

# Detroit Red Wings Lift Title in Overtime Battle With Canucks

## Hec Kilrea Blasts Winning Marker by Cude For Title

### Canadiens Attack in Fierce Style to Outshoot Wings

The Detroit Red Wings won the N.H.L. title for the second time in as many years last night when they defeated the Canadiens 2-1 at Montreal, on the strength of Hec Kilrea's goal which came after 51 minutes of overtime.

The veterans Herb Lewis and Marty Barry, who drew Kilrea as a linemate only because Aurie broke his leg before the close of the season were the starters of the play leading to the winning goal.

They carried the puck into Canadiens' defensive zone and Barry whipped a shot by the right side of Wilf Cude's net.

It came out on the left and Kilrea, parked by the side, slashed it into a far corner before Cude even moved.

#### Score Knotted in Third

They went into overtime after Eddie Goodfellow lashed a 25-foot shot past Cude early in the second period and Bill McKenzie, just a couple of minutes after he was sent on for the first time, sent a rising backhand shot past Norm Smith at 14:56 of the third period.

It was the pudgy Smith, back in goal after missing half the third game and all the fourth, who shared the hero's role with Kilrea. Smith was in there with an injured left arm but he couldn't have been better with two good ones.

He made 52 stops to 30 for Cude before the last overtime period started. And he saved the game for Wings soon after that period opened with a thrilling leg stop on a close-in smash by Paul Haynes. He had been almost as brilliant on a half-dozen other Canadian rallies in the second overtime session.

With so much at stake, the teams played surprisingly open hockey.

#### Canucks Outshoot Wings

The Canadiens, who would have made hockey history by winning a third straight, outshot the world champion Wings in every period after the first but they couldn't break through Smith and his tight-checking front save for the late third period goal by McKenzie.

Twice Canadiens had the advantage of penalties but couldn't do a thing with the man advantage. There were six in all, two majors to Johnny Gallagher and Johnny Gagnon for a brief fighting flurry.

But the teams stuck to hockey in the overtime and they skated through the 51 minutes and 49 seconds of extra play without a banishment.

It was the second game of the series that Kilrea had played a leading role. He shot two goals in the 4-0 victory Red Wings scored in the first game at Detroit.

## Amherst St. Pats Welcomed Home

AMHERST, April 2—The Amherst St. Pats, Maritime junior hockey champions, returned after their unsuccessful invasion of Upper Canada where they were defeated in straight games by the Ottawa Rideaus, second choice champions of the Ottawa Valley district. The Rideaus gained the playdown honor after the Pembroke Lumber Kings had been disqualified for having an average player in their ranks.

Nearly 1,000 people were at the Amherst depot to welcome the St. Pats and the Amherst boys were given a rousing cheer as they stepped down off the train led by their captain, Frank Ripley. They were officially greeted by Mayor Martin J. Kaufman and N. S. Sanford, president of the Amherst Board of Trade.

Speaking from a hotel balcony the two speakers of the town welcomed the boys back home and expressed pleasure at the fact that according to press despatches they had taken their defeat courageously and in a sportsmanlike way.

Three more cheers and a tiger were given to the St. Pats and their officials as they were driven to their respective homes.

Following their defeat by the Rideaus the St. Pats stopped over in Montreal, where they saw the Copper Cliff juniors in action as well as the Canadiens and Detroit.

## MAHATMA GANDHI'S NAME FOR NOBEL PRIZE

(Special to The Daily Mail)  
OSLO, April 1—The name of Mahatma Gandhi has been suggested for the winner of this year's Nobel prize.

