

MARYSVILLE SQUAD CONQUERS DEVON CLUB IN EXHIBITION GAME

Victors Avenge Defeat On Tuesday by Taking Second Battle by 7-4

Jim Harris Performs on Mound Last Evening-- Large Crowds

Avenge their defeat suffered on Tuesday when they were conquered by the Devon squad 3-0, the Marysville diamond clan turned loose their heavy artillery last evening to defeat Devon 7-4. Led by the clever mound work of Gale Currie, the visitors held the edge on play throughout the seven innings and put the game on ice by an effective slugging attack in the latter half of the battle.

Both game were attended by large numbers of bleacherites who were given more than their money's worth in high class diamond entertainment. The battles revealed the strength of the two teams, showing that both aggregations are well matched and will be strong contenders in the race for the York-Sunbury League supremacy. Eddie Dinsmore, colorful mound ace of the Devon brigade, carried the pitching burden in the opening battle on Tuesday. He hurled a fine game, allowing only three hits through seven thrill-packed innings. Errors greatly weakened the scoring chances of the Marysville who seemed unable to inject sufficient power into their play to crash the scoring column.

Last evening's show produced a better brand of the summer pastime. The teams showed mid-season form and performed like seasoned troops even though it was only the second skirmish of the campaign.

'DIZ' DEAN HURLS CARDINALS TO 8-1 WIN OVER GIANTS

NEW YORK, June 9—"Dizzy" Dean stood out there before a hostile throng of 55,577 fans today and turned in one of the best pitched games of his spectacular major league career to defeat the Giants and Carl Hubbell 8-1 in the first game of today's double-header at the Polo Grounds.

Harry Danning, a pinch-hitter, delivered a ninth inning homer to enable the Giants to win the nightcap, 3-2, and remain in first place by a margin of a few points.

The Cardinals' ace right-hander narrowly missed blanking the Giants as he mowed them down with three widely scattered hits, a double and a single by George (Kiddo) Davis and another one-play swat by young Jimmy Riddle.

While old "Diz," making his first appearance against the Giants since the riotous afternoon of May 19 in St. Louis, had the New Yorkers swinging their heads off at his high hard one, the "Gas House Gang" got to Hubbell for 13 safeties, in the eight innings he toiled before giving way to Dick Coffman.

It was no wise-cracking bad boy that tamed the Giants today, but a grim, uncompromising young man who pitched his head off to show the Terrymen he could trim them without throwing "bean balls," the direct course of the St. Louis rioting last month.

On the bench before the game, Dean, usually the loudest of all the loud-mouthed Cardinals, said hardly a word. He just sat there staring into centre field.

Finally someone asked, "are you scared?"

"Me?" replied Dean. "I ain't scared of nothing."

Aberdeen Amazons and Fredericton Junction Gulls split the opening fixture, of the Lipstick League. The Gulls trounced the Fredericton gals in the afternoon with a tally of 15-7, but the Amazons did honour to their mythical warlike antecedents, by bringing down the Gulls with the count of 15-3, in the evening battle.

The Fredericton Junior League is also going to town. Both the Pots and Legionnaires won their opening games in decisive fashion. Things look as though the 'battle' in the league will be carried by these two teams.

Dinny Dinsmore is showing the old snap again this year. Plenty of smoke, and other fixin's, with fine team work at his back, gave the team the edge which kicked them across the line ahead of the Marysville boys.

Dizzy Dean's short retirement from the league didn't hurt his spectacular hurling in the least. In he goes, to hand Hubbell and his 'Big Boys' an inglorious defeat, 8-1.

Mickey Cochrane will be back in the old game shortly but as a non-playing member. He will be the non-playing pilot, say current despatches. Something gives us the hunch that we will hear of Mickey swinging a bat again, despite these reports.

Reports state that Joe Louis isn't showing up so well in work outs. We cannot credit the rumor, but we understand that something is missing and different from the Ballyhooed 'Brown Bomber' who occupied the head lines up until the Schmeling scrap, and the mere 'Joe Louis' who is getting ready to fight Braddock.

Some sports writers claim that the difference is due to the fact that Louis, now with a comfortable fortune hasn't the same ambition that he had as an 'up and coming' fighter. Others say that that stinging right that Maxie used so devastatingly took the gimp out of the dark terror of the roped square.

Dean breezed his fast one by the Giants to retire 13 batters in order, five of them by strike-outs. Then third-sacker Stan Bordagaray let a sizzler off Davis' bat go through his legs for a double and the first New York hit.

