Cardinals Take Lead in National League Race

Score 3-1 Win Over the Pirates

NEW YORK, April 27—Rookie "Lefty" Bob Weiland held Pittsburgh Pirates to six hits today as St. Louis Cardinals won 3-1 at home. Victory lifted the Cardinals into first place in the National Baseball League. It was the first defeat of the season for the rampaging Pirates.

John Dickshot, Pirate left fielder, accounted for Pittsburgh's run with a homer in the first inning.

After Pittsburgh took the lead in the first inning the Cards tied the score in the second on singles by Joe Medwick and "Pepper" Martin and an error by Bill Brubaker.

The "Gas House Gang" added another in the fourth, Leo Durocher's fly to Paul Waner scoring Stan Bordagaray who had singled to start the inning and advanced to third on Medwick's double.

The Cardinals' final run came in the fifth. Weiland singled to start the inning but was forced at second by Terry Moore's attempted sacrifice bunt. The outfielder then stole second and scored on Stuart Martin's single.

FELLER'S WING OKAY NOW

CLEVELAND, Ohio, April 27—The pulled muscle in Bob Feller's pitching arm, twisted when he was throwing to Bill Knickerbocker, St. Louis Browns lead-off man in the first inning of Sunday's game, was not a serious injury, doctors reported today.

Feller himself said: "I'll be back on the job in a couple of days."

The injury occurred when Feller threw a curve to Knickerbocker at the very outset of the disastrous first inning, the inning in which the Browns got four runs that made the final score 4 to 3.

Feller continued to pitch until the sixth, striking out 11 men. When he came off the field after working the sixth, he told manager Steve O'Neill about the arm, and was promptly yanked.

JACK DOYLE GIVES BRUTAL LICKING TO THE KINGFISH

LONDON, April 27—Jack Doyle, the Irish tenor, struck another blow for British boxing prestige tonight when he gave "Kingfish" Levinsky of Chicago a brutal 12-round beating at Wembley Stadium before a crowd of 11,400 which included King Farouk of Egypt.

From the third round on the "Kingfish" was weaving around the ring with blood streaming from cuts on his face.

Levinsky, who always has boasted he can "take it," never went down. Even when it was obvious he was in for a beating, the former Chicago fish peddler continued to fight back and to do his best to land a damaging punch.

Doyle, who took Levinsky's weak efforts with a cynical smile on his face throughout the bout, attributed his failure to secure a knockout to the fact he broke a knuckle in his right hand in the second round.

Speaking carefully between puffed lips, the "Kingfish" said he was glad he had given a Doyle a good fight. "He's a lot better man than they think back home," Levinsky said. "He hits hard."

Doyle scaled 216 pounds, 14 more than Levinsky.

Baer stole considerable of Doyle's thunder by parading across the ring just as the Irishman made his grand entrance and shaking hands with his conqueror, Farr, the British Empire heavyweight champion.

Jock McAvoy scored a 14-round knockout over Eddie Phillips to lift the latter's British light heavyweight crown in the semi-final bout.

TIGER FIELDER LEADS RACE FOR BATTING HONORS

Gerald Walker, fleet outfielder of Detroit Tigers, has taken an early lead in the race for the American League batting championship. With the first week of the season gone by, Walker tops both circuits with a .714 average. Paul Waner, of the National League's Pirates, and Rick Ferrell, of the Boston Red Sox, are tied for second at .600.

FINE STRING OF HORSES TRAINING AT ISLAND PARK

Rated by turf experts as one of the finest string of horses ever to be brought to the province, a collection of high-class trotters and pacers are now being trained at Island Park, Woodstock, in preparation for the season's harness campaign. Five horses are owned by Vic Halliday, Houlton, Maine, while Edward Grant and Frank Adams, also of Houlton, are the owners of three horses. Frank Avery is representing the owners of the remaining horses at the park. It is expected that Bill Cummings, one of the best known trackmen in the Maritimes, will arrive at the Park in June with a string of five horses. Horses are also expected from Bathurst and Hartland.

Among the horses now training are the following: Tracy Hanover, 2:03; Miss America, 2:05½; Dolly Azoff, 2:07; Calmut Covern, 2:08½ (trotter); Peter Pan, 2:17 (trotter); Fair Weather, 2:13 (trotter); Lady Dillinger, (green, 3 year old); Bud Wenger, 2:05½; Noontime, 2:09½; Terra Hanover, 2:17; Frank Hanover, 2:14½; Miss Jo, 2:13½; Keystone, Peter Drillon, Inna Drillon, Easter Dawn (green trotter); Early Dreams (green trotter); Star G., 2:15; High Tobey, 2:17; Baronet, 2:21.

