## SOCIAL HAPPENINGS

## Coronation Ball Fitting Climax of Day

A profusion of patriotic decorations made an appropriate background for the Coronation ball which was held last night at the New Army. The function, which was a delightful one was sponsored by the members of the Fredericton Garrison Officers Mess, and was a fitting close to Coronation Day, the most festive that the Capital has ever seen. About three hundred guests were present and an enlarged orchestra provided music for a programme of dances, while the cheery notes of the bagpipes added to the already patriotic tone of the evening.

In the receiving line were the Right Honourable the Countess Ashburnham, Brigadier L. Page, Officer Commanding and Mrs. Page of Saint John, and Major Armstrong, presidents of the Mess and Mrs. Armstrong. Supper was served by the Imperial Order Daughters of the Empire's oldest Chapter, the Governor Carleton Chapter assisted by members of the C.O.T.C. of the University, under the convenorship of Mrs. Jack Bebbington.

Supper was served at eleven o'clock in the two dining rooms where the tables were arrayed with wide satin streamers showing the coronation colors. Huge silver baskets of American beauty roses on reflectors were the floral decorations. Presiding at the tables were Mrs. J. Havelock Coy, Miss Areta Gerow, Mrs. Bedford Phillips and Mrs. Harry Walker. Cutting the ices were Mrs. J. Corkery, Mrs. A. E. Hanson, Mrs. Belding and Mrs. James Scott. Replenishing were Mrs. Kenneth Scott, Mrs. C. F. Parker, Mrs. D. J. Shea and Mrs. J. L. Neville. Mrs. J. B. Crocker and Mrs. Jack Bebbington ushered. Assisting were Miss Margaret Scott, Miss Mary Barker, Miss Mary Neville, Miss Marcelle Gorham, Miss Kaye Conlon, Horace Hanson, Paul Gorham, Neil Ganter, Norman Peacock and Mark Neville.

The floral decorations were the gift of Mrs. Bebbington.

Miss Anna Bailey has left Quebec for Halifax to spend some time there visiting relatives, including her grandmother, Mrs. L. W. Bailey.

## Luncheon for Senior Girls

The Junior girls of the University were hostesses today at a luncheon in the Ladies' Reading Room in honor of the senior girls. The tables were centred with spring flowers and Coronation candles, the place cards consisting of silhouettes of the graduating girls. Seated at the head table were, besides the guests of honor, Miss Millicent Ramsay who presided, Miss Margaret Ann Morrison, Miss Polly Brown and Miss Mary Neville.

Mrs. Harry Walker has recently returned from Ottawa where she spent the winter with her daughter Mrs. Keenan.

Philosophy and English—Class II: Ruth Frances Camp, Millicent Lister Ramsay.

Mr. Duffie being a Beaverbrook Scholar is not qualified to hold the B. C. Foster Scholarship although standing highest for it. However he is a winner of a Currie Memorial Scholarship. Mr. Morris wins the Whitehead Scholarship and the Schlich Memorial Fund Prize, each in the Department of Forestry.

Donald C. Duffie of Fredericton, winner of the Third Year Law Prize is the Rhodes Scholar for New Brunswick to take up residence at Oxford University next autumn. He is a B. A. of St. Joseph's University and will be graduated in Law by U.N.B. The Messrs. Duffie are brothers.

## REPORTS FEATURE REGULAR SESSION OF PRESBYTERY

## Members Pay Tribute to Rev. Dr. Bartlett --- Other Matters

The regular quarterly session of the Fredericton Presbytery of the United Church of Canada convened in Fraser Memorial Hall, Fredericton, on Tuesday, May 11, at 10 a.m. In the absence of the Chairman, Rev. H. H. Blanchard of Chipman, on motion Rev. J. W. Bartlett, D.D., was appointed to the chair. The Presbytery was opened with devotional exercises.

Dr. J. W. Bartlett and E. E. Fytche were appointed to take the place of Rev. H. M. Upham and George Bradley who resigned from the Settlement committee.

The Presbytery extended felicitations to Rev. J. W. Bartlett who was honored by Pine Hill Divinity Hall with the degree of Doctor of Divinity.

The following were nominated as members of the Settlement Committee for next year: J. E. Shanklin and W. M. Curran.

The report of the Home Mission Board showed that the old-fashioned charges were to receive a slight increase in grant this year. J. H. Sulston gave an encouraging report regarding the work among the new settlers on the Broad Road.

The Committee on pastoral relations reported the resignation of R. W. Barker from the Stanley charge.

W. Domville, Grand Lake charge, and H. M. Upham of Doaktown charge.

## Urged to Co-operate

Dr. F. A. Wightman gave a very carefully prepared report of the Committee on publications. The report showed that our church publications, the New Outlook and the United Churchman, are being received by a small percentage of people. The members of the Presbytery were urged to co-operate in an endeavour to increase the circulation of our Maritime publication—the United Churchman.

The Presbytery paid a fitting tribute to the Editor in his endeavour in providing so excellent a publication.

An invitation from the Chipman congregation to hold the annual Spiritual Conference at Chipman was accepted.

The Secretary was instructed to invite the Faculty of Pine Hill Divinity Hall to hold a Theological School at Fredericton at some time during the summer.

Time was given to the discussion of the question of Sunday "broadcasting." All were of the opinion that Sunday advertising should be eliminated. The broadcasting of religious services was declared to be of inestimable value, both by ministers and laymen. It was felt that while in some cases the few may remain at home and tune in for a sermon on Sunday morning, many who are aged, the sick and those in communities where religious services were not held every Sunday, would be very much benefited and helped. Great satisfaction was felt and appreciation expressed that Mr. Neill and his courteous and efficient staff have made the broadcasting of religious services possible in this city.

The Presbytery adjourned to meet at the call of the chair at Sackville.

# ONE OF THESE DAYS HE'LL BE LOOKING FOR A JOB

In 1936, Canadian Automobile Manufacturers spent over sixty million dollars in Canada in payment for purchases of materials and parts — and for services, including transportation. When you purchase a motor car or motor truck that is manufactured in Canada you are contributing directly to the employment of Canadians, and to the revenues of Canadian transportation systems.

For statistical and further information about this industry, write to Automotive Industries, 1006 Lumsden Building, Toronto.

HE'S stretching up, that young man of yours. One of these days he'll be into his first pair of long trousers. Before you know it, he'll be one of the group of young Canadians who must be provided with jobs. And won't you be proud and happy the day he brings home his first week's earnings!

It's fortunate for our young men that industry is fast expanding in Canada, for growing industries mean more jobs and opportunities. Canadian Automobile Manufacturers at the present time employ over 18,000 men and women, and in the hundreds of other Canadian industries from whom they purchase raw materials, parts and supplies, an even greater number are earning their livelihood.

Increased employment means increased Canadian payrolls — more money to be spent for food, clothing, furniture, for the needs and comforts of life. And the production of these motor cars and trucks provides still more employment, and a greater demand for the products of farm and factory, forest, sea and mine.

The continued growth of the automotive industry will promote prosperity throughout Canada, and provide more wealth for Canadians in all walks of life.
