**PROVED WAY  
TO TREAT COLDS**

Doubly proved—in world's largest  
colds-clinic, and by everyday use in  
more homes than any other medi-  
cation of its kind. No  
"dosing." Just mas-  
sage VapoRub on  
throat, chest, and  
back at bedtime. Re-  
lief begins almost at  
once. And long after sleep comes,  
VapoRub keeps right on working. Its  
poultice-and-vapor action loosens  
phlegm, relieves irritation and  
coughing, helps break local conges-  
tion. Often, by  
morning the  
worst of the  
cold is over.

**BUSTER CARROLL,  
MAXIE BERGER  
ARE SIGNED**

NEW YORK, April 14.—If New York fans take a liking to a fighter, he can find plenty of work hereabouts and Maxie Berger, lightweight champion of Canada from Montreal, is one puncher enjoying that spot today.

Coming back after two defeats at the hands of Wes. Ramey, clever Michigan veteran, Berger scored an eight-round decision over Johnny Rohrig and scarcely had his mittens off before he was signed for another fight.

Matchmaker Max Joss immediately had Berber sign articles to meet Buster Carroll of Lowell, Mass., in the feature Broadway Arena event next week.

Rohrig, lightweight champ of New Jersey, bothered Maxie for only the opening round with his awkward style. From there on Berger went to work with his whip-like left hand and smashing right to win without much trouble.

Berger came in at 139¼ pounds with Rohrig at 139.

**EDITOR'S NOTE**—Carroll is well known in Fredericton having fought "Irish" Jimmy Boyne here. He also married a Fredericton girl.

April 14.—Alderman Walter B. Caswell received a threatening letter and a .22 calibre cartridge yesterday as a warning not to express himself again on Nazi activities in Western Canada. Alderman Caswell discussed Nazi activities in Western Canada at a Vimy dinner last Saturday. The letter threatened injury or death to some member of his family. He said he did not need police protection.

**"Listen, Mr. Picobac."**  
said Les

Razor in hand, Les Sharples, proud proprietor of the original two-chair barber shop of Essex Centre, paused and declared, "Nobody trusts a mugwump. You never know which side of the fence he is on."

"I'm not talking about mugwumps," replied Mr. Picobac brushing the blue smoke aside. "I'm talking about keeping an open mind. An M.P. should vote and smoke as his conscience guides."

"You always smoke the same kind of tobacco, I notice," continued Les.

"You bet I do," rejoined the Burley philosopher. "I smoke Picobac, the pick of Canada's Burley Crop, grown in Sunny Southern Ontario. I like a mild . . . cool . . . sweet smoke. The more I smoke it, the better I like it. But I'm open-minded. You show me anything better and I'll try it; but you can't do it."
