## OLD SCHOOL BOY ON OUR "EDUCASHUN"

A well known citizen writes several interesting articles on our Education problems and how things were handled in the days when he was a school boy. Is there any improvement?

Editor Daily Mail,  
City.

Dear Sir:

In further consideration of this here Education Business, I don't know if this here idea of given out new School Books is a good one or not, always seemed to me something you got free, you didn't just care quite so much for it as what you had to pay for, and you never took the same care of it, as if you had to pay for it. Now when I went to school, Daddy would say, the Educated Boys now calls him the old man, remember now Lad, that book cost nineteen cents, and be very careful of it, and if you wasn't careful of it, you knew what the consequences would be. There wuz no Hands off Policy in them times, it wuz the layin on of Hands, and the old folks had it down to perfection. Now I've heard but I aint sayin its true, remember that they hand out Second Hand free Books, now that aint right, if its true, maybe it aint, but I've heard that theres Germs in Books, and if they is, the pepwils might come in contract with them, but I guess havin a Doctor in the Department he would see that the Germs were all sterilized, axsent on the first syllabil, thats the way we used to learn. then there is a large staff in that Department, they could use to kill them with if one or two might try to get away, or hide in between the leaves, so we will leave the free Books at that. Now I been a thinkin this last winter that if the Governmen, would hand out free Boots to sum of the little boys I see going to school, with their stockings stickin out at the toes it would be a grand thing to do. When a boy has cold

feet he cant warm up to his studys. The foot of the class is about as far up as he gets. Instead of crowdin so much on to the Boys Heads, Just reverse the gear and put a little somethin on his feet. I would make this suggestion to our Honorable Friends hopin they will pass the Bill for free Boots to deservin Boys.

OLD SCHOOL BOY.

## CORONATION WEEK TO OPEN WITH "WHOA BILL"

Preparations are well under way for the celebration of Coronation Week in Fredericton. Wednesday, May 12, is the day set for the Coronation, and it is expected that this day will be a gala day here.

There are two other days during Coronation Week which promise to be feature days. Monday and Tuesday, May 10 and 11. On Monday night the big musical comedy, "Whoa Bill" will be presented in the Opera House. This performance will be staged under the auspices of the Knights of Pythias Band, and will be repeated Tuesday night, May 11.

Last November a cast selected from some of Fredericton's best amateur talent presented "Go Hollywood," which is still being talked about. "Whoa Bill" contains many of the players in "Go Hollywood," which speaks volumes for the brand of play offered. If you laughed at "Go Hollywood" you will scream at "Whoa Bill." Monday and Tuesday, May 10 and 11. Tickets are now on sale by members of the Knights of Pythias Band.

## Now Science Explains Why So Many People Past 40

Feel That They're Slipping Losing Their "Grip" on Things

Many people 'round 40 think they're 'growing old.' They feel tired a lot. 'Weak.' Have headaches, dizziness, stomach upsets.

Well, scientists say the cause of all this, in a great many cases, is simply an acid condition of the stomach. Nothing more.

All you have to do is to neutralize the excess stomach acidity. When you have one of these acid stomach upsets, take Phillips' Milk of Magnesia after meals and before going to bed. That's all!

Try this. Soon you'll feel like another person! Take either the familiar liquid "PHILLIPS'" or the convenient new Phillips' Milk of Magnesia Tablets. Made in Canada.

ALSO IN TABLET FORM: Phillips' Milk of Magnesia Tablets are now on sale at all drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of Genuine Phillips' Milk of Magnesia.

## L'ENVOI

When earth's last kettle is spotless  
And the dish-cloth's all twisted and dried;  
When the oldest grease spot has faded  
And the youngest dust germ has died,  
We shall rest, and faith we shall need it;  
Lie down for an aeon or two,  
With never a shrill alarm clock  
To set us to work anew.

And those who were neat shall be happy;

They shall sit on a cushioned chair,  
Each weary and separate Martha  
So cumbered about with care,  
They shall have real leisure to draw from,

With never a store-man's call  
And feet shall be done with aching,  
And never be tired at all.

With never a caller to gossip  
And never a neighbor to blame.  
And no one need scrimp on pennies  
Or care for her housewife's fame.  
But each for ever and ever  
In a separate star alone  
Shall do the things that she longed to,

In time that is all her own.  
—Martha Haskell Clark.

The stork paid a call on Mr. and Mrs. Aubrey Anders on Saturday night and left them an eight-pound baby boy.

Mr. E. Pembroke Cliff of East Saint John spent the week-end with Mrs. Hedley Kilburn. On Sunday Mr. Cliff and Mrs. Kilburn visited friends and relatives at McNally's Ferry.

Mr. and Mrs. Frank Kilburn and children Thelma and Donald visited friends at Springhill on Sunday afternoon.

SAINT JOHN, N. B.

April 5, 1937.

TO THE PROTESTANT PEOPLE OF NEW BRUNSWICK:  
Ladies, Gentlemen and Children:

Your Home's present fiscal year ends on April 30, 1937. Your Home must have every bill to hand, paid as of that date. Your Home now has many bills to hand that can not be paid for lack of money.

Your Home has not had to increase its overdraft at the Bank since April 1935; when the Protestant people then failed to respond to the need. It is sincerely hoped that the Protestant People will not fail the Little Ones, in the Home at this time.

During all of this fiscal year, the low, perhaps too low, cost of operation has been maintained.

Also, at even a greater rate than Your Home's previous good record; have otherwise unwanted Children, mostly Babies, been becoming loved and loving sons and daughters. Your Home has continuously helped and is today helping, Children from every County of the Province.

Please do not fail at this time, those of God's Little Ones that are in Your Home's care. If YOU do, an increase of the amount owing the Bank must take place before the end of this month. Please do not let us repeat April 1935.

The Treasurer, Room 12, 50 Princess Street, or P. O. Box 796, Saint John, N. B.; awaits the pleasure of sending you a receipt of thanks.

Believe us to remain, on behalf of the Children in Your Home's care;

Yours very truly,  
JAMES W. BRITTAIN, President.  
H. USHER MILLER, Secretary.
