### Rowe's First Pitch Strikes Out Mussolini

NEW YORK, Oct. 5 — When  
"Schoolboy" Rowe tossed up the  
first ball to put the World Series  
under way at Detroit Wednesday,  
he struck out Premier Mussolini.

An English translation of the  
marital address Il Duce delivered  
to his nation came across the  
trans-Atlantic air waves and  
went out over a nation-wide  
United States network. But it  
was game time in Detroit before  
the speech was finished and an  
announcer broke in with apologies.

Wild Fascist cheers from  
Rome went rasping off the air  
abruptly to be replaced by the  
raucous call, "Play ball!"

### BIG TEN ACTS TO PREVENT DRINKING IN GRID STADIA

CHICAGO, Oct. 5 — To the list of  
things with which alcohol won't mix  
—such as gasoline—the Big Ten conference  
universities unanimously had  
added another today—foot ball.

All were on record as determined  
to keep their stadia free this fall of  
the boisterous fans who get warm  
and noisy—by drinking hard liquor.

"There are few persons who would  
go to a theatre drunk and continue  
drinking in their seats," said L. W. St.  
John, director of athletics at Ohio  
State University. "We feel the same  
way about a foot ball game and intend  
to make every effort to control the  
situation."

At Minnesota, Athletic Director  
Frank G. McCormick ruled that persons  
appearing drunk would not be admitted  
to the Memorial Stadium and charged  
ushers and policemen to eject all  
offenders.

With an appeal to the sportsman-  
ship of Illinois followers Athletic Director  
George Huff made the same ruling.  
O. M. "Ossie" Solem, boss of  
Iowa's athletics forwarded to personal  
appeal to all alumni to leave their bottles  
at home.

"A black eye to foot ball," was University  
of Chicago Athletic Director  
Nelson Metcalf's description of stadium  
drinking. He and K. L. "Tug"  
Wilson, Northwestern athletic chief,  
said they would follow the Minnesota  
plan.

Michigan not only warned spectators  
against drinking but notified fraternities  
that if members indulged after games  
their fraternity houses would be closed.  
Purdue and Indiana announced  
intensified campaigns to stop drinking  
at their games.

Wisconsin, said Harry Schwenker,  
ticket sales chief, would have no direct  
ban on drinking but would eject promptly  
all offensively noisy drinkers.

## Tigers Squeeze Run In Eleven Inning Tussle

Win by 6-5 Score After  
Hard Struggle — Um-  
pires, Managers Differ  
—Detroit Won Game  
Twice.

CHICAGO, Ill., Oct. 5 — Out of a  
tempestuous blast of wintry weather,  
bitter arguments and basehits, Detroit  
Tigers, instead of the home-town  
Cubs, emerged yesterday as the team  
to beat in the frost-bitten battle for  
baseball's world championship.

The American League champions,  
fighting every step of the way, sur-  
vived a succession of discouraging  
developments to capture their second  
straight game behind the relief pitch-  
ing of Lynwood "Schoolboy" Rowe in  
11 innings that generated enough  
heated warfare to offset the biting  
breezes from Lake Michigan.

The final score was 6-5 as Marvin  
Owen, playing first base instead of  
the injured Hank Greenberg, tallied  
the winning run on Jo-Jo White's single  
off southpaw Larry French in the  
second extra frame.

The victory put Detroit in the lead,  
two games to one, and abruptly  
switched the betting odds as well as  
the pitching edge in favor of the American  
League pennant-winners. With  
four games as the maximum left, the  
next two here, the Tigers now need  
only two triumphs to clinch their

first World Series in five attempts.  
The Cubs must win three out of four  
to capture the big end of the money,  
but they are now distinctly back on  
their heels.

The National Leaguers went down  
fighting, so much that Manager  
Charley Grimm and Captain Elwood  
English were chased off the field for  
arguing too strenuously with umpire  
George Moriarty as climax of arguments  
in the sixth and seventh in-  
nings. They also saw their right-  
handed ace, Lonnie Warneke, fail to  
hold the Tigers during a four-run  
rally in the eighth that knocked big  
Bill Lee out of the box.

Carleton vs. Crowder Today  
Failing to hold off the invaders  
with Lee, Warneke and French, a  
trio of front-line flingers, the Cubs  
consequently are now reduced to the  
shock troops of the pitching corps.  
Tex Carleton, lanky right-hander who  
came from St. Louis Cardinals this  
year, was named last night to start  
the fourth game today.

