SERVICES IN CITY CHURCHES SUNDAY

Wilmot Church Broad- cast In The Morning; Many Interesting Sermons

A large attendance listened with interest to the various sermons yesterday in the city churches. His Honor Dr. Murray MacLaren, Lieutenant-Governor of New Brunswick, attended the morning service at Christchurch Cathedral. Very Rev. Dean W. H. Moorhead conducted both morning and evening services at the Cathedral. Rev. K. H. Fairweather preached at 11.00 o'clock in the morning at Christchurch Parish Church and Ven. Archdeacon S. C. Gray preached in the evening. The morning service at Wilmot United Church was broadcast the theme of Dr. J. W. Bartlett's sermon being "The Recovery of Balance". The preacher declared that we need a principle of balance in human life, a balance between authority and freedom. Dictatorships are unbalanced. In a democracy we believe in both freedom and authority. In the evening Dr. Bartlett spoke to the young people using as his theme, "You're Only Young Once". Detailing the proper use of youth, he pointed out that youth faces many crises of life, the choice of a partner, of friends, and the formation of habits.

Rev. John Linton, speaking in the morning at Brunswick Street Baptist Church, spoke on "Lenten Sin", maintaining that a few years ago we lost our sense of sin through an easy-going attitude toward life and the rapid increase of freedom; but that we are now regaining our sense of sin because we do not take life so easily and freedom is disappearing. We as individuals have a tendency to "pass the buck" he maintained, and as a nation we pass the buck to other nations. We also see sin in others not perceived in ourselves. In the evening he spoke on "The Cross That Must Be Accepted."

Speaking on "The Church Protests" Rev. George Telford, at St. Paul's United Church in the morning told the story of the reformation. In the evening he spoke on "The Day After". "The Pew Preaches to the Pulpit" was the subject dealt with by Rev. C. Harry Atkinson in his morning sermon from the pulpit of the Brunswick Street Baptist Church. He gave marked emphasis to the fact of Jesus in history and the need to study this event. He then passed to the moral issue which inevitably follows such a consideration. We must decide what we are to do about it. Dare we give Him our vote by casting in our life to make his ideas prevail. Then there is that other aspect of explaining his origin the why and wherefore of his unique quality of life and mind. "God was in Christ reconciling the world unto himself" was the conclusion arrived at.

At the evening hour Mr. Atkinson spoke on "Highways in the Heart". Here he gave a study of human personality in which he compared it to a city whose many roads went out to bring in the raw materials of life and then having given them the shaping quality of its central life, sent them out to bless or to blight human existence. The plea here was to permit our personalities to be used by the great ideas and causes which could then but be given right of way in our lives would shape us to nobility and remake the world.

GOLDEN WEDDING ANNIVERSARY AT DOUGLAS HARBOR

Mr. and Mrs. Samuel Colwell Married 50 Years Ago at Green- field

A very happy gathering took place
on Saturday, March 5th, at the home
of Mr. and Mrs. Percy Clark, the oc-
casion being the 50th anniversary of
the marriage of Mr. and Mrs. Sam-
uel Colwell the parents of Mrs. Clark.
The bride of 50 years ago was Miss
Susanna Styles of Centreville and
they were married at Greensfield by
Rev. J. B. Clark, and resided at Cen-
treville for a little more than a year,
removing from there to the farm on
which they have lived ever since.
Eleven children were born to them,
eight sons and three daughters, of
whom seven sons and two daughters
are still living. They have also 21
grandchildren and one great-grand-
son.

A surprise party was given them
at which they were presented with a
lovely bride's cake and a handsome
Aladdin reading lamp by members of
the family. Owing to the sudden ill-
ness of one of the guests the dance
which was to have been a feature of
the evening's entertainment was
postponed until Monday evening,
when a large crowd again gathered
for a very pleasant time. Delicious
refreshments were served at both
parties.

GOLDEN WEDDING, March 5th,
(1888-1938)

Years ago they two were married
In the time of youth's hey-day
We are come to give them greeting
On their Golden Wedding Day.

Many years of honest labour
Often fraught with many a care
Loving toil each for the other
Each the other's burdens share.

Many sons blessed them and daugh-
ters
Filled their table running o'er
But no friends and never stranger
E'er went hungry from their door.

Kind hands ever giving service
Kind hearts ever giving cheer,
To the lonely, sick and weary,
To the neighbour far and near.

Children, and their children's children
Cluster round about two-score,
While a lusty young great-grandson
Make of generations four.

So we greet the bride and bridegroom
Of the day so far away,
Wish them health and every blessing
On their Golden Wedding Day.

(Written for the occasion by Mary
Finch Davis).

Radio Caution on COLDS, GRIPPE

A REPRINT of the health advice broad-
cast over 27 Canadian stations by the
makers of "Aspirin" tablets during the
present outbreak of colds and grippe.

If you have the slightest suspicion
you have a fever, or feel the
symptoms of grippe... CALL
YOUR DOCTOR. Get medical
advice on what is the matter with
you. Don't attempt self-diagnosis.

At the same time; at the very
first indication of a cold, take
two "ASPIRIN" tablets with a
full glass of water immediately.

This provides QUICK IN-
TERNAL MEDICATION to re-
lieve the symptoms of your cold
at its very beginning.

Then... crush and dissolve
three "Aspirin" tablets in one-
third of a glass of water and gargle
with this mixture twice. This puts

a potent medicinal gargle into
direct and immediate contact with
the delicate membrane of the
throat, and acts to allay irritation
and rawness promptly.

Stay indoors if possible; avoid
chilling. Drink plenty of water,
and citrus fruit juices—oranges
and lemons. This frequently
hastens recovery.

And—remember—if you feel
that you're getting grippe, Call
Your Doctor.

● "Aspirin" tablets are made in
Canada. "Aspirin" is the registered
trade-mark of the Bayer Company,
Limited, of Windsor, Ontario. Look
for the name Bayer in the form
of a cross on every tablet.
