

CAPITALS SWAMP SENATORS 10-2 IN OPENER

COACH BILL LIFFORD PACES 1939 EDITION OF CAPITALS WITH TOTAL FOUR GOALS, AND ASSIST, TO WIN

Cameron Scored Three, With Other Two Going to Keenan and Morehouse, Latter Also Getting Five Assists—Good Crowd Present For Game

Paced by Playing Coach Bill Lifford who himself accounted for four markers plus an assist, the 1939 edition of the Fredericton Capitals last night swamped the St. Andrew's Senators under a 10-2 barrage of rubber in the opener of the Southern New Brunswick Hockey League staged in the Arctic Rink. Lifford banged in two counters before a minute and a half of play had skipped by to start off the tussle, while at the end of the second period the count stood at 3-2. The third period scoring spree lasted Goodell, the St. Andrew's net mender with an avalanche of Gutta Percha that surged the tally up several more notches.

Ragged Game
Ragged, wild, and disorganized hockey featured the encounter but pleased the fans. Both clubs iced teams that have been rapidly whipped into shape and showed the lack of sufficient workouts. In the opening stages the Senators held control of the puck a greater part of the time, but fast break-aways by the Capitals was responsible for the lop-sided count.

Forty-five seconds after the puck was dropped the front line of Morehouse, Keenan and Lifford gave the Senators their first set-back, with Lifford banging in a hard shot and the assists going to his two line-mates. Just 45 seconds after the face-off Morehouse carried the disk over the line and banged a shot at Goodell. Lifford caught the rebound and sagged the twines for the second time. The Senators kept the play in Fredericton territory most of the next few minutes. Thorpe drew a rest, and was followed by Hughes who was chased by referee "Shorty" Clark for boarding.

The first St. Andrew's score came at the 13 minute mark when H. McNichol took a pass from Graham and drove in a shot that totally fooled "Shorty" Staples, Cap net janitor.

Close Call
Play went ragged with the Caps missing another chance when Hughes sailed in over the line and fired a shot at the twines, bringing the Senator goalie out of the pipes. No one was around on the rebound. The score was nearly evened as the Senators swarmed in during the closing minutes of the frame and had the Capital goalie in a bad spot. Lifford cleared to the wing and the bell rang for the first breather.

Laskey was chased early in the second frame and the Capitals staved off an attack that kept the disk in their own dooryard all the time. Fredericton fans sighed as repeated shots brought Staples out on the ice in more than one pile-up. Half way in the heat Cameron tallied assisted by McIntyre and Haining to jump the tally to 3-1. The Capitals' back-checking began to show for the first time. Morehouse slid flat in front of the nets to save a Senator goal on a rebound, as the Capital goalie sprawled out of the crease after stopping a field shot.

Short-Handed
With Goodine warming the dock for kicking the disk without his stick McNichol scored the second and final Senator goal on a pass from McFarlane. Goodine was back before the end of the period.

Wild Third
In the wild third heat Lifford again came through with a tally at the 1:15 minute mark. Morehouse scooped up a loose rubber at centre ice and went through the defence and in on the net. With Lifford camped on top of the St. Andrew's net, he slipped a pass to the left winger who drove a hard shot past Goodell's shoulder.

Keenan scored the next with assists going to Hughes and Morehouse, to jump the count to 5-3. Laskey was chased to the cooler for tripping but the Caps held the Senators down as they ragged the play until the teams were back even. Nine minutes after the start of the heat Morehouse scored on a pass from Keenan and Lifford, while only 45 seconds later Lifford helped by Morehouse tallied another. With the count 7-2 a Senator goal was ruled out and play called back on an off-side. Cameron and McIntyre connected on the eighth

Attorney - General Opens League Here

Hon. J. B. McNair, Attorney-General of the province, iced the puck last evening just before the opening of the Fredericton-St. Andrew's game to officially open the 1939 hockey season in this city. The game, which featured a good attendance for the season opener and in view of the cold weather, was the first game of the Southern New Brunswick Hockey League here.

marker at the 15:15 mark, and at 18:30 Haining slipped Cameron a pass that was branded for another Capital goal. One half minute before the final bell McIntyre tallied on a pass from Haining, to wind up the tussle 10-2.

Wing-Canadian Game

Marked One In Book

They wrote one for "the book" when Detroit Red Wings defeated Canadiens 7-1 in Montreal on November 17.

Not the result of the game. But the fact that the result introduced one new net-minding face to the major league, caused a veteran backstop to be ousted, temporarily at least.

Wings won with rookie Harvey Teno as their net minder, making his first professional appearance due to the suspension of Normie Smith. Canadiens lost with veteran Willie Oude in the cage—and the next day Canadiens signed on Claude Burke, an Acadia French-Canadian, to replace the Welshman in their nets for the time being. Oude was given a holiday so that shattered nerves could be restored.