In a position to gamble after tak-  
ing the lead yesterday, Manager Mick-  
ey Cochrane plans to start Alvin  
"General" Crowder, his veteran right-  
hander and come back with Rowe the  
following day, if there's a chance to  
settle the series in the fifth game.

Vote Clark for action.

## : SPORT SPOTS :

Today Fredericton's three rugby teams are playing their first contests  
of the 1935 season. But the local fans will have the privilege of seeing only  
one of them in action—that is the High School fifteen which is at home  
to the Rothesay Collegiate team in the Big Three opener here this afternoon.  
The other two teams will journey to Sackville and Saint John to play their  
first games of the year. City will play Mt. A. in an exhibition game and U.N.B.  
will stack up against the strengthened Saint John Trojans.

At the time of writing the actual starting lineup for the U.N.B. team  
was not known, but in all eighteen players will make the trip and will  
probably all be used in the game. Those who are expected to make the trip  
are Palmer, Eldridge, Scotcher, Jamer, McKnight, Pond, Weston and Wat-  
son as forwards; Captain Charlie Thomas, Copeland and Kilburn as halves;  
McKinnon, Inch, Cogle, McDermott, Wilson, Corbett and Coveney as three  
quarters; and Sleep as fullback. Coveney, who has been showing up well in  
practices is suffering from an injured ankle, but Burdo expects to use him  
sparingly in the game today.

As we watched the U.N.B. practice last night we noticed one man who  
might develop into the find of the season—he is Roy Brown, formerly of  
Springfield College, Mass., who turned out to get his first taste of English  
Rugby yesterday. Accustomed to the American brand of football the husky  
little Springfielder showed some fine form in handling the ball and in broken  
field running.

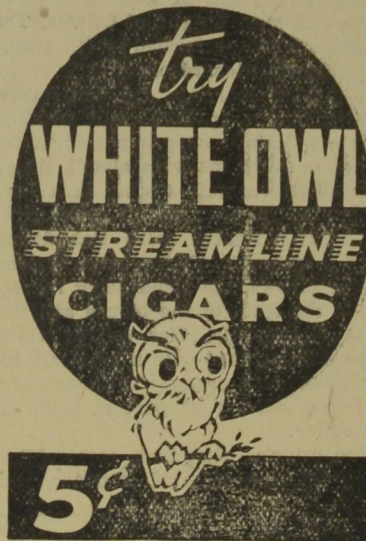

According to a report from the U.N.B. camp the Mt. A. rugger wants  
to play here on Saturday following Thanksgiving Day instead of on Thank-  
sgiving Day as previously announced. But the local collegians are standing by  
their original arrangement and wrote to Mount Allison to the effect that the  
game will have to be played on Thanksgiving Day. It seems that the Red and  
Black are determined not to break that old "Thursday Game" tradition.

It was also learned here today that if U.N.B. decides to enter competition  
for the McTier Cup they will play the winners of a game between Caledonia  
and Dominion No. 11. We did not hear anything about Fredericton City  
playing for the Cup. They had better get busy and register their applica-  
tion for entering competition.

The U.N.B. fall tennis tournament is well under way now and the first  
match of the semi-finals was played yesterday when Austin defeated C. N.  
King 4-6, 6-3 and 6-0. The tournament is in the nature of an elimination  
contest to determine who will represent the university in the Maritime Col-  
lege Tennis Tournament.

Sport seems to be piling up this fall with tennis, football and base ball  
all coming in the same season, so we might as well say a word or two about  
hockey as we go along. Rumors have been afloat in Marysville for some  
time to the effect that a certain promoter there has been trying to form a  
hockey team composed of players from Devon and Marysville in an attempt  
to get a team good enough for competition in a revived York County League.  
This would be an excellent idea and one worthy of being carried out. There  
is plenty of material in Fredericton for two good teams and, we think, a  
three team league composed of the Marysville-Devon team and two teams  
from the city would provide some competition that might revive the hockey  
spirit of the community.

There is also a rumor afloat in the city that two young men prominent  
in the Cubs hockey team are considering taking over the Arctic Rink this  
winter. They are Bruce MacDonald and Brud Beatty. Here's hoping they do  
—the rink management has needed some young blood for many years.
