## FIRST MANAGER OF ROYALS WAS CHARLEY DOOLEY

MONTREAL, Sept. 10—The manager of the last and only pennant-winning Royals up till this year of triumph, the Royals of 1898, was Charlie Dooley, whom Ernest J. Lanigan claims was born in Paterson, N. J., on Aug. 3, 1868, and is living there now.

Dooley, therefore, was only 30 years of age when he played whipcracker to a flag winner. The season before, at 29 Dooley took over the job from George Weidman.

Despite his youth Dooley featured the old "handle-bar" mustache. Numerous sketches of him can be found in the Star's files of that period, with the well-ambushed upper lip prominent in each.

Charlie Dooley was a Hamilton college graduate and did his first pastime for Bradford of the Pennsylvania League in 1887. In his early days he was an associate of George Stallings and on Southern, California and Texas League clubs you'll find Stallings catcher and outfielder and Dooley the first baseman, with one or the other managing.

Dooley's first managing was done at Galveston in 1889. He was one of the players transferred from Rochester round July 17, 1897, after fire destroyed the stands there. George (Stump) Weidman, ex-National League pitcher, was the first Montreal manager, giving way to Dooley on August 11.

## Harness Racing At Fair Today

Three Big Events On Opening Day's Card—Great Array of Horses.

Today the big racing program at the exhibition gets underway with three classes on the card. Horses for three classes of the card. Horses for the keenest of competition will be witnessed by the race patrons.

The first class on the race card for today is the 2.18 trot with five of the best trotters in the Maritimes ready for the word. The three provinces are represented in this class and the rivalry is keen.

The junior free-for-all looks like one of the outstanding events on the card for the week. Five good papers, all capable and miles better than .06, will be in this event.

The junior free-for-all has an international flavor, in that three of the contestants are from Maine, one is from Cape Breton and the other is from Saint John, N. B. The New Brunswick entry is Betty S., from the stable of C. M. Alexander, and judging from past performances on the Fredericton and other Maritime tracks, much may be expected from her.

The 2.18 trot and pace, the third event on the card, will parade the largest field of the day, and while the event was made for both trotters and pacers only side-wheelers have been declared in to start. Three starters in this race are from Nova Scotia, three from Maine and one is from New Brunswick. Abner T. Clegg, the new one in the stable of Frank Adams of Halifax, is fancied by many as he has won both his starts for his new owner but there are a couple of pacers in this event that he has not met before, and they are well able to defend their laurels on any track.

## BROWNELL HURLS KIWANIS TO THE N. B. TITLE

ST. STEPHEN, N. B., Sept. 10—Behind the five-hit pitching of Cecil (Lefty) Brownell, St. Stephen-Milltown Kiwanis, Maritime champions, annexed consecutive New Brunswick senior baseball title here yesterday with an impressive 8 to 2 victory over the Saint John Trunks.

The game was the third and last of the final series for the championship. Kikanis having taken three in a row of the scheduled best of five. They nosed Trunks in the opener at St. Stephen 6-5, then battled to a 2-1 victory over the Maroons on Labor Day at Saint John.

The Kikanis now await the five-game series with the winners of the Yarmouth Gateways-Dominion Hawks series for the Maritime title. The Gateways and Hawks are now in the Nova Scotia finals with the Yarmouth nine two games up. Yarmouth and Kiwanis hooked up in the Maritime finals last year.

## FOUR CANADIANS IN U. S. AMATEUR GOLF TOURNEY

CLEVELAND, Sept. 10—When the field troops hopefully away from the first tee at the Country Club here yesterday morning inaugurating the United States amateur golf title hunt, Sandy "Ross" Summerville, Canada's old campaigner and many times champion, will have Herman Hellman, of Los Angeles as his first round opponent.

The draw was announced late last night.

Jack Nash, Sandy's clubmate at London, Ont., will match opening shots with Don Morano, Bloomfield, N. J.

Joe Thompson, registered from Ancaster, Ont., will oppose Sidney Coltart, of Morristown, Pa., while Bud Donavan, of Winnipeg, last of the Canadian foursome, will enjoy a day of inaction. The Manitoban drew a first round bye.

If form prevails the Canadian bidders should prevail through the opening tussle. All of them have had more experience in national tournament play than their opponents. None of the Americans who will be tasting the opening fire of the Canucks is of the first rank prominence.