The goalie's life in big time hockey is no cinch. Although the season was in its infancy when these happenings took place, it was the third goaling shift of the season. Bruins had been without "Tiny" Thompson, their ace backstop, earlier in the race, because of injuries, and Brimsek, a rookie, filled in well in his place.

Claude Burke, the new Canadian figure, is the second goalie to go from the Quebec Senior Hockey league to a goaling job in the majors. The last was Dave Kerr, now starring in the cage with New York Rangers.

Their entry into professional hockey is eight years apart, for Kerr jumped to Montreal Maroons in 1930 from the M.A.A.A. team, which won the amateur title and Allan Cup the previous spring. However Kerr spent some time in the minors before rating a steady job in the N.H.L.

Burke, who comes straight up from the amateurs, was born in Oxford, N. S., is 23 years of age. He is five feet, 8½ inches and weighs 150 pounds. He has dark wavy hair and is a very personable youngster. He first attracted notice when he played for Moncton Red Indians in the junior playoffs in 1933. Since that time he has placed all his amateur hockey for Montreal teams. Canadiens juniors, Canadiens seniors, Montreal

Royals and for the past two seasons with Verdun Maple Leafs, the Canadian rookie farm team.

Joe Louis turns in tigerish displays to smash Max Schmeling into submission in the first round of their long awaited and much discussed return match last June, getting ample revenge for 12 round knockout.

Henry Armstrong sets fistic precedent by winning and wearing world ring crowns in three divisions. Won featherweight title from Pete Sarro; welterweight from Barney Ross. The sensational Negro added the featherweight by outpunching Lou Ambers. He abdicated the featherweight crown.

Max Bear punched his way back with an impressive victory over Tommy Farr.

Lou Nova became a ranking heavyweight contender by notching a seven-round technical knockout over Gunnar Berndt, generally ranked No. 2.

Solly Kreiger, veteran, further muddled situation by scoring upset over Hostak.

Fred Apostoli stops Freddie Steele, middleweight champ, in five rounds. Young Corbett, Fresno southpaw veteran, muddles situation with disputed decision over Apostoli.

Al Hostak wins N.B.A. middle crown by smashing Steele to one round knockout, but New York Commission refuses to recognize him until he beats Apostoli.

Fred Apostoli wins New York recognition as world champion in return bout with Young Corbett, by decisive eight round knockout.

John Henry Lewis successfully defends lightweight title against Al Gainer. Lewis signed to tackle Joe Louis for the heavy title in what would be the first all Negro match for the heavyweight crown in more than thirty years.

Tony Galento, swash buckling beer loving bartender, was named No. 1 contender. A dubious knockout over Harry Thomas soured Galento's ranking and future is doubtful.

DISCOVERY BRINGING QUICK RELIEF FROM PAIN TO MILLIONS

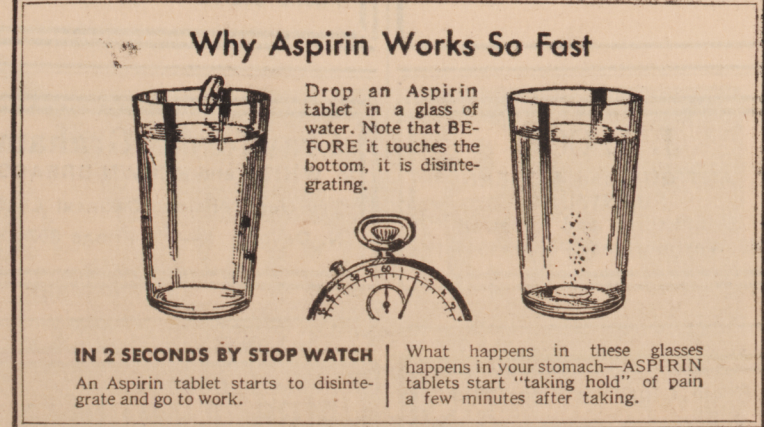

Remember the pictures below when you want fast relief from pain. Demand and get the method doctors prescribe—Aspirin.

Millions have found that Aspirin eases even a bad headache, neuritis or rheumatic pain often in a few minutes!

In the stomach as in the glass here, an Aspirin tablet starts to dissolve, or disintegrate, almost the instant it touches moisture. It begins "taking hold" of your pain

practically as soon as you swallow it. Equally important, Aspirin is safe. For scientific tests show: Aspirin does not harm the heart. Remember these two points: Aspirin Speed and Aspirin Safety. And, see that you get ASPIRIN. It is made in Canada, and all druggists have it. Look for the name Bayer in the form of a cross on every Aspirin tablet.

