In the absence of Mrs. MacQuarrie the devotions were led by Mrs. J. S. Gregg, with prayers by several of the members. Roll call of officers was followed by reading the minutes of October meeting.

This being due day, our treasurer, Mrs. John Ferguson was glad to receive the dues of those present. Two new members joined the Union, the initiating ceremony was conducted by Mrs. Waters. The reports of committees were received. The usual Sunday afternoon service at the county jail was conducted by Mr. Titus of Devon, some special music was enjoyed by all.

We were very glad to have with us our provincial president Mrs. W. S. Smith, who gave a very interesting and helpful talk on plans of work for the coming year.

SNOOTY SHOE

(Continued from Page One)
The exception was in a Toronto store. There she was shown a pair of shoes which were longer than her usual size. To her surprise they fitted comfortably, though they gaped at the sides. The salesman assured her that was all right. She got home and found that cork insoles had been placed in the shoes to make them fit. "You may think that's funny. I don't," she told the retailers, who were laughing incredulously. On the whole, she thought Ontario salesmanship needed jogging up.

Plan to help the boys on Apple Scout Day, November 12th and 13th.

MIDNIGHT DREAM

'Twas midnight on the ocean,
Not a street car was in sight;
The sun was shining brightly,
For it rained all day that night.

'Twas evening and the rising sun
Was setting in the West;
And in the trees the little fishes
Were huddled in their nests.

While the organ peeled potatoes,
Lard was rendered by the choir;
While the sexton rang the dish-cloth,
Someone set the church on fire.

Holy Smoke, the Preacher shouted,
In the rush he lost his hair;
Now his head resembles heaven.
For there is no parting there.
