's report showed a good balance on hand. It was decided to place flag placards in every room of every school in which the chapter is interested, also to place a calendar in each school.

Money was voted to River Glade Sanatorium towards their Christmas treat, and to help cover expenses of delegate to recent peace conference, and towards expenses of the entertainment held at the Normal School for the students. A sum of money was voted to help supply Christmas boxes for three families in Anderson Road school and for two families in the city, 24 children in all. A committee of four members were appointed to look after the boxes.

The meeting was brought to a close by singing the National Anthem after which refreshments were served by the hostesses, Mrs. E. C. Atkinson, Mrs. W. J. Maxwell, Mrs. Robert Riley, Mrs. J. G. B. Pugh and Miss Cecil Gallagher.

### Cecilian Singers in Outstanding

Recital Normal School  
A good sized audience greeted the Cecilia Singers at the Normal School auditorium last evening and those who were fortunate enough to be present listened to one of the most delightful recitals of the season.

The opening number of the program "Now Let Every Tongue Adore Thee" by Bach was delightfully rendered and the harmony was particularly good. This was followed by a selection from "The Holy City" by Gaul. The soft parts were particularly good. Those who took part in this number were Mrs. Lillian Fleet, Kenneth Holder and the Choir. The next number "Deck the Hall" a Welsh Carol tune brought out some light and very realistic thought. The piano technique was particularly good and in this number the Cecilia Singers excelled themselves.

Several selections from Hayden, Chopin and Scott were rendered by Raymond Mott, pianist. These selections were well received by the audience and were particularly good. Following this part of the program the Cecilia Singers rendered three well selected numbers and were obliged to respond to an encore.

Miss Doris Bayley gave a reading bringing in a one act play the title being "The Old Lady Shows Her Medals." This part of the program was loudly applauded and called for an encore to which Miss Bayley did not respond. Miss Bayley exhibited considerable talent as a reader.

After a five minute interval Mrs. Fleet and Miss Sadie Blair gave a humorous duet, "Little Jack Horner" which was well received.

The program concluded with three numbers by the Cecilia Singers, "Star of Me" by Rogers, "The Lost Chord" by Sullivan, and "Love Has Eyes" by Bishop. These were particularly well rendered which gave evidence of the fact that Fredericton has excellent musical talent within its borders. The renditions of the selections showed the result of careful training and the whole program was commendable and was very favorably commented upon by those who were fortunate enough to be present. It is to be hoped that music lovers in Fredericton will have many more chances to hear the Cecilia Singers.

The recital last evening was under the direction of Fredericton's talented musician R. C. Bayley. Raymond Mott was pianist. Miss Eileen Tennant accompanied. Others in the program included Miss Doris Bayley, reader; Lillian Fleet, Soprano; Sadie Blair, Mezzo Soprano; Kenneth Holder, Baritone. These were in addition to the regular members of the choir.

Mr. Bayley, the members of the choir, and the other members of the cast are to be heartily congratulated on the success of their recital.

Mystery!  
Oh, I can't believe  
This exciting I  
Is the peaceful creature

I can't believe  
These thrilling days,

Glamorous haze  
Could ever be caused

## Dark Spots Now Becoming Cozy Corners In Many Homes

The light-panel built into the ceiling makes possible an interesting decorative effect, which is extended along practical lines by the attractive lamp on the desk.

By Jean Prentice

THE dark spots of yesterday are becoming the cozy corners of today, thanks to modern architecture and lighting.

Many a home has an alcove or window seat that has long been the despair of the family, at least insofar as decoration is concerned. Generally, these areas are sufficiently pleasant looking by day, but at night they often fade into a background of shadow that robs them of their natural beauty and charm. Moreover, frequently they are useless for reading, sewing or studying, because no original provision was made for lighting them.

The modern trend in architecture, which carefully conserves space, and permits none to be wasted, lights these alcoves and window seats from above. In many cases, particularly in the newer houses, a panel of glass with a light above it is built into the ceiling, directly overhead. This panel may contain either clear or colored light, or a combination of both. The decorative effect is completed by placing statuettes or other ornaments on wall pedestals at either side of a picture.

Sometimes a desk is placed alongside the alcove or window seat, and the overhead lighting panel is called upon to provide illumination for it. This practice is frowned upon by lighting specialists, who point out that lighted ceiling panels rarely provide sufficient light for

such purposes. Every desk, they claim, should have its own lamp, preferably one of the Better Sight type, approved by the Illuminating Engineering Society, in order that whoever is seated at it may have ample local light by which to see clearly and without eyestrain.

It should be understood, too, that regardless of what the room may offer in the way of built-in or installed lighting panels, every chair used for reading or other eye work should have its own lamp, else the purpose of the scheme, which is control and flexibility, will be defeated. Ornamental fixtures are designed largely for decoration, and should never be permitted to displace the table or floor lamps needed for lighting convenience and ease of seeing.
