

DENIED REFUGE. DEVIL'S ISLAND FUGITIVES SAIL ON

Refused refuge at St. Thomas, Virgin Islands, which rises in the background, these four fugitives from Devil's Island, French penal colony in French Guiana, about 1,000 miles behind, are pictured as they warily started paddling their flimsy tin-patched craft out to the open sea bound presumably for Puerto Rico. The worn convicts, who landed at St. Thomas after a perilous 600-mile voyage from Trinidad, hope to reach Haiti. The four, Raymond Vande, Francois Freau and Paul Ronucci, Frenchmen, and Battistoti Giovanni, an Italian, were serving long terms, their crimes ranging from attacks on Fascists to knifings.

FUNERAL LATE DR. GAUDET LARGELY ATTENDED TODAY

Deceased, Well-Known, Came To Tragic Death

ST. JOSEPH'S, Nov. 23—A last tribute of respect was paid to the late Dr. Yvon E. Gaudet at Moncton, whose tragic death occurred on Friday last. The funeral took place in Memorial Hall and was attended by several hundred relatives and friends from points in the province and throughout Canada.

The funeral was held at 9 a.m. from the residence of his brother, Dr. Camille E. Gaudet, St. Joseph, to St. Thomas' Church, where solemn high mass of requiem was celebrated by Rev. Eugene Daoust, C.S.C., with Rev. Father LaPointe, C.S.C., as deacon, and Rev. Father Proulx, C.S.C., as sub-deacon. Interment was made in St. Thomas' cemetery. Prayers at the grave were read by Father LaPointe. Pallbearers were members of the New Brunswick Dental Society, Dr. Lea Allanach, Dr. Ernest Bourgeois, Dr. J. A. LeBlanc, Dr. S. K. Donald, Dr. V. F. Hutton, Moncton, and Dr. Emery Royceux, Shediac. There was a profusion of flowers and spiritual offerings, including wreaths from the New Brunswick Dental Society and the Moncton Dental Society. Among those from outside points attending the funeral were Mr. and Mrs. H. A. Cormier, Quebec City.

Dr. Yvon E. Gaudet, dentist, died in his office, 787 Main street yesterday from a bullet sent crashing through left breast by a .35 calibre Remington automatic rifle which he had apparently been cleaning in preparation for a hunting trip. His body was found in a wetter of blood on the floor of his

workroom at 3.30 p.m., by Mrs. Gaudet who had become alarmed when her husband had failed to return to his home for his midday meal. Examination by Dr. P. McL. Atkinson, the coroner, showed he had been dead from four to six hours.

Born in St. Joseph in 1892, he was the son of the late Dr. E. T. and Mrs. Gaudet. His two brothers, Dr. J. Alfred, physician and surgeon, 85 March street, Moncton, and Dr. C. E. Gaudet, physician, of St. Joseph, followed the medical profession while another brother, Aurele H. Gaudet, an artist, died in Fredericton two years ago.

Dr. Gaudet is survived by his wife formerly Marguerite Lefebvre of St. Joseph, whom he married 13 years ago, his two brothers, and one sister, also a dentist, Quebec City. His late mother was formerly Miss Julia Macdonald, of St. Leonard's, Madawaska county, a sister of Pius Macdonald, Federal member of Parliament for Madawaska county for more than 20 years.

Dr. Gaudet was well known and had many friends here and elsewhere. Although in poor health for some time, he continued to practice his profession.

He received his early school training in the public school at St. Joseph before entering St. Joseph's University. Later he attended Tufts, the dental branch of Harvard University in Boston, Mass. After graduating with his D.D.S. degree, he began the practice of his profession in Moncton.

While at both colleges he distinguished himself by his prowess in athletics. He starred with St. Joseph hockey and football teams for many years, and while attending Harvard played with Boston amateur hockey teams.

After going to Moncton where he has resided since his graduation, he became prominent in his profession. He was at one time president of the New Brunswick Dental Association

BOY SCOUT NEWS

Next month, at Newcastle, we are to hold a District Scout Leaders' Course, during which we shall be assisted by Rev. John W. Forth, Scoutmaster of the 1st Newcastle Community Troop. Good progress has been made towards preparation for this. Lately, Mr. Forth called a meeting at Chatham, for representatives from there, Newcastle and Loggieville. At least eighteen candidates have offered themselves to date.

Burt's Corner was visited last Thursday, when fair progress was made with the new organization. Staying at Burt's Corner at the time, was Rev. Harold McGibbon, formerly of Lower Prince William and now of Albert, where he has a splendid Troop and Cub Pack. Mr. McGibbon is one of the Assistant District Commissioners for the Moncton District, where his territory covers from Penobscis, roughly, to Hillsborough, including such organizations as Elgin, River Glade, Alma, Petticoat and Salisbury. He was formerly Cubmaster of the old Prince William Cub Pack.

Springhill are now ready to start a Pack of Cubs, and it is expected that other places near the City will be organized shortly.

Scoutmaster Sansom of Durham, where the new Scout Lodge is progressing rapidly, reports that financial difficulties are disappearing, thanks to the generous co-operation of local residents. These are assuming responsibility for necessary fit-

tings and are thereby earning the heartfelt gratitude both of the Troop concerned and of this District. Now that the time for Toysnap talk has come again, we look forward to another good effort, and look back with gratitude on the fine co-operation received last year. However plentiful contributions may be, the need is ever great; letters are beginning to arrive from the West; and, nearer home, our wants do not diminish. Time is getting short, also; effort must be intense and sustained; for us Scouts on behalf of those whom we look forward to helping. Once again there is a Scout Law to guide us: "A Scout is a Friend to all, and a Brother to every other Scout."

And the Quest of the Needy Brother must not stop short, at Scouts only.—Robt. Pugh, Provincial Field Worker.

"ASPIRIN" and Your Doctor

Each performs a vital function.

"Aspirin" in relieving headache, neuralgia and other muscular pain. Your doctor in locating the cause and correcting it. Intelligent people do not hesitate to call on both.

● This may sound like strange advice for the maker of a headache remedy to give. But, nevertheless, we give it.

If you are subject to frequent headaches, go to your doctor and tell him about it. He may find the cause of your headaches, correct it . . . and make your life far more pleasant.

On the other hand, if you have an occasional headache, step into the nearest drug store, the moment you feel it coming on, and get a box of quick-acting "ASPIRIN". Take one or two tablets with a glass of water, and see for yourself how quickly relief comes.

We refer to "Aspirin" tablets as "quick-acting", for one reason, because they disintegrate or dissolve in the stomach almost instantly you

take them. Hence are ready to start their work of relief very quickly.

Just drop an "Aspirin" tablet in a tumbler of water and you'll get the point at once. You'll see it disintegrating before it reaches the bottom of the glass! And that's the way one acts in your stomach when you take it.

● "Aspirin" tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited, of Windsor, Ontario. Look for the name Bayer in the form of a cross on every tablet.
