The Vacationists' Litany

I want a bottle of lotion.
The kind for insect bites.
And oil that keeps mosquitoes
From dining on you nights;
And a little vial of serum
For snakes—you know the stuff,
And ointment for the swellings
When hornets get in a huff.

Court-plaster too, for the scratches
The thorns and briars make,
And a box of quinine tablets
For malaria when you shake.
And pills for indigestion
After a greasy ration.
I'm going up in the country
To take a week's vacation.
—Minna Irving.

The Soul of a Garden

She showed me round her garden—
it awed my gardening soul.
For method was her motto, and or-
der was her goal.
She talked in terms expertly, al-
though she never guessed
That Latin names oppressed me and
left my brain depressed.
Back to my cottage garden, where
order is unknown,
And method is a stranger, where pup
hides many a bone,
I shall have forget-me-nots and or-
ange mignonette,
Lily-of-the-valley and Canterbury
bells,
Sweet peas and roses, with petals
sheened like shells.
I love my little garden, where order
is unknown,
Where method is a stranger and only
love is known.

Now Science Explains Why So Many People Past 40

Feel That They're Slipping
Losing Their "Grip" on Things

Many people "round 40" think they're "growing old." They feel tired a lot... "weak." Have headaches, dizziness, stomach upsets.

Well, scientists say the cause of all this, in a great many cases, is simply an acid condition of the stomach. Nothing more.

All you have to do is to neutralize the excess stomach acidity.

When you have one of these acid stomach upsets, take Phillips' Milk of Magnesia after meals and before going to bed. That's all!

Try this. Soon you'll feel like another person! Take either the familiar liquid "PHILLIPS'" or the convenient new Phillips' Milk of Magnesia Tablets. Made in Canada.

NO REGULAR TROOPS LANDED AT TRINIDAD

(Special to The Daily Mail)
LONDON, June 28—The Trinidad riots were discussed in the House of Commons today. The Secretary of State and Colonies said that although the situation was reported quiet today that no people had returned to their work. A special executive was to be appointed to investigate the matter. Both strikers and owners of the plants were advised to appear before the committee with their troubles. The report that the executive of the H. M. S. had landed regular troops was groundless. No regular troops have been landed, but the strike was reported to be spreading to other islands.

FOR THE MODERN HOME-MAKER

MODERN women are intelligent and thrifty. They have neither time nor money to waste. The new, easy-opening ACADIA Baking Powder tin saves time. One twist and the top lifts off.

SAME LOW PRICE 25c THE POUND TIN

THE double-acting principle of Barbour's ACADIA Baking Powder also saves money. The first action takes place in the mixing bowl when the liquid is added. The second in the oven when heat is applied. The perfect balance between these two actions assures successful baking results. The up-to-date woman is quick to appreciate both these savings.