Mary Hirsch Trains "No Sir" For Derby

LOUISVILLE, April 27—There will be something more at stake than the major portion of a \$50,000 purse when No Sir, owned and trained by Mary Hirsch, starts in the Kentucky Derby May 8—victory would make his owner the first woman ever to train a Derby winner.

Women have had their names in Derby history as owners, but Mary, more at home in breeks and leather boots, is shooting for a record. Mrs. R. M. Hoots won the Derby in 1924 and was followed by Mrs. J. D. Hertz in 1928, Mrs. Payne Whitney in 1931, and Mrs. Dodge Sloan in 1934.

Mary broke into the training game two years ago when the New York Jockey Club granted her a license, the first in turf history to be granted a woman. Max Hirsch, noted trainer, objected for a long while but finally gave his daughter permission to train.

It was only a few years ago she started working with horses. Before that she attended a boarding school, but never was really contented. Despite objections by Hirsch, Mary "sort of snuck up on 'em" and remained.

Mary is all for No Sir, a bay colt by Sortie from Ebb, but she isn't overlooking the other entries. The horse to beat, she believes, is Col. E. R. Bradley's Brooklyn.

Social life is out for the comely trainer. "Teas!" she snorted in answer to a question. "Teas! Humph!"

Earl Sande, the freckle-specked kid who tasted victory in the Derby three time as a jockey, is back. Sande is back as a trainer, quite confident Maxwell Howard's Sceneshifter, can collect first money.

MONCTON TEAM TO PLAY WITH BORDERTOWN

MONCTON, April 27—Officials of the Cubs, pre-season favorites in the city baseball league, announced last night they expected to play an exhibition series this summer with the Amherst St. Pats, former crack junior team, this year entering senior company, and the Springhill Fence-busters, powerful Nova Scotia club.

The Cubs also will accept the invitation of the Newcastle Mohawks to play an exhibition game in the North Shore town Coronation Day, if satisfactory arrangements can be made with the Newcastle management.

The tri-club loop was suggested to the Cubs Saturday by the Amherst team. Their suggestion was for a regular league comprising the three teams, but Cub officials were skeptical of such an organization. They reasoned if the Cubs joined the proposed setup, it would upset the Moncton City loop, already formed. For financial reasons, too, they frowned on the suggestion.

Favor Exhibition Games

But Manager Jack Hunter and Ted McQuinn indicated their willingness to play exhibition games with the two Nova Scotia outfits. They said last night the deal would probably go through and they hoped a cup could be obtained to stimulate interest in the series.

The series will be settled at the semi-annual meeting of the Maritime Provinces Branch of the Amateur Athletic Union of Canada, scheduled for May 6 at Amherst. Secretary of the body, C. D. Shipley, Amherst, will preside at the meeting. Cub delegates will be Jack Hunter, Ted McQuinn, Tom VanBuskirk and Coach Jim MacAleese.

The Cubs had a workout on Sneedway grounds last night, the first for any club in the city. They reported

Sixteen Teams Enter In Annual Alley Classic

Fredericton Bowlers to Take Part

SAINT JOHN, April 28—The Maritimes-Eastern Maine bowling tournament will open next Monday night, May 3, instead of Tuesday morning, May 4, as previously announced.

The switch in dates was made necessary, according to Arthur Porter, proprietor of the Imperial Alleys where the games will be rolled and who has charge of the tourney, due to the fact that there are now 16 teams entered for the big classic.

This makes the outstanding bowling meet in the East the biggest in the history of the Maritimes-Eastern Maine annual.

The latest entry came in just before the deadline yesterday from Glace Bay and will represent the Albion Bowling Club of that Nova Scotia centre.

Mr. Porter announced last night that the Ellsworth, Me., Alleys will not be represented this year. He received word to that effect yesterday just after receiving the entry of the second Glace Bay team in the tournament.

How to Ease a Cold Quickly

Get Quick-Acting, Quick-Dissolving "Aspirin." Take 2 Tablets

The modern way to ease a cold is this: Two "Aspirin" tablets the moment you feel a cold coming on. Then repeat, if necessary, according to instructions in the box.

At the same time, if you have a sore throat, crush and dissolve three "Aspirin" tablets in one-third glass of water. And gargle with this mixture twice. The "Aspirin" you take internally will act to combat fever, cold pains and the cold itself. The gargle will provide almost instant relief from rawness and pain, acting like a local anesthetic on the irritated membrane of your throat.

Try this way. Your doctor, we know, will endorse it. For it

is quick, effective and ends the taking of strong medicines for a cold.