## RANGERS DEFEAT THE MAROONS 1-0 AT GARDENS

NEW YORK, April 2—Youth and old age blended in perfect unison here last night and gave New York Rangers a 1-0 victory over Montreal Maroons in the first game of the best-of-three Stanley Cup semi-final series. A sell-out crowd of more than 16,000 spectators saw Walter Babe Pratt, 22 year old youngster from Winnipeg and Kenora, Ont., give the Rangers their slim lead late in the opening period. The lanky defenceman took a relay from the veteran Ching Johnston in the New York zone and stick handled neatly through blocking Maroons. He veered to the short left side of the Montreal cage and, after losing the puck momentarily to the enemy, recovered it to blast a waist-high shot past Billy Beveridge, the visiting goal-minder.

The crowd fairly tore the roof off the Garden in acclaiming the youngster whose shot had previously beaten Toronto Maple Leafs in the first round.

That one goal was sufficient for the Blueshirts who thereafter threw up a tight defensive barrier which defied the best efforts of the powerful Montreal team, who return to the Canadian metropolis for the second game Saturday, one game down to the surprising puckmen of Manhattan.

Maroons almost caught Rangers by surprise in the early minutes when they loosed a furious attack on the Ranger cage. Only brilliant work by Goalkeeper Dave Kerr, an outstanding hero of the Blueshirt triumph, prevented Maroons gaining an early and substantial lead.

Maroons maintained a marked edge in territorial play throughout the game, outshooting Rangers 34 shots to 19, but they seldom fathomed the brilliant defensive teamwork of the aging Johnson, Art Coulter of Winnipeg and Ott Heller, the blond Kitchener boy.

## Chatter From the Training Camps

ORLANDO, Fla.—Manager Bucky Harris of the Washington Senators, figured his team today a good bet for second place in the American League. He admits the Yankees show championship promise. "It looks as if we're the most improved club in the league," he said.

ONTARIO, Calif.—Linus Frey, obtained by the Chicago Cubs from Brooklyn for infield utility, had a big start today toward stealing the regular third base job from Stan Hack. The reason—six hits in his last six times at bat.

LAKELAND, Fla.—Two star Detroit Tiger rookies, Rudy York and Frankie Croucher, apparently face another season in the minors. "It's almost a crime to keep those fellows out of regular jobs," said Manager Mickey Cochrane, "but I don't see how we can get them on our club. On any other club in the majors they would be stars."

TAMPA, Fla.—Manager Chuck Dressen said today Jimmy Outlaw, third-sacker with Nashville last year, probably would hold down third base for the Cincinnati Reds, "unless something happens."

GULFPORT, Miss.—Manager Bill Terry still figures Tommy Thevenow will provide considerable reserve defensive strength for New York Giants' infield in spite of his poor showing in exhibition baseball games. "We haven't been playing on smooth infields and that has accounted for some of the misplays," Bill points out.

TAMPA, Fla.—Although Manager Burleigh Grimes figures catcher "Blimp" Phelps would be better off if he reduced his weight below the current 205 pounds, he isn't worried about the Brooklyn receiving department. "It's as good as the last Brooklyn pennant winners had back in 1920," Grimes maintains.

ST. PETERSBURG, Fla.—Jos DiMaggio, who came to New York Yankees last year with a dead pan and no desire to be friendly, is a different ball player this year. Success as a major leaguer and the assurance that comes with it have opened the pride of little Italy into one of the camp's most sociable players.

WASHINGTON, April 1—The coal miners of the United States are still waiting for word from Lewis their leader. Ten thousand men of the General Motor employees are still on strike.

## "AROUND THE SPORT CLOCK"

-- with --  
"Dinny" Dinsmore

The Detroit Red Wings came through last night to win their second N.H.L. title in an many years. To Hec Kilrea, former speed skater and star with the Toronto Leafs, went the honor of driving in the winning goal, after the exhausted teams had played 33 minutes of overtime. The Detroiters were enjoying a one goal lead until the dying moments of the final canto, when Bill MacKenzie tied the game up on a beautiful solo effort. Eddie Goodfellow had given the champs the lead. Normie Smith was back in the Wings citadel, and Canadian snipers were robbed by his clever work on numerous occasions. The Detroit rear-guard of MacDonald and Goodfellow checked the Canadiens off their feet on numerous occasions, and this wore down their resistance.

