

U. S. Federal Court Paves Way for Braddock-Louis Championship Bout

Expect Battle Will Take Place in Chicago

Anticipate One-Million Dollar Gate---Date Set June 22

NEWARK, N. J., May 14—A federal court ruling tonight cleared the way temporarily for Jimmy Braddock, heavyweight boxing champion, to meet Joe Louis in an expected \$1,000,000 bout in Chicago June 22.

Federal Judge Guy Fake denied a temporary injunction sought by the Madison Square Garden Corporation to prevent the Chicago bout and aimed at forcing Braddock to go through with a title bout with Max Schmeling at the Garden Bowl June 3.

He declared a contract binding Braddock to fight a title match for the Garden before engaging in any other major contest "places an unreasonable restraint upon his liberty" in that it failed to fix and definite limitation as to the length of its existence.

Judge Fake reserved "the right to come to contrary conclusions in the event that the examination and cross-examination of witnesses in open

court on final hearing justifies a different result."

In New York, James J. Johnston, matchmaker for the Garden, indicated the denial of the temporary injunction would not end the litigation and that a final hearing might be sought.

The ruling elated promoters of the Chicago bout set for Comiskey Park. "We're all set to go," said Joe Foley, nominal promoter of the fight.

Schmeling's manager, Joe Jacobs, asserted, however, that the German heavyweight would continue his training plans, and June 3 would weigh in "and will appear in Madison Square Garden Bowl that night."

"If Braddock does not appear and there is no fight, we will rely on the (New York State Athletic) Commission to act," said Jacobs.

There were 90 bookies on the job at Belmont yesterday. . . . Since the Brown Bomber quit working for \$5 a day in a Detroit automobile plant three years ago, he has amassed the amazing total of \$758,000 from his engagements in the ring. He began his professional career July 4, 1934, receiving a paltry \$50 for his first bout. At the end of 1936 he had earned \$711,923. This year he has added something like \$45,000 to this amount.

Pittsburgh Pirates Trounce Cards 14-4

Victory Gives Winners Lead in the National League Race

NEW YORK, May 14—Pittsburgh Pirates, fresh from a successful Eastern campaign, drove "Dizzy" Dean to the showers today and trounced St. Louis Cardinals 14-4 in a triumphant homecoming.

The victory gave the Pirates a 3-1-2 game lead in the National League over their closest rivals, the Cards. The Buccaneers landed on the irrepressible Dean in the fourth to the cheers of 10,000 fans. By that time they had nicked him for six safeties and four runs and Manager Frankie Frisch halted the game to bring Mike Ryba to the slab.

The defeat was Dean's first of the season. Until today he had achieved five triumphs and had three runs charged against him. The fans chided the great one as he left Forbes Field but he took it in good humor, bowing and waving as he departed.

"Red" Lucas, who started against "Dizzy," opened the fourth with a single, then Jensen and Paul Waner smacked out clean hits before Ryba went in. The Pirates nicked Ryba for three safeties, to bring their runs to eight.

Tigers Fall in Ninth
NEW YORK, May 14—Detroit Tigers loaded the bases in the ninth today with none out but could not score and St. Louis Browns won 6-5 in St. Louis.

That ninth, after the Tigers got men on all bases, brought to mind the legend of Casey at the bat, but this time there were three Caseys. Charley Gehringer, number three batter, fouled to Harland Clift. Hank Greenberg struck out. Gerald Walker, whose fourth inning single brought his consecutive game hitting streak to 19, rolled to Clift, at third, and was easily tossed out at first.

GOOD SEASON FOR PEACOCK
NEW YORK, May 14—Eulace Peacock, "the man who beat Jesse Owens," is heading for his biggest year and designation as United States No. 1 sprinter.

"My legs are in fine shape. I hope to have my best season—but hoping the easiest part of it," said Temple's ace negro runner, last night.

An hour later he slammed across the finish line ahead of Ben Johnson of Columbia and Eddie O'Sullivan of the New York Curb Exchange in an invitation 100-yard dash at the first annual twilight games sponsored by the 165th infantry at Lewisohn Stadium.

The race shared the spotlight with a three-quarter mile run won by Glenn Cunningham with Gene Venzke second, and Luigi Beccali, of Italy, third.

Johnson led at the 50-yard mark, but Peacock shot past him in the last 20 yards to win in 9.9. He ran smoothly and powerfully and seemed to be the Peacock who astounded the track world in 1935 by trimming the great Owens.

Cunningham, apparently still the master, stood off a last-quarter rally by Venzke to win in 3:10.2. Venzke spurred in the final lap and passed Beccali, but the Kansas had enough left to fight off the challenge and finish three yards to the good.

47TH RUNNING OF PREAKNESS CLASSIC TODAY
BALTIMORE, May 14—The weather man entered the 47th Preakness today and threatened to turn what had figured to be a gallop for Samuel Riddle's War Admiral into a horse race involving at least three of the seven colts, and one filly named for the \$50,000 turf classic at Pimlico.

While Old Hill Top officials prepared to handle between 40,000 and 45,000 spectators tomorrow long hanging clouds let loose a steady downpour soaking the 1 3-16 mile racing strip.

