throat, chest and back (between and below the shoulder blades). Then spread it thick over the chest and cover with warmed cloth.

Almost before you finish rubbing, VapoRub starts to bring relief two ways at once-two direct ways:

1. Through the Skin. VapoRub acts direct through the skin like a poultice or plaster.

2. Medicated Vapors. At the same time, its medicated vapors, released by body heat, are breathed in for hours—about 18 times a minute -direct to the irritated air-passages. This combined poultice-and-vapor action loosens phlegm-relieves irritation-helps break congestion.

Massage VapoRub briskly on the During the night, VapoRub keeps right on working. Often, by morning the worst of the cold is over.

> Avoids Risk of Stomach Upsets This safe, external treatment cannot possibly upset the stomach, as constant internal "dosing" is so apt to do. It can be used freely, as often as needed, even on the youngest child.