## BRITISH POLO TEAM DEPENDS ON ITS MOUNTS

Open Championship Starts at Meadow Brook Today.

NEW YORK, Sept. 10—The chances of the Hurlingham team of England in the open championship which starts at Meadow Brook today will depend almost entirely on their mounts. The British have a string of 36 polo horses here and the two postponements have given the handlers a chance to give them another week of training.

The British side with Captain M. P. Ansell, Eric Tyrell-Martin, Captain P. B. Sanger and Captain Humphrey Guinness, will play Laddie Sanford's Hurricane team in the opening game on Tuesday. Riding with Sanford will be Bobby Gerry, Bobby Strawbridge and Cooie Rathborne.

The British mounts are something of an unknown quantity. Two weeks ago in a match at Piping Rock against Long Island, the English horses were the first to tire, but a week later at Sands Point, the invading mounts showed great improvement and had so much speed and stamina that the Hurlingham team defeated Westbury, one of the open teams.

The majority of the English mounts are Argentine-bred with a few English bred. Captain Guinness rides one horse, Yorke, an American-bred, which is sixteen years old. The British mounts average older than the mounts which will be used by the Americans and most of them have had more experience on polo fields. Captain Walford, the Hurlingham spare, who is equally good at No. 1 or back, also has a 16-year-old mount, a black gelding, Black Pete, bred in Argentine. One of Captain Sanger's horses, a bay gelding, Cobb, is thirteen years old, and several of the British string are ten years old.

## WANT DOM. SKATERS FOR EUROPE '36

MONTREAL, Sept. 10—Champlain Provencher, well known in the past as an organizer of various sporting clubs for youngsters, in his present capacity of hon. secretary of the Amateur Skating Association of Canada, has received an interesting letter from Oslo, part of which is reproduced here:

THE OSLO SKATING CLUB  
Amateur Skating Association of Canada, P. O. Box 1292, Montreal, Canada.

Dear Sirs,—As you already know this coming winter Europe will be the place where the most exciting skating competitions will be arranged. The I. E. V. has decided that the championship for Europe in speed skating shall be arranged by our club, the 25th and 26th of January, 1936, in Oslo. According to the new regulations of the I. E. V. any skater of the world can compete also for the European championships, if he is a member of any club in Europe. After the European championship the world championship will be arranged in Davos and so the Olympic competitions will be held at Garmisch Partenkirchen, Germany.

The skaters of the United States will leave the States at the end of December to train in Oslo for the Olympic games, and we have also been in communication with the Japanese skaters who probably will go to Oslo too for training.

Since two years ago we have not had the favor of being in contact with your Canadian skaters. As you remember Alex. Hurd, of London, Ont., and Frank Stack visited us, and they became very popular here. As they arrived so late they had no time to get accustomed to the European style of skating, and we are writing this letter in order to know of your skaters are going to compete in Europe next year. If so we would recommend that you let the boys go to Norway for training, and we offer to assist them in the best way.

OTTAWA, Sept. 10—Blanket application to the United States of Canada's intermediate tariff, with additional concessions in the way of most-favored nation treatment, have been proposed to the government of that

## Horse Trainer On Dope Charge

ALBANY, Sept. 10—Ernest J. Seitas, trainer and owner of thoroughbreds, who was arrested two weeks ago at Saratoga Springs on a Federal narcotic charge, failed to appear today when his case was called before United States Commissioner Lester T. Hubbard and his bail of \$1,000 was declared forfeited. Seitas was arrested in connection with Dr. James E. Masterson, veterinary, of Far Rockaway, who was employed at the Saratoga race track. They were allegedly involved in the administering of a colic remedy containing morphine to horses in training.

## PAPA BAER IS ENTHUSED OVER SON'S TRAINING

SPECULATOR, N. Y., Sept. 10—Papa Jacob Baer, usually reticent concerning his noted son's training progress, was today about the camp's most enthusiastic member when Max completed his public stunts.

"There's no doubt in my mind now," said Mr. Baer, "that Max will meet Joe Louis September 24 in the finest condition of his career."

Baer was again witnessed in five rounds of boxing. Willie McGee and Tony Canela faced the former champion for two rounds each and Lou Scozza for one. Four rounds of exercises completed the exhibition, seen by a crowd of 700. Baer will conduct a similar session tomorrow and will rest on Monday. Buddy Baer continued light work today and on Tuesday will begin boxing for his September 24 bout.