Eight New Harness

Billy Direct's Mark is Tops

Records In Past Year

NEW YORK, Jan. 4.—Six thousand trotters and pacers, racing for more than \$3,000,000 in purses during 1938, hung up eight new world records for speed and drew the largest attendance which the harness turf has seen in many years.

The eight new world marks were divided, with four held in the Middle West, two in the South and two in the Northeast.

Greyhound, in lowering the world trotting record to 1:55½, shaved three-quarters of a second from his 1937 mark.

Billy Direct, only 4, paced to a new all time harness horse record when he was clocked in 1:55 at Lexington, Ky. For 33 years, Dan Patch had held the honor of being the world's fastest standardbred. But 1938 saw him displaced by Billy Direct.

Bring High Prices
The year closed with the highest prices ever brought for the blue-blooded yearlings of the turf—the potential stars of next season and the year after. Walnut Hall Farm, Donerail, Ky., Hanover Shoe Farms, Hanover, Pa., and the Village Farm, Langhorne, Pa., all showed gains in their auctions of yearlings.

Eleven tracks, comprised the 1938 Grand Circuit, in this order: Toledo; Cleveland; Goshen, N. Y. (History Track); Old Orchard Beach, Me.; Agawam Park, Mass.; Goshen, N. Y. (Good Time Park); Springfield, Ill.; Syracuse, N. Y.; Indianapolis, Ind.; Reading, Pa., and Lexington, Ky.

The merger of the currently operating five parent trotting association, as of Jan. 1, is expected to promote the sport next year.

Outstanding Horses
Champions of the 1938 harness turf: 2 year old trotter—Nibble Stabler, 2:02½, owned by Aiken, Stables, Aiken, S.C. (Dunbar W. Bostwick and Mrs. Ogden Phipps, of Aiken and Old Woodbury, L.I.); and Peter Astra, 2:02½, owned by Dr. L. M. Guillinger, Andover, O.

2 year old trotter—McLin Hanover, 1:59¼, owned by Hanover Shoe Australia.

Farms, Hanover, Pa., at time of record; since sold to Count Paolo Magelli, Milan, Italy.

3 year old pacer—Chief Counsel, 1:57½, owned by B. C. Mayo, Tuxedo, N.C. (World record).

4 year old trotter—Dean Hanover, 1:58½, owned by Hanover Shoe Farm, Hanover, Pa.

4 year old pacer—Billy Direct, 1:55, owned by Dan McConville, Ogdensburg, N.Y., and Pat Dowey, Worcester, Mass. (World record for any age).

Aged trotter—Greyhound, 1:54½, owned by E. J. Baker, St. Charles, Ind. (World record).

Aged pacer—Her Ladyship, 1:56½, owned by E. J. Baker, St. Charles, Ill. (World record). Since record sold to New Zealand.

Other notable feats of 1938 were: Rosalind, aged trotter mare, 1:54½, owned by Gibson White, Lexington, Ky. (World record for mares). Lone Ace, aged pacer—gelding, 1:59¼, owned by Thomas Thomas, Cleveland, O.

Nate Hanover, 4 year old gelding, 1:59, owned by I. W. Glendon, Williamsport, Pa.

Little Pat, aged pacer gelding, 1:58½, owned by Homer D. McCoy, Butler, Pa. (World's race record).

Spindell, aged trotter, 2:02½, owned by W. R. Hayes, Duquoin, Ill. (World's record for race on half-mile track).

Dell Frisco, 3 year old pacer gelding, 1:59¼, owned by J. J. Mooney, Fremont, O. (World record).

Cardiff, Wales—Crowds at Welsh rugby matches are getting smaller and critics are urging teams to make matches attractive by playing more open games.

Melbourne—Dr. Alan Robertson, chairman of the Australian Cricket board of control, welcomes 30 hour cricket tests for England but opposes the time limit idea for games in Australia.

"Listen, Mr. Picobac," said Les

Razor in hand, Les Sharples, proud proprietor of the original two-chair barber shop of Essex Centre, paused and declared, "Nobody trusts a mugwump. You never know which side of the fence he is on."

"I'm not talking about mugwumps," replied Mr. Picobac brushing the blue smoke aside. "I'm talking about keeping an open mind. An M.P. should vote and smoke as his conscience guides."

"You always smoke the same kind of tobacco, I notice," continued Les.

"You bet I do," rejoined the Burley philosopher. "I smoke Picobac, the pick of Canada's Burley Crop, grown in Sunny Southern Ontario. I like a mild, cool... sweet smoke. The more I smoke it, the better I like it. But I'm open-minded. You show me anything better and I'll try it; but you can't do it."
