As Mr. Picobac turned in to ask for his mail, he found Herb, tobacco grower by instinct and hired man to the highest bidder, seated on the end of the post office steps. "Hello, Herb," cried Mr. Picobac genially. "What are you sittin' here for? You're not out of a job, I hope." "This is the first time I sat down for weeks," Herb spoke up. "A hired man ain't supposed to sit down." Mr. Picobac nodded cheerfully. "A good man like you just naturally don't get a chance to do much sittin', Herb," he said. "A tobacco man is always a busy man." "Only chance I ever get to sit is when I come to town," said Herb. "I'm waitin' for the bus, that's all." "Well, Herb, I don't mind telling you I enjoy sitting down once in a while myself," confessed Mr. Picobac mopping his brow. "It seems to rest your hands and face. Your bus ain't due for a while yet. Let's you and me load our pipes from my new seal-tight Picobac pouch and sit down to a mild . . . cool . . . sweet smoke."

needed repairs now!

ARRANGE TODAY FOR THAT NEW

Don't put in another winter with a faulty heating system, a jittery roof or uninsulated walls that let the heat out and the cold in. Make your home cosier and more livable — as so many others have done — without financial strain. Do it with the magic of the Home Improvement Plan and, at the same time, put men to work.

Select the improvement you need most — inside or outside painting, a modern kitchen, insulation, a new furnace, up-to-the-minute plumbing or the building of an attic playroom or basement game room for indoor days, and get an estimate of its cost. You will be surprised at how readily these and many other desirable improvements will fit into your budget.

LOANS EASILY ARRANGED

Any contractor, supply firm or architect can help you arrange a Home Improvement Plan loan if you need it to finance the work for you, or you can apply direct to your banker. No security or endorsement needed — you simply show that you can repay in monthly instalments and the loan is made, the work proceeds, your home is made brighter and more livable and men get needed jobs.

Full information on the Home Improvement Plan and what it covers may be obtained from your local committee, your Provincial Chairman, your bank or the National Employment Commission, Ottawa.
