

## DOW SETTLEMENT

DOW SETTLEMENT, May 3—Worship Service was held Sunday morning in the United Baptist Church immediately following Sabbath School. A fairly good congregation attended both.

Young People's Union was held on Tuesday evening as usual with Ronald T. Sabine in the chair. The pastor led an interesting also helpful Bible discussion. Preceding this discussion the following officers were elected for the ensuing term: President, Mildred Johnson; first vice-president, Mona McLellan; second vice-president, Elsie Doughty; secretary, Donald McLellan; treasurer, Robert Patterson; ushers, Janita Grant and Harry Taylor. It was decided the organist and assistant remain as before. Mildred Johnson, organist, and Rev. G. Mantor Wilson assistant.

A number from this vicinity attended the charity and variety show held at Canterbury Station Thursday evening in the Orange Hall in honor of Mr. and Mrs. Waldo Cummings who were recently married.

A very large number gathered at the home of Mr. and Mrs. George Frederick Monday and held a variety show in honor of Miss Ella Graham and Charles Duffield preceding their wedding. Many useful gifts were received. Following the opening of the presents, a delicious lunch was served.

A very enjoyable evening was spent by all who attended the debate on Thursday evening at the home of Mr. and Mrs. Fred Johnson. The topic chosen for the debate being "Resolved, a child should stay in school until sixteen." Those taking part were Mildred Johnson and Anne Patterson on the affirmative; Katherine Frederick and Elsie Doughty on the negative. The affirmative side won. Following the debate an "ant" and "kitchen" contest was conducted by Ronald Sabine, after which games were played and enjoyed by all.

Miss Ella Graham and Charles Duffield were united in marriage Thursday afternoon at the home of Mr. and Mrs. Edna Patterson by Rev. G. Mantor Wilson in the presence of immediate relatives. Following the ceremony a delicious supper was then served. The happy couple then left by train on their honeymoon to Norton, N. B. Very best wishes are extended to the newlyweds.

## Picardy Chapter I.O.D.E. Meeting

The regular monthly meeting of Picardy Chapter was held at the home of Mrs. A. G. Turney, George street, with the Regent Mrs. T. C. Barker in the chair and twenty-four members present. Minutes of the last meeting were read and approved. Arrangements were made to attend the service on Sunday next in St. Andrew's church and also on Coronation Day at Christchurch Cathedral. Plans were made for Empire day and members were appointed to visit the seven schools that the Chapter is interested in. A letter was read from the V.O.N. Board and twenty-five dollars was voted for this work. The Chapter agreed to co-operate with the other chapters of the city in presenting prizes to schools competing in the Coronation Day parade. Excerpts from the unconfirmed minutes of the provincial annual meeting were read and discussed. A most interesting description of the Coronation ceremonies was given by the Educational secretary Mrs. F. E. MacDiarmid after which the members rose as an expression of love and loyalty to Their Majesties at this time of their coronation, the meeting then being brought to a close by the National Anthem. A most delightful social hour followed, the hostess being assisted by Mrs. Mavor, Mrs. Ramsay, Mrs. Kennedy, Mrs. Chapman and Mrs. MacDiarmid.

THREE BROTHERS  
FROM PERTH  
BREAK JAIL

(Special to The Daily Mail)  
HAMPTON, May 4—Early yesterday morning three brothers, Cecil, Jonas and Robert Wright escaped from the jail here but were recaptured yesterday afternoon. They made a hole in the roof and crawled out of the cell.

There they tied a rope of four blankets to a chimney, lowering themselves over the edge of the roof—approximately 50 feet from the ground—they swung to a tree standing beside the jail and then scrambled to the ground.

Great pains had been taken by the three to keep their escape a secret. None of the other eight prisoners in the jail had been taken into their confidence. In fact, the Wrights were the only prisoners who were forced to remain in a locked cell.

The jail building is three storeys high and the point from which they lowered themselves to a tree against the structure was 50 feet from the ground. Their cell was on the east side of the building.

## Gov. Carleton Chapter I.O.D.E. Meets

Governor Carleton Chapter, I.O.D.E. met last evening at the home of Mrs. R. B. Phillips, George street, and was well attended. A most gratifying report of the recent bridge was given, \$62.20 having been realized. \$15.00 was voted to the work of the V.O.N. in the city, and letters were read from absent members. Definite arrangements were made for our part in the school programme on Empire Day, and the remainder of the evening was devoted to I.O.D.E. in connection with Coronation celebrations. Governor Carleton has accepted an invitation to join the other Chapter in Divine Worship at St. Andrew's Church Sunday morning, May 9. Dr. G. E. Ross will be the speaker, and their officers are joining the officers of other chapters in service at the Cathedral on Wednesday morning, May 12. The Archbishop will deliver the address. The hearty singing of "God Save the King" closed the meeting. Mrs. Phillips served most delicious refreshments.

