

Woodstock Woman Retains N. B. Ladies' Provincial Golf Championship

Titleholder Posts Win Over Saint John Star in Final Round Here

The New Brunswick Ladies' Golf Association crowned a new champion yesterday in Miss Audrey McLeod of the Riverside Golf and Country Club, who outstroked the efforts of Mrs. D. A. Lindsay in an extra nine holes of play to regain her title lost last year to the runner-up at Perth.

Both finished the 36 holes of medal play with scores of 188 and after executive meeting of the association the extra nine holes were played with the result that Miss McLeod defeated last year's champion by five strokes, the round ending 43 for Miss McLeod and 48 for Mrs. Lindsay.

The two, however, had a fortunate break in the last 18 holes of play when Miss Barbara Jack of the Riverside Club, who finished a stroke behind them, missed two 'putts' on number seven hole in her last round of the nine-hole course of the Fredericton Club, host this year to the annual tournament of the association.

Miss Joyce Irvine, 16 year old player of the Fredericton Club and youngster competitor in the field of 49 from nine clubs in the province, led the second division with a gross score of 200, but achieved top honors in the net count with a score of 140. It was her first tournament and competitive play in senior company.

Riverside club scored double honors when the club team won the team match play for first division to take the T. Eaton Ltd. trophy and Fredericton won The Telegraph-Journal cup for team match play in second division. Mrs. E. O. Turner of this city won the approaching and putting total of 555 yards in the three-ball tourney.

The invitation to hold next year's tournament at the Westfield Country Club at Westfield was accepted by the Provincial Association today, at the annual meeting this afternoon. Mrs. H. G. Chestnut of this city presided and a provincial committee

YANKEES' PUNCH GIVES A. L. WIN IN ALL-STAR GAME

GRIFFITH STADIUM, Washington, July 7—The American League's all-stars, unloading a barrage of basehits at the expense of their foremost pitching foes, rode the crest of a combined heat and hitting wave to a decisive baseball triumph today over the National League in the fifth annual charity "dream game."

Sweltering in 90-degree heat with the rest of a capacity crowd, numbering 31,391 cash customers, President Franklin D. Roosevelt looked on while the Americans shelled six rival pitchers for an 8-3 victory, with an attack featuring the long-range firing of "Larrupin" Lou Gehrig and his mates of the world champion Yankees.

Gehrig touched off the fireworks with a third inning homer off the great "Dizzy" Dean, with Joe Di Maggio, sensational Yankee outfielder, on first base. This blow gave the Americans a lead they never relinquished, and caused Dean to be charged with his first all-star defeat.

A three-run blast in the fourth frame knocked none other than the renowned Carl Hubbell from the box as the Americans, aided by Yankee Red Rolfe's two-run triple, gained some measure of revenge for the screwball master's domination of junior league batsman in the memorial 1934 all-star game.

Finds Mungo For Two

The climax of the cannonading came in the sixth at the expense of the Brooklyn fireballer, Van Mungo, as Gehrig drove in two more runs with a double.

All-told Gehrig and his Yankee mates pounded across seven of the eight American League runs.

To make it all the more evident that New York is the class of the junior circuit, Vernon (Lefty) Gomez was credited with victory as a result of holding the Nationals to a solitary single and no runs in the first three innings. It was Gomez's third triumph in four all-star appearances and marked the fourth victory for the Americans in five mid-summer classics.

The Nationals matched their rivals in total hit production, with 13 safeties, but the outfit piloted by Manager Bill Terry of the Giants couldn't produce in the pinches.

was appointed to work out the various details for the next year. Provincial officers will be selected by the Ladies' Club of Westfield.

NEW YORK GROUP APPROVES FARR-LOUIS TITLE BOUT

NEW YORK, July 7—Plans presented yesterday by Promoter Mike Jacobs for a heavyweight title fight during the week of Sept. 13 between Champion Joe Louis and Tom Farr, British Empire crownbearer, were approved by the New York State Athletic Commission, which announced at the same time the shelving of Max Schmeling as No. 1 challenger.

The commission revealed that Schmeling had turned down an offer to meet Louis for the title in September with the laconic cabled reply to the commission and to Promoter Jacobs that "I have to fulfill contract to fight Farr in London."

Despite plans abroad for the proposed Schmeling-Farr bout, Jacobs said he was assured of Farr's appearance here in one of the ball parks.