The weather man promised clear skies for the colorful parade but it would take hours of burning sun and drying wind to put the oval into anything resembling its best condition.

As the rain showed no signs of letting up War Admiral and J. H. Louchheim's Pompoon, the Philadelphia-owned colts which ran one, two in the Kentucky Derby, drew closer together in the pre-race wagering. Riddle's little son of Man O'War, seeking to duplicate the 1920 victory of his famous sire, still remained the odds-on-choice, but he was not expected to go postward at less than 4 to 5.

Meanwhile Pompoon, trusted W. M. Jefford's Matey, another son of Man O'War, as the second choice largely because of his known mud running ability and the statement of Trainer Preston Burch that the Jeffords' colt probably will not start unless the track is good. Pompoon's odds were slashed to 3 to 1 while quotations on Matey went up to 5 to 1; the Louchheim ace finished his preparation this morning with three furlongs in 26 seconds as Matey breezed a half 36 seconds.

"FARMER" McLEOD FLOPS LEO HYATT IN MONCTON BOUT

MONCTON, May 14—The first of a series of summer wrestling shows was staged in the Stadium here tonight with "Farmer" George McLeod of Columbus, Ohio, defeating Leo Hyatt, Salem, N.H., in the main event. In the semi-final Scotty McDougall, Toronto, and Bobby Roberts, New York, wrestled to a 45 time limit draw after each man had gained a fall.

The final of the night ended at the 68-minute mark, one fall deciding the issue after the two men had grappled over the hour mark and the burly "Farmer" from Columbus pinned Hyatt's shoulders to the canvas after a series of tosses out of the ring, catching Hyatt on his quick return to a head lock and heavy body press.

Roberts and McDougall gave the fans their biggest thrill as the two men used practically all the known fair tactics and a good assortment of the foul tactics. Roberts, apparently pounds lighter than the husky Canadian, pulled the prize act of the night when he stuck McDougall's head through the upper ropes and immediately rushed across the ring to straddle the upper strand of rope and jump up and down, each time tightening the "noose." His fun was stopped when referee Vic Butland pulled him away.

McDougall took the first fall somewhat unexpectedly, after absorbing considerable punishment from the clean-cut Roberts. He clamped a vicious Japanese arm lock on the New Yorker and made him say "uncle" at the 21-minute mark.

Roberts took the second fall in 15 minutes when he pinned the broad-shouldered Scotty with a body press after a series of flying tackles off the ropes and in the remaining minutes running up to the total of 45, Roberts was the aggressor but could not pin the Toronto man again.

During the 68 minutes Hyatt and McLeod grappled there were several exciting minutes as both men stood in the centre of the ring and slugged each other. After McLeod had been awarded the decision Hyatt kicked him in the face as the "Farmer" released his hold and for a minute it seemed a miniature riot might break out as the referee Dr. J. M. McLeod tried to quell the disturbance with the pair but before they left the ring the two shook hands and grinned at each other.

M.A.H.A. OFFICIALS TO MEET AT HUB

MONCTON, N. B., May 14—The annual meeting of the Maritime Amateur Hockey Association will be held here on Wednesday of next week it was announced today and many important matters are to be dealt with by the governing body of hockey in the east.

Probably the most important matter to come before the meeting will be the changes necessary in the constitution of the body due to the severance of all connection between the C.A.H.A. and the Amateur Athletic Association of Canada. Hanson T. Dowell, president of the association, will probably seek re-election, while rumor prevalent here tonight was that a New Brunswick man might also be in the running for the position. For the past several years the president has been named from a Nova Scotia centre and many interested in the amateur game believe it is time for a change to be made.

BASEBALL'S BIG SIX

The National League trio in baseball's Big Six in batting took over the heavy-hitting spotlight yesterday. "Ducky" Medwick of the Cardinals clouted four hits in five chances to clinch 21 points and raise his first-place average to .459. His young teammate, Johnny Mize, moved from fourth to second with a .431 mark, getting three-for-four for a 27-point increase, which Al Todd of the Pirates dropped to third with .427, although he, too, bettered his average 13 points with three hits in five chances. Beau Bell of the Browns boosted his American League leading average two points to .464 for the only increase among the leaders in their circuit.

"I'm for Peace,"

... said Mr. PICOBAC

A benign expression spread over Mr. Picobac's countenance. Removing his pipe, he leaned against the desk of the Essex Centre Grand Central Hotel, and gazed at his audience of two.

"I'm a peaceful man," repeated he. "I try to be a good neighbour, same as President Roosevelt does . . . and Mr. Baldwin. But . . ."

"You don't like people to walk on you," suggested George Boniface, genial proprietor of the hostelry.

"Peace with self-respect," agreed the Burley tobacco patriot. "Canada is a self-governing, self-respecting Dominion in the British Commonwealth of Nations. She's not looking for trouble. But I'll say she will hold up her end if trouble ever starts."

"Well, don't start anything around here," advised Gus, who drives the bus that meets all the trains.

"Don't worry," rejoined Mr. Picobac, puffing in great content. "I won't. As long as I have enough Picobac tobacco for a mild . . . cool . . . sweet smoke, there'll be no trouble with me. I'll keep the peace and be a friendly neighbour."