ROUTINE MATTERS  
BEFORE MEETING  
OF CITY COUNCIL

V.O.N. Ask Aid From  
Council -- Other  
Items

Monthly bills and correspondence comprised the main items of routine business under discussion at the meeting of the committee of the whole council last evening. A letter was read from the president of the local branch, Victorian Order of Nurses, asking for assistance to carry on the work of the organization. It was pointed out that during the past year 4,267 visits were made by the nurses a substantial percentage of these being free visits. During the winter the prevalence of the flu in this district necessitated the employment of the services of additional nurses.

Although no definite action was taken, the aldermen generally favored the request. Ald. Ross suggested that the council take care of the living by increasing the grant and allowing the request of the York-Sunbury Historical Society to "go for a while."

## License Fees

New license fees for non-residents wishing to do business in the city were approved by the council tonight and will be ratified by a formal resolution in the form of a by-law tomorrow evening. The by-law raises the business license to non-residents from \$100 to \$400 and provides that a tax of \$25 be imposed on non-resident unskilled labor and a tax of \$50 on skilled labor. Other license fees were increased correspondingly or remained at their same level.

A report of fire hazards in the city was made by City Engineer McKay, who covered the territory with Fire Chief Karl A. Walker several days ago. They recommended repairs to several buildings and the demolition of others. The council handed the matter to the legislative committee to bring the fire regulations covering the City of Fredericton up to date. It was recommended also by the fire committee that the city purchase a truck to replace the horse drawn ladder carrier of the fire department.

A letter received from the subdivision board of health was subject of comment by the aldermen. A bill for \$25 for the removal of nuisance was submitted it. The nuisances it was explained, concerned carcasses of cats, dogs, and other refuse.

The question was raised by Ald. Ross if the city had control over the Board of Health. He asked if the board was just another organization over which the city had no control but had to pay the bills. The act relating to the board of health was read by the city clerk.

## To Appoint Trustees

Questioned by Ald. Forbes regarding the proposed site of the new building, Dr. Wightman explained that the donor would select the site. He further added that negotiations were already underway regarding the selection of the property. Dr. Wightman also explained that the donor will provide for the construction of the building, handing the money over to the society through its trustees. He pointed out that the trustees will be representative of the different religious denominations and will be first appointed by the donor.

There was brief discussion regarding the material to be used in the construction. It was pointed out that it would be possible to obtain the required amount of stone in this district.

Mrs. Mathewson and Mrs. Maxwell both spoke briefly in support of the remarks of the previous speakers. Mrs. Mathewson brought out the fact that the new building would provide a supervised recreational and reading room for young men of the city. This, she said, would provide a place for young men to spend evenings and keep them off the streets.

During the discussion following the remarks of the delegates, it was brought out that the council could not guarantee an annual grant. As was explained by the mayor, the pre-

## CANADIANS AND THEIR INDUSTRIES... AND THEIR BANK

## CANADA'S TRADE WITH THE WORLD

In the last calendar year Canada had a foreign trade amounting to \$1,665,093,000, an increase of 19.7%, as compared with an average of 8.1% for 24 leading countries. In this exchange the Dominion had a favourable balance (including exportation of gold as a commodity) of \$393,000,000. Another feature of international trade was the tourist business, incoming and outgoing, totalling \$355,568,000, the balance in Canada's favour being \$155,958,000.

With the figures for tourist trade added to those for ordinary commerce, our international trade rose to \$2,018,661,000, with a total balance in Canada's favour of more than half a billion dollars.

Banking plays a vital part in the upbuilding of the foreign trade of Canada, and foreign trade is the backbone of the native industries which are the foundation of Canada's economic structure.

In providing financial service for this enormous trade a leading part is played by the Bank of Montreal, which, with its 500 branches throughout Canada, its own offices in financial centres abroad, and its own banking correspondents throughout the world, carries through promptly and smoothly the task of financing the movements of an infinite variety of commodities.

The Bank's services include: Loans to importers and exporters; purchases of bills of exchange representing exports; providing commercial credits for purchases abroad; purchase and sale of exchange "futures" for protection against price fluctuation in foreign currencies; special wire facilities with the important exchange markets to speed transactions; reports of character and standing of foreign firms; commercial accounts; foreign currency accounts; safekeeping of securities.
