TOBACCO

is naturally GOOD!

Good tobacco is mellow and fragrant by Nature, but some tobaccos are naturally better than others.

None but the choicest of tobaccos are used in the manufacture of Winchester Cigarettes, and these are blended right, through a knowledge of cigarette manufacture which has come after many years of experience.

There is something in knowing how to make cigarettes.

BATHURST NEWS

Miss Marie White, daughter of Jacob White and the late Mrs. White expects to leave on Feb. 1 for Halifax where she will enter the novitiate of Mt. St. Vincent at Rockingham. Miss White will be accompanied to Halifax by her aunt Mrs. A. J. McIntyre.

L. Giroux of Quebec City, is in town. Mr. Giroux has many friends in Bathurst, he having formerly been manager of the Provincial Bank here.

Friends will regret to hear that Miss Florence Baldwin recently underwent a serious operation at the Sir James Dunn hospital.

Dr. C. J. Veniot M.P. for Gloucester has gone to Ottawa for the session.

Mrs. J. L. Neville left for her home in Fredericton after spending a few days with her sister Mrs. H. A. Melanson and Sheriff Melanson.

The weekly bridge and tea held on Saturday afternoon at the Curling rink was a splendid success. There were several tables at play, there being several out-of-town visitors including the members of the Gloucester County Council. A program of music and vocal solos was carried out with Mrs. Brian Mullins at the piano and A. Robichaud councillor of Shippegan rendering vocal solos.

The hostesses this week-end were Mrs. A. J. McIntyre, Mrs. Ruby Lutes, Mrs. Eldon Eddy, Mrs. Edmund Legere, Mrs. A. T. Toner, Miss Katherine Densmore, Mrs. Alphonsine Trudel.

At the High Mass at the Sacred Heart church yesterday, the pastor, Rev. D. Robichaud gave out the financial statement of the parish for the year. Both revenues and disbursements were slightly over \$10,000, leaving a favorable balance of over forty dollars.

J. G. Robichaud of the Old Age Pension Commission of Fredericton motored to Bathurst during the week-end. Mr. Robichaud who is here in connection with his department reported the roads in splendid condition for motoring. He made the trip from the capital in five hours.

Many friends will regret to hear that Mrs. H. A. Melanson is confined to her bed with an attack of pleurisy. Mr. and Mrs. Edmund White entertained the bridge club of which they are members over the week-end.

Mrs. J. W. V. Lawlor of Saint is the guest of C. M. Mersereau, editor of the Northern Light and her sister Mrs. Mersereau.

At the Tuesday ladies Bridge Club at the Curling Rink the recent winners were Mrs. Edmund White and Miss Eileen Mullins.

In honor of Mr. and Mrs. Duncan Noble who were recently married, Miss Eleanor Ellis and Miss Marjorie Copp were recently joint hostesses at a bridal shower at Gatain's. About one hundred and fifty guests were present and a program of dancing was enjoyed, music being provided by an orchestra. Supper was served, the table being centred with a tiered wedding cake which was surmounted by a miniature bride and groom. Pink and white streamers were extended from the ceiling to a wedding bell which was over the table. The honor guests received a large number of useful and pretty gifts. Mrs. Noble was before her marriage, Miss Ursula White, daughter of Mr. and Mrs. W. G. White.

would not comment on the matter further than to admit that Corporal Dugald H. Tozer, fingerprint and photograph expert of the R.C.M.P., was called into service by the City Police today in connection with the investigation which that body has been carrying on in connection with the different breaks. According to reports no arrests have been made today. A report that the Elks Club had been broken into could not be verified. The City Police made the statement that they had no information in connection with the matter and the Club officials stated that while the rear door had been apparently forced open, nothing about the premises seemed to be missing.

Break in Devon

A break was made in the Town of Devon in the home of George Bailey when burglars used a double-bitted axe to smash down a door and make a get-away with two watches and \$14 in cash. The house was thoroughly ransacked, both upstairs and down. Town Marshall Leo Hayes and R. C. M. P. are investigating this latter break, and although they have questioned several people, Mr. Hayes stated today that there were no new developments in the case.

These are only a few of several breaks made in this city during recent months. In most cases no successful action has been taken.

ARRIVED TODAY

Premier A. A. Dysart, Hon. A. C. Taylor, minister of agriculture, and Major W. C. Lawson, M.L.A., have arrived in this city to attend the conference of the Liberal party which begins tomorrow. Other members of the cabinet and legislature are expected this evening and tomorrow morning. Many advance reservations have also been made at the Queen by delegates attending the other conferences meeting here this week.

Sunlight or Moonlight Now Come Into Living Room At Flick of Switch

By Jean Prentice

A fresh note of modernism is injected into this Chinese Chippendale living room through the installation of a concealed lighting unit recessed behind the curtains. The effect produced is that of warm sunlight streaming through the window.

THERE seems to be simply no limit to the ingenuity of these lighting people nowadays. A press of a button, and they give you daylight, sunlight, or moonlight at any hour of the day or evening—right in your own living room. And it's almost laughably simple! Lighting panels built into hidden places produce the effect. They are often used over the latest kitchen sinks, although in such cases, ordinary colorless bulbs are employed. Recently this type of lighting has become quite popular in living rooms, particularly where there is a bay window.

Easily Installed

The lighting unit itself consists of a metal box, approximately thirty inches long, six inches wide, and seven inches high. It contains three 40- or 60-watt bulbs, depending upon whether you have light or dark shades. The amount and color of light desired also determines the number of bulbs. Flashed opal glass is used at the bottom of the unit to diffuse and soften the light.

There are two ways of installing

Choice of Colors

Where there is no space between the draperies and curtains, a row of small 10-watt bulbs or several luminaire lamps may be mounted behind the valance or curtain cornice. The wiring can be so arranged that a choice of colored light is simply a matter of which switch is pressed.

In these modern times, there's no need to permit the original architectural limitations of a room to stand in the way of modernity. And you'll find that the modest investment yields ample dividends in the added enjoyment you derive from your home.
