## FINAL AUTUMN

Oh, no, never the search again!  
Be certain now. Lean not toward the inscrutable face,  
Nor the dark eyes.  
These very skies hold quiet like a place;  
The maple has burnt down  
Into a single line made manifold  
And cold is not yet come.  
The world is yours, at last, heart;  
Take it now and be done  
With the quick-heating hurt. A cooling sun  
Need not be covered over with a cloud.  
Oh, lift your humbled brow and turn it proud  
Toward brightest heaven  
Till this darkens more  
And snow shuts down the silence  
Like a door. —Eda Lou Walton.

Gym Classes—This class is for the purpose of introducing 10 or 11 year old boys to the gym program. The enrollment was 40, and the attendance average 23.

Juniors—A class for older public schools boys, the enrollment was 47. High School Boys—This class started slowly with a registration of 9, but it grew gradually in the spring.

The "Y" York County Junior Baseball League—The "Y" directed this league which embraced two teams from Fredericton, the Pets and Legionnaires, a team from Devon and a team from Marysville. This league has given a great impetus to Junior baseball in this city. The calibre of the league may be judged by the fact that the Marysville Maroons won the league in a closely contested playoff, and then went on to win both the New Brunswick and the Maritime titles.

Recreational School—This school had its second successful term during the past year. Its object is to assist leaders who have responsibility for the social recreation of the Young People's Clubs in the churches of the city and Devon. The enrollment was 58 this year and attendance for the four week period averaged over 80 per cent.

Camp—Through an arrangement with the Saint John Y.M.C.A. Camp, we were enabled to send twelve Fredericton boys to camp. We are hoping that some arrangement can be made to extend this feature next summer.