—OO—

Lester Patrick and his rambling Rangers edged the Montreal Maroons at New York by the count of one to nil. Babe Pratt, freshman defenceman scored the only goal of the game which ended in the regular playing time. The two teams move on to Montreal where they meet again on Saturday night. "Jimmy" Ward will be back in uniform with Maroons, and Tommy Gorman states that his presence will bolster the attacking force sufficiently to take the measure of the New Yorkers.

—OO—

The Detroit team seems to specialize in all night games. Last year on Montreal ice, they engaged in a similar battle with the Maroons and were fortunate to get the winning goal as they were last night. Kilrea's marker came as a surprise to fans at the Forum, and to radio listeners. Both teams played a bang-up game, and the score could have easily been high but the two great little goalies, Cude and Smith were in rare form and robbed raiding snipers on numerous occasions.

—OO—

Joe Jacobs, American representative of Max Schmeling, said yesterday the German heavyweight had cabled him that Berlin fight promoters had re-opened the \$350,000 offer to Jim Braddock for a title fight with Schmeling there in June. He said Schmeling had worked to get the offer re-opened after Joe Gould, manager of Braddock, had telephoned the German heavyweights aboard a liner carrying Schmeling back to Germany last week. Jacobs said Gould asked Schmeling in the 'phone call if the offer, previously withdrawn, could be re-opened.

—OO—

The Kimberley Dynamiters reached Halifax yesterday from Europe. The Dynamiters lost only four games out of 65 played while on their European tour.

## GIANTS' LEADER PREDICTS TEAM WILL WIN FLAG

NEW YORK, April 2—President Horace Stoneham of New York Giants, admittedly a little prejudiced, came back from a tour of the baseball camps yesterday with the prediction his Giants will win the National League pennant, even if their first base situation is not all it might be.

"We had three problems when he went south," said the New York prexy, "and at leave we've solved two of them. The catching situation and third base are okay now, but Bill Terry's not quite satisfied with first base."

Stoneham said his manager was pleased with the improved showing of Harry Danning, relief catcher. He intimated Terry might be interested in dealing with the Phillies for first baseman Dolph Camilli.

The return to form of pitcher Hal Schumacher and the improvement of Lou Chiozza at third base are the two changes on which Stoneham builds his hope.

Chiozza has speed and has definitely sold himself to Terry, and with Schumacher back in condition, I think we have the finest pitching staff in the majors," Stoneham said.

## TWO GRIDIRON COACHES RETIRE

MONTREAL, April 1—Wilfrid Perry Hughes, the man who guided Ottawa Rough Riders from nowhere to the championship of the Interprovincial Football Union last fall, has retired from the ranks of the grid strategists.

Clary Foran, who coached the Montreal Squad to the Dominion championship without losing a game in 1931, is heading for Vancouver to accept a new position with his firm. Loss of two of the leading mentors in Canadian football will leave two gaps difficult to gate. The Rough Riders will have to look far to find a man as capable as Hughes, and it had been reported of late that Foran would figure in new plans of the Montreal Big Four Club.

Bill Hughes left for Ottawa this afternoon to attend a banquet there tonight, at which championship medals and tokens of esteem will be presented to players and officials of the Rough Riders.

Hughes will be one of the speakers. He will announce his retirement. His business duties have increased in the past few months and he no longer feels that he can give the time to coaching a football team.

Hughes started teaching football art back in 1919 with Montreal. He later went to Queen's and piloted the Tricolour to four straight championships and a winning streak of 24 games that has never been equaled.

Bill returned to Montreal as coach of the formidable Wheeler team in 1928, with Clary Foran acting as assistant. He turned the team over to Foran in 1931.