The commission will recognize the winner as champion, even if a hitch should develop to force cancellation of the Louis-Farr bout, the commission would not recognize the winner of a Schmeling-Farr match, Chairman John J. Phelan said.

Besides approving Jacobs' request for the September heavyweight title fight date, the commission granted him conditional permission to stage an all-champion card during the week of Aug. 23—for what would be the biggest carnival of fist-swinging in the history of boxing.

The show, conditionally approved pending Jacobs' presentation of signed commission contracts, also would be held in one of the ball parks, with all bouts at 15 rounds, and with these world championships matches on the card.

Middleweight Champion Marcel Thil, of France, vs. Fred Apostoli, of San Francisco; Welterweight Champion Barney Ross, of Chicago, vs. Celerino Garcia, of the Philippines; Lightweight Champion Lou Ambers of New York vs. Pedro Montanez of Puerto Rico; Bantamweight Champion Sixto Escobar, of Puerto Rico, vs. Harry Jeffra, of Baltimore.

In approving the Louis-Farr bout, the commission announced that Schmeling would continue to be recognized among the heavyweight title contenders, and that any time he wanted a match for the championship his request would be recognized.

However, Mr. Schmeling has been offered the bout which he was promised, with Louis for the title, and he has turned it down, so the only thing for us to do is to approve the Louis-Farr match.

ENTRIES CLOSE, OFFICIALS NAMED

SAINT JOHN, July 7—Entries for the Maritime Track and Field Championships for men and the British Empire Trials for women closed yesterday, and it is expected that J. Harold Chown, secretary of the Saint John Olympic Club, sponsor of the meet, will release the list of competitors and their events within a day or two.

No effort has been spared to make this one of the most successful meets ever held in Saint John, and it is expected by the officials of the Olympic Club that the K-Club Grounds will again be the scene of several new Maritime records when Friday and Saturday roll around.

The work of making up the program will take considerable time before it can be put in the hands of the printer for a souvenir program, which is being arranged for.

The new grandstand with a seating capacity of about six hundred has been finished along the north side of the grounds and the new jumping pit along in front of the grandstand has also been completed. The track is now having the finishing touches put to it, in readiness for the meet.

Strong Group From Halifax

A strong contingent for the women's events is coming from Halifax according to word received from Mrs. W. E. Stirling, past president of the W. A. A. F. of C. of Halifax, by Secretary J. Harold Chown, yesterday.

DEVONITES TRIM COTTON TOWN NINE IN LEAGUE GAME

The Devon nine last night took the 'cotton-town' boys with a tally of 7-2. Fine hurling on the part of Dinsmore held the Marysville squad down to five hits, and with the boys behind him with machine-like fielding, only two runs were allowed.

The high spot of the evening was the home-run slugged out by Lawrence of the Marysville squad. The hit really amounted to a single to right field, but the ball was lost in the long grass of the outfield, making a circuit for the Marysville nine.

Dinsmore retired seven men, in one of the best hurling exhibitions he has yet put on. The whole Devon team was clicking, giving them the lead over the league-leading team.

The fourth gave the fans a little excitement, when the umpire called a balk on Currie of the Marysville staff. Burns, the base umpire claimed that the pitcher had not balked, and Currie, feeling some authority on his side assailed the umpire-in-chief. He was ordered out of the game, and Cain was called to the slab and worked for the rest of the game.

Batteries—Devon: Dinsmore and Staples; Marysville: Currie, Cain and McPherson.

Score by innings:
Devon 2 0 0 2 0 0 0 3
Marysville .. 0 1 0 1 0 0 0 0
Devon—H. 8; R. 7; E. 1.
Marysville—H. 5; R. 2; E. 3.

STORMY PASSAGE MINIMUM WAGE BILL EXPECTED

WASHINGTON, July 7—It is expected that Roosevelt's Minimum Wage Bill will meet much opposition in its present form. The clause which gave the government power to fix the wage of labor up to \$1200 per year has already been dropped. In its present form the bill provides minimum 35 hour week, maximum 44 hour week and a minimum \$10 per week wage with a maximum \$16 wage.

NEW YORK, July 7—Thomas McQueen last of the four criminally insane inmates of Rockland Asylum, who escaped by overpowering their guards some weeks ago, was captured by police.
