## A SMILE OR TWO

K—A SMILE OR page FIVE  
There is much of joy and much of  
peace  
In a smile or two,  
And lots of our trouble seems to  
cease  
With a smile or two.  
There is plenty to cheer in this  
world today.  
So why should we frown the hours  
away?  
Though the frowns can come, they  
do not pay  
Like a smile or two.

There is much of brightness and  
much of grace  
In a smile or two,  
And the world seems much the bet-  
ter place  
For a smile or two.  
Let your neighbors frown if they  
feel that way,  
But yourself keep pleasant from day  
to day.  
Let your thoughts and all that you  
ever would say  
Earn a smile or two.  
—Gordon Steadman Smith.

## ATTENDED PALIAMENTARY CONFERENCE

A VIVID word picture of the colorful pageantry of the coronation of His Majesty King George VI; the pomp and grandeur of state functions; the impressive dignity of Canada's war memorial at Vimy Ridge; was given here last evening by Hon. A. A. Dysart, K.C., premier of New Brunswick. Speaking to a group of newspapermen in his office, the Premier, who is en route home to Buctouche following his return from Great Britain, described the trip as one of the "most memorable" events of his life. Mrs. Dysart and family, who accompanied the chief executive of the province to the United Kingdom, remained overnight in the city and continued to Buctouche today.

A man of common sympathies and a keen observer of life, Premier Dysart gave interesting impressions of personalities he had met and the general trend of events which came before his view during the visit to the Mother Country. The views expressed by famous London statesmen, the calm philosophy of London "bobbies" and the attitude of confidence generally displayed by the "man-on-the-street" were described by the Premier, who stated that the evidences of loyalty and love to the Empire displayed on all sides during the time of the coronation was "magnificent."

also these houses are being built so  
close together that the public health  
is being endangered.

A purpose of the commission is to  
recommend the checking of this im-  
mediately. Alderman Crewdson said,  
and to confine such building in the  
city proper to sections in close prox-  
imity to the sewerage system. Also  
under the zoning plans certain sec-  
tions will be reserved for industry,  
better-class dwellings and different  
types of businesses and their respec-  
tive districts.

After this the commission desires  
to plan streets, sewerage and other  
aspects in civic expansion and de-  
velopment from the city proper to its  
limits. This will no doubt take sev-  
eral years to complete, it was point-  
ed out, but the commission members  
are optimistic and feel they should  
be carried out to guard against fu-  
ture troubles of an expanding com-  
munity.

## Now Science Explains Why So Many People Past 40

Feel That They're Slipping  
Losing Their "Grip" on Things

Many people 'round 40 think they're  
'growing old.' They feel tired a lot.  
'Weak.' Have headaches, dizzi-  
ness, stomach upsets.

Well, scientists say the cause of all  
this, in a great many cases, is simply  
an acid condition of the stomach.  
Nothing more.

All you have to do is to neutralize  
the excess stomach acidity.

When you have one of these acid  
stomach upsets, take Phillips' Milk  
of Magnesia after meals and before  
going to bed. That's all!

Try this. Soon you'll feel like  
another person! Take either the  
familiar liquid "PHILLIPS' Milk of  
Magnesia Tablets." Made in Canada.

ALSO IN TABLET FORM:  
Phillips' Milk of Magnesia Tab-  
lets are now on sale at all drug  
stores everywhere. Each tiny tab-  
let is the equivalent of  
a teaspoonful of Gen-