Later Hughes coached Hamilton Tigers to a Big Four and Dominion championship. Last year he worked wonders with the Ottawa, taking a team that had lost its first two games from the cellar to the pinnacle in one of the stunning form reversals in the history of the Canadian game.

Ottawa is already on the hunt for a man to succeed Hughes.

The man they sought first was Clary Foran. They continued their search elsewhere upon learning that Foran was almost certain to accept the new post on the coast.

Ross Tremble, Varsity junior coach last year, may get the job.

Clary hasn't made the announcement yet that he is leaving Montreal, but his host of friends feel that there is little chance that he will be here when its time to put the stripes on the greensward next fall.

Clary Foran started with the Winged Wheelers as a lineman in 1922, starred for many seasons, one of the finest plungers and defensive mid-lanes in the Canadian game.

In 1927 he played and also coached the Montreal Squad. He was player and assistant coach under Hughes until 1930. He won the Big Four championship with the Wheelers in 1931. He coached the great team when only 28 years of age. He was the youngest senior coach in the sport.

Foran left the Montreal Football Club for the first time following the 1935 season.

Westmount Junior Club sought his help and he built up an unbeaten team in his first year. The Westmounts didn't lose a game in winning the junior championship of the Interprovincial Union.

It is understood that Foran was to figure prominently in new plans for Montreal Club had he remained in the city.

Hamilton Tigers sought his services last season, it is well known. Ottawa wanted him to replace Hughes. A Western Canada team sent him a tempting bid early last season.

It isn't known whether Foran will take an active interest in the game on the Coast or not. Alert, a clever strategist and handler of athletes, Foran would be an asset to any team.

He has proved himself a leader amongst the coaches in Canadian football.

## STEALS \$50,000 GEMS AT SEA

NEW YORK, April 2—Mrs. R. W. Higgins, of Duluth, Minn., was the victim of a mid-ocean theft of jewelry valued at \$50,000, but she had the gems back when she reached here on the liner, Aquitania. Mrs. Higgins left the package of jewels in the purser's safe upon starting the 41 day South American cruise. A few days later, when she had occasion to use one of the brochures, the package was missing. For 36 hours a systematic search was conducted. The package finally was found in the locker of a recently employed bellboy.

In dry weather deep soil shrinks—in wet weather it expands.

So small are carrot seeds that 257,000 weigh only one pound.

## MT. A. RULED OUT N. B. PLAYDOWNS SAYS HOLLIES

Henry Hollies, president of the New Brunswick Basketball Association, notified The Telegraph-Journal last night that so far as he is concerned the Newcastle Bachelors and the Saint John 1934 Club are the finalists in the New Brunswick intermediate cage finals.

This was Hollies' announcement despite the fact that W. E. Stirling, secretary of the association, who is said to have charge of the Maritime playdowns as a member of the executive of the Canadian Basketball Association, had ordered the Mount Allison University team here last night after the Mounties had sought readmission to the playoffs. Earlier in the week the Mounties had defaulted to Newcastle giving as its reason that studies and exams would not permit them to proceed further.

Hollies made it plain that in his capacity as president of the association that the present schedule between Bachelors and Saint John 1934 Club go on with Saint John at Newcastle Saturday night and Newcastle at Saint John on Monday night.

Mounties, he said, had no right to be readmitted to the playdowns after defaulting to Newcastle.

## Ramblers Win Intam Eastern Section Title

SPRINGFIELD, Mass., April 2—Philadelphia Ramblers last night won the Eastern Section title of the International American Hockey League with a 5-0 win over Springfield Indians.

Victory gave Ramblers the sectional championships in two straight games. They won the opener of the best of three series on their home ice Tuesday night 3-0 and now meet either Pittsburgh Hornets or Syracuse Stars, the teams currently deadlocked at two games each in their Western Section playoffs.

Ramblers put on the pressure in the final period and crashed the Springfield defence for all their goals. After two listless periods, before a sell-out crowd, the New York Ranger farm-hands broke loose with an avalanche of successful raids.

