COMMITTEE

(Continued from Page One)
bodies in which no political considerations entered. The committee was essentially of a judicial nature, its purpose being to weigh the nature of a measure to see if it was in the public interest to adopt it. In three years of his experience he had not seen politics enter into the committee meeting. The criticism referred to Mr. McAllister resulted from the motion adopted last week by the Committee for the accompaniment of a financial statement with all municipal money bills. Hon. Mr. McNair felt that the St. John Member's statement should be withdrawn.

Defended Remarks

Mr. McAllister defended his remarks, stating that he had merely quoted from the press and that he had nothing to withdraw. He felt that the municipalities committee was not the proper body to carry on municipal business. Municipalities were themselves capable of executing their own affairs.

Hon. Mr. McNair stated that Mr. McAllister had made use of the views of the newspaper in question. He moved that in the view of this committee, Mr. McAllister's remarks should be withdrawn. The motion was seconded. Remarks enquired upon the rights of the committee.

Would Not Withdraw

Mr. McAllister insisted that he was within his rights and would not withdraw his remarks until convinced of his error even though it cost him his seat in the House. Until convinced that he was wrong he would withdraw nothing.

Mr. Blakeny regretted that a wrong impression had been given by Mr. McAllister and the press in the matter.

Mr. McNair sincerely regretted that Mr. McAllister felt the possibility of resignation and withdrew his motion rather than place Mr. McAllister in this position. This was seconded by Dr. Dyas of Charlotte Co.

Three Bills

The committee this morning considered three Dalhousie bills. A delegation from the Town attended on the meeting. The first was a bill to amend the Town of Dalhousie Assessment Act. The object of the bill was to alter the present practice of continuing the tax discount period up to September first, at two per cent, by making a shorter discount period at four per cent up to end of May 31st. After this date all balances remaining unpaid to be subject to interest at one-half of one per cent per month until full payment. The bill was reported with amendments.

Two other bills, one to authorize the Town of Dalhousie to issue debentures for the purpose of construction of pavements and sidewalks, and another to authorize the town to pay the Mayor and Aldermen for their services in semi-annual instalments were considered. These bills occasioned the reading of a petition from Dalhousie citizens protesting against authorization of these expenditures. The petition requested the right to vote on these borrowings. A counter petition signed by a group of merchants and ratepayers was read. This petition approved of proposed expenditures, on the grounds that the proposition was urgently needed in view of conditions. A delegate defended the financial condition of the town. The bill relating to payment of salaries had been brought up by ratepayers who approached various members of the Council. This bill was laid aside until 2.45 o'clock this afternoon in order that the Dalhousie delegation might obtain additional information from the town council with regard to their attitude toward certain clauses in the measure. The former bill, authorizing issue of debentures was reported with amendments.

Afternoon-Tea
One of the most enjoyable teas of the season was held yesterday afternoon by Mrs. McNair, wife of Hon. J. B. Quantities of early spring flowers added charm to the rooms and the hostess was assisted in receiving by her mother-in-law, Mrs. Jas. McNair.

The dining-room table was handsomely appointed with a lace cloth and a floral centre of pink roses in a silver basket with pink tapers in silver candelabra at each end of the table. C. W. L. Meeting

The monthly meeting of the C. W. L. was held on Tuesday evening March 15th with the President in the chair and a very large attendance of members. The meeting opened in the usual manner with the special prayer of the society. Satisfactory reports were then given by the conveners of the different committees, five dollars was voted for the "Y". Mrs. L. F. Cain, convener for the telephone bridge reported that the sum of \$82.50 had been realized.

The president, Miss Nan Kelly gave a report on the progress made for the convention which will be held in Fredericton in the fall.

The program consisted of an address delivered by Rev. Dr. J. H. Milligan on his visit to Ireland in 1924. Many little amusing and personal incidents were told in connection with the trip. Father Milligan also expressed his deep regret at severing his connection as chaplain of the society and expressed the wish that the society would carry on always with the enthusiasm and success with which it was started. Miss Nan Kelly gave a very clever reading of one of Thomas Moore's psalms and then in a very feeling manner she referred to the loss the society would sustain in the removal of Dr. Milligan from Fredericton. After the singing of the National Anthem the meeting adjourned.

Charlie McCarthy, Very Black, Asks and Gets One More Chance

NEW YORK, March 16—A one-legged negro booked as Charlie McCarthy, 28, appeared before Magistrate Frank Oliver today on a disorderly conduct charge.

"What's in that bag?" asked the court, pointing to a valise in the prisoner's hand.

"Oh, that," said the negro, "that's black Charlie McCarthy."

He reached in and pulled out a ventriloquist's dummy, very black.

"Can he do anything?" asked the court.

"Him? Sure, he can whistle, sing and talk. Listen, Judge."

The dummy sang, "Just One More Chance."

"Well," said the court. "Case dismissed."

"Thank you, Judge," said the prisoner, who had been arrested for sleeping in an elevated station.

"Thank you."

"That goes for me, too," said the dummy.

Sudeten Germanism, he declared, refuses "to wither in the confined space allotted it." Its will to live is strong, he said, and the party organization is its weapon in political battle.

"The Czech Government should be under no delusions as to this fact," he added.

"At this hour all we wish to say is that it would be politically wiser to create voluntarily a situation which gives no cause for complaint (by the Sudeten Germans). The advisability to adopt such a new course is now patent to all."

Radio Caution on COLDS, GRIPPE

A REPRINT of the health advice broadcast over 27 Canadian stations by the makers of "Aspirin" tablets during the present outbreak of colds and grippe.

If you have the slightest suspicion you have a fever, or feel the symptoms of grippe . . . CALL YOUR DOCTOR. Get medical advice on what is the matter with you. Don't attempt self-diagnosis.

At the same time; at the very first indication of a cold, take two "ASPIRIN" tablets with a full glass of water immediately.

This provides QUICK INTERNAL MEDICATION to relieve the symptoms of your cold at its very beginning.

Then . . . crush and dissolve three "Aspirin" tablets in one-third of a glass of water and gargle with this mixture twice. This puts

a potent medicinal gargle into direct and immediate contact with the delicate membrane of the throat, and acts to allay irritation and rawness promptly.

Stay indoors if possible; avoid chilling. Drink plenty of water, and citrus fruit juices — oranges and lemons. This frequently hastens recovery.

And — remember — if you feel that you're getting grippe, Call Your Doctor.

"Aspirin" tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited, of Windsor, Ontario. Look for the name Bayer in the form of a cross on every tablet.