At Philadelphia Claude Passeau ended a six-game losing streak for the Phillies, pitching his teammates to an 8-1 victory over Pittsburgh.

The Phils took a one-run lead in the first when Hershel Martin scored on Chuck Klein's hit and, although the Pirates bunched three of their eight hits to tie the score in the second, the Phillies held the edge throughout.

Wallop Dodgers
Chicago Cubs made every hit count at Brooklyn as they walloped Brooklyn Dodgers 8-4 to climb into second place.

Jim Turner and Lou Fette each held Cincinnati Reds to six hits when the Bees at Boston moved into fifth place by sweeping their first double-header of the season, 5-2 and 5-0. Fette, knocked out of the box yesterday by the Reds, hurled the shutout, which gave him his seventh win in nine starts.

Indians Thump Red Sox
NEW YORK, June 9—Cleveland Indians and Boston Red Sox, playing at Cleveland in the only game which the weather permitted in the American League today, put on a 25-hit slugging match which the Indians won 12-6.

The victory lifted the Indians to within a half game of first place, held jointly by New York and Chicago.

Earl Averill and Hal Trosky led the Cleveland attack, each contributing a triple, double and single.

Mel Harder started shakily, but settled down to take his fourth victory of the season. After the early innings, his calm wasn't disturbed until the seventh when Jimmy Foxx banged out a home run which climaxed a four-run rally for the Red Sox.

GRAPPLING CHAMPION TO DEFEND TITLE IN MONTREAL ON JUNE 17TH

MONTREAL, June 9—World's heavyweight wrestling champion, Yvon Robert, will wrestle one match in Montreal. He will meet the winner of the Westenberg-Williams bout "within the next few weeks"—probably on Wednesday, June 17.

Matchmaker Jack Ganson, the Forum's mat maestro, spent the week-end with Robert, and shortly after the world's champion had been the principal figure in a sport exhibition in aid of the Val Morin Catholic Church, Ganson was able to get Robert's signature on a contract to meet either Westenberg or Williams, depending on which of these two rivals win when they meet on Wednesday at the Forum.

The amount of the guarantee to Robert was not revealed, but it is understood that he is to receive \$3,000 plus a percentage of the gate.

"I am satisfied that the whole controversy is finished," said Robert. "My signing for this bout clears up any trouble between myself and the Forum. I am satisfied that I will be able to defend my title—I am taking the chance—and I still plan to sail for Europe as soon as my guarantees are posted here, and I have wrestled in this bout."

Ganson Completes Card

Matchmaker Ganson was very glad that Robert had come to terms. The signing of Robert makes the Williams-Westenberg bout assume great importance. Westenberg was the dominant figure of the recent contender's elimination tournament, while Williams' recent ring record is too well known to demand review. The bout on Wednesday night is sure to be a keen battle, with a great deal of public interest, as a result of the champion's agreement to meet either Marvin or Cy.

To finish up Wednesday's card, Ganson has only to find an opponent for Leo Lefevre, the giant French Canadian. He signed him late last night. Previously Dr. Frederick Myers had signed to meet his bitter rival "Legs" Langevin in a return bout, and George Koverly and George Clark had signed the double ends of an "in blank" contract. Wednesday's card looms up as outstanding as the interesting battles which Ganson presented to a big house last week.

SAINT JOHN PROS AND NEW ENGLAND ALL-STARS SPLIT DOUBLEHEADER

Loyalist Troops Are the Winners in Nightcap --- Good Baseball

SAINT JOHN, June 10—Saint Johns and 'Shono' Collins' Boston All-Stars split even in yesterday's doubleheader which featured the return of professional baseball to Saint John. Both games were played at the Shamrock Park, the afternoon fixture won by All-Stars, 15-8, witnessed by a near capacity crowd and the night won by Saint John 10-6, attracting only a few hundred.

The opener in the afternoon produced anything but good baseball, although the exhibition was better than amateur games have been in years, and showed that Saint John will have to strengthen in order to give the fans what they desire in the way of bang-up baseball. Ray Hansen, manager, has the assurance of the promoters, that he can go ahead and secure any players whom he believes desirable for the class of baseball Saint John fans want.

But the fans did not expect too much of the new Saint John pro team yesterday as it was the first time the players had been together as a club.

They were outthit in the opener but came through in the nightcap with a sixth inning splurge that put the game on ice.

