#### Dysart, Bordage Only Two Survivors Of 1917 Election

Twenty-one years ago today the Liberal party in New Brunswick led by Hon. W. E. Foster now president of the Senate of Canada, was returned to power in this province. Now after twentyone years have rolled around and the New Brunswick Legislature of today opens on the twentieth anniversary of that election. We find only two men sitting in the House who were elected in the election held in February 24th, 1917. These two men are Hon. A. A. Dysart, Premier of the Province and his colleague A. J. Bordage, both of whom have represented Kent County continuously ever since 1917. It is probably a record in Canada that two representatives have been continued

session after session to represent the same constituency for so long a time. The late Hon. Dr. W. F. Roberts who passed away a few days ago was also elected in the Foster election of 1917, but Dr. Roberts was out of the House from the defeat of the Veniot Government in 1925 until the return of the Dysart Party in 1935.

#### Premier Pays **Tribute To** Public Men

At the Legislature this afternoon Premier Dysart moved a resolution expressing the sympathy of the House on the death of the late Hon. Dr. W. F. Roberts, Minister of Health and Labor. Premier Dysart in moving the resolution also paid a fitting tribute to the late Sir J. Douglas Hazen, former Conservative Premier in the local Legislature and later Chief Justice of New Brunswick, and to William M. Ryan, M.P. for Saint John-Albert, both of whom passed away within the last couple of months. All of these gentlemen had held a prominent place in the community and all had helped to take part in the public affairs of their native province. In addition to being a former Premier and Chief Justice, Sir Douglas Hazen had held the important position of Minister of Marine and Fisheries in the Federal Cabinet at Ottawa. The late Mr. Ryan during his short term at Ottawa, did his part to promote the interests of his native city and of this province.