After Philadelphia had scored twice on goals by Bryan Hextall of Winnipeg and Cliff Barton, the Quakers caught the Indians up the ice on quick breaks to easily beat Grant for three additional goals. Lloyd Roubell, Hextall and Clint Smith drove through for the easy counters.

LONDON, April 1—Great Britain maintained first place in the number of ships passed through the Suez Canal in 1936.

## Acadia Snatch Lead In Basketball Finals For Maritime Crown

### Defeat Saint John on Wolfville Floor --- Second Tonight

WOLFVILLE, N. S., April 2—Clinging to a first period lead the Acadia University cagers edged the Saint John Seniors, 28-24, for a surprising win in the first contest of the two-game, total-point series for the Maritime senior basketball title at the Acadia memorial gymnasium here last night. The unexpected victory came as a result of a series of scoring sprees staged by the homesters in the opening half and a successful defence of the early lead in the second session.

The second contest of the series will be staged at the same floor tonight, when the losers will be strengthened by George Andrews, classy forward who was missing from the lineup in tonight's contest.

Brown, Lawlor and Patterson were outstanding for the losers, with Lawlor stealing the show on most of the scoring drives of the Seniors, and Brown pulling off a brace of beautiful looping shots to beat the hoop for eight points.

Balcom and Haley led all point getters for the Acadians, with 13 points, and the stellar defensive work of Captain Ellsworth and Roy Lockhart who tied up the high scoring Saint John aces in the critical second session were features of the collegians' victorious performance.

The locals started off at a fast pace. A clever play to Lawlor nearly resulted in a score but the ball was carried back into the Saint John zone. Play roughened and Lawlor, big visiting centre, scored on two foul tries. Cann, flashy Axeman, brought the score to 2-1 on a foul loop and Ellsworth evened it up on another free attempt.

Then Ganderton counted on a field throw from the side. Haley made it 4-3 on still another foul try and Brown used the same means to put the New Brunswick champions three up. Cann scored for the Collegians and the score went to 6-4.

Suddenly the Saint John guard system cracked wide open. Haley, star Acadia centreman, went the length of the floor to find the hump and Balcom followed him. Haley scored once again and Ellsworth brought the capacity crowd to their feet on two beautiful field lobbs. Before the whistle Lockhart counted on two more baskets and the score shot to 18-6.

Intermission gave the Saint John squad a chance to recover and Brown and Patterson scored on two foul shots and Balcom clipped the circle in a similar way.

Lawlor Is Banished  
Then Haley got his third field goal of the night and Balcom another foul shot for the N. S. champs. Lawlor and Brown brought the score to 22-12 on two more push shots under the basket. Ellsworth found the basket once again for the Axemen, and the same duo, Lawlor and Brown, sent the score to 23-16 on long tosses after Lockhart scored a field goal for the locals. Sullivan, Patterson and Ralston scored in succession and the Collegians held only a three-point lead.

At this point Lawlor was banished from the game by the personal foul route and soon afterward Acadia's Roy Lockhart went off for the same offence. Haley, Balcom and Ellsworth each scored on penalty shots while Brown and Patterson got the last scores of the evening, sinking the leather on two more foul tries.

Acadia: Forwards, Balcom 5, Cann 2, DeWitt, MacIntosh, Roddan; centre, Haley, 8, Bayne; guards, Ellsworth, 7, Lockhart, 6, Wilson.

Saint John: Forwards, Ralston, 2, Sullivan, 2, Patterson, 4; centre, Lawlor, 6; guards, Brown, 8, Ganderton, 2, Hollies.

I call it the  
"Friendly" Smoke!

Rosebud is a pleasure smoke all the way. It has fragrance, coolness and everything else that a GOOD pipe tobacco should have. If you're particular about what you smoke, men, try Rosebud—the "friendliest" tobacco you ever packed in your pipe.