The All-Stars started clubbing Thornton's slants in the first inning and drove him to the showers with five hits and as many runs. Thornton was serving them right down the alley and the All-Stars took advantage to pile up the scores. Gebro, who relieved him, was nicked for 12 bingles, coupled with three errors, that brought All-Stars 10 more markers.

The Collins' crew after the five-run margin in the first, scored two in the third, two in the fifth and sixth, three in the eighth and one in the ninth. The best Saint Johns could do was two in the first, three in the third, one in the sixth and two in the eighth.

The three runs for the locals came in the third on a piece of inside base ball not seen here since the days of the old St. Peter's and Manager Ray Hansen was responsible. He waved three players home from third with a hitter up each time.

The Saint Johns came from behind in the nightcap to win. Going into the last of the sixth the All-Stars had a 5-1 lead and it looked like another win on the ledger for Collins' outfit. The locals then staged an eight run rally that put them out in front and added another for good measure in the seventh while the best All-Stars could get was another in the eighth.

Zides of the All-Stars hit the only fourpout clout of the afternoon game, a stinging drive with one man on in the first which went over the right field wall.

In the nightcap Lozier of Saint John got a freak homer that was lost in the grass in left field and Herriek of the All-Stars who sent one sailing over the left field wall.

Timmins, Zides of the All-Stars and Callura of the Saint Johns led the hit parade in the afternoon with three each. All got three out of five trips to the plate.

Zides led the parade in the nightcap with four safe blows out of four to bat 1,000.

One of the outstanding players on the field in both games was Saint Johns' receiver, the youthful Byrne, a freshman at Boston College. He picked runners off the bags with perfect pegs and had the crowd with him from the start. He bids fair to become a favorite with the fans. With a few more games under his belt and a little more headwork he should be tops in his position behind the pan.

HARNESS RACING MOOSEPATH PARK

SAINT JOHN, June 10—Grace Symbol, 2:05 1/4, Peter Reaper, 2:07 1/2, and Mr. Squires, 2:16, all local horses, carried off the stakes in the free for all, 2:16 and 2:21 race respectively, in the opening meet of the Moosepath Park yesterday afternoon. A large crowd of fans attended the initial card of the turf season, featured by the new system of half-mile heats in all but final events.

The big black trotter with Henry Hayes on the reins took the free for all with a first in the second heat, second in the final and third in the initial heat. Jean Stratton, 2:05 1/4, the bay trotter imported this spring from Western Canada, and driven by William Alexander, took a close second in the second, but faltered after taking the lead in the final to trail Grace Symbol, Betty S and Jennie Geddes, at the finish line. Jennie Geddes, 2:09, brought here from the Jones' stables for the Victoria Day meet, took the final in 2:16 but trailed in both heats, and Betty S, 2:07, placed second in the first two heats and third in the finals.

Peter Reaper, under the rein of Cecil Alexander, took all three heats of the 2:16 class, with Billy Bondeer, 2:09, of the Lee Jones stables, pressing for seconds in all heats. Fred King's Morning Express, 2:03 3/4, failed to take a first or second. Times for the half mile heats and the mile final were 1:09, 1:10 1/4 and 2:21.

Mr. Squires, sleek little trotter, driven by Emery Campbell, came through after bad starts in the first and second heats to outstep Klondyke Grattan and Oh Boy Fisher in 1:11 and 1:10 1/2. William Alexander brought home Oh Boy Fisher, 2:11, in the mile final in 2:20 with Mr. Squires a few lengths behind for second. Lee Jones' Klondyke Grattan took seconds in the first two heats and third in the final.

"I'm for Peace,"

... said Mr. PICOBAC

A benign expression spread over Mr. Picobac's countenance. Removing his pipe, he leaned against the desk of the Essex Centre Grand Central Hotel, and gazed at his audience of two.

"I'm a peaceful man," repeated he. "I try to be a good neighbour, same as President Roosevelt does . . . and Mr. Baldwin. But . . ."

"You don't like people to walk on you," suggested George Boniface, genial proprietor of the hostelry.

"Peace with self-respect," agreed the Burley tobacco patriot. "Canada is a self-governing, self-respecting Dominion in the British Commonwealth of Nations. She's not looking for trouble. But I'll say she will hold up her end if trouble ever starts."

"Well, don't start anything around here," advised Gus, who drives the bus that meets all the trains.

"Don't worry," rejoined Mr. Picobac, puffing in great content. "I won't. As long as I have enough Picobac tobacco for a mild . . . cool . . . sweet smoke, there'll be no trouble with me. I'll keep the peace and be a friendly neighbour."
