

JEWISH PEOPLE IN CANADA VOTE FOR DELEGATES

Are Electing Delegates
To 19th World Zionist
Congress

Twenty Votes Here

Polling Carried on Here
Last Evening; Votes
To Montreal

In conjunction with the election of delegates to the 19th World Zionist Congress to open in Lucerne, Switzerland, on August 12, Jewish people all over Canada including this city are voting this week. The Congress is the governing body of colonization in Palestine and is responsible for the building of the Jewish national home in that country. The Congress is held every two years and elects the executive to handle all Palestine colonization affairs.

Polling was carried on here yesterday with twenty votes being cast by Jewish people residing in this city. The polling place was at the rabbi's residence on King street, and Mrs. P. M. Levine was in charge of the balloting. Votes cast in this city will be sent to Jewish headquarters at Montreal.

The privilege of voting is given to all Jews over 18 years of age who have made a payment of fifty cents. Canada is entitled to five delegates and the people are voting a straight ticket for three different parties—General Zionist, N. Hadassa, Labor party and Mirachi. The last named is the orthodox party while the first one is the women's organization which takes care of hygiene and sanitary conditions in Palestine.

WILL ENGAGE IN MISSIONARY WORK IN NORTH

Rev. E. M. Baird, Chipman, Ordained to U. C. Ministry at Sackville

Takes Wife With Him

Miss Doris Bailey, This City, To Become His Bride on Saturday

Rev. E. M. Baird, of Chipman, a graduate of Pine Hill Seminary, this year's class, and also a graduate of the University of New Brunswick, was amongst the class of nineteen ordained to the United Church ministry at Sackville yesterday. Rev. Mr. Baird has been appointed United Church missionary amongst the Indians in the northern part of Manitoba, north of the Hudson Bay post of Norway House. He has engaged to remain a missionary in that territory for the next three years. The territory is a remote one in the wilds of Northern Manitoba about two hundred miles north of Lake Winnipeg.

Rev. Mr. Baird will arrive here on Thursday, and on Saturday afternoon will be married at Christchurch Cathedral to Miss Doris Bailey, daughter of Dr. George W. and Mrs. Bailey, University Avenue. They will leave on Saturday enroute to their far northern missionary home, stopping off at several points before they reach Winnipeg. At Winnipeg they will set out for the scene of their duties, where the young bridegroom will act as missionary and the bride will take over the duties of teaching the Indian children. Previous to their settling in their missionary headquarters they will spend some weeks at Norway House which is a Hudson Bay and also a Mounted Police post and there they will learn the Cree language, as this is the tribe of Indians amongst whom they will do their missionary work. It will be necessary for the young missionary workers to take full equipment of provisions and clothing supplies into the far north. This will be taken by train part of the way up Lake Winnipeg and then by boats across Lake Winnipeg and then overland for considerable distance.

Both Rev. Mr. Baird and his prospective bride, Miss Bailey, have hosts of warm friends in this city and elsewhere who will extend to them congratulations and best wishes and who will admire their missionary spirit. The young couple are possessed of liberal education, tact, and energy and both should be well qualified to make a success of this commendable work upon which they are entering.

Miss Bailey, who is a graduate in Arts of the University of New Brunswick, is also a teacher possessing a Grammar School license.

RETURNS FROM HOSPITAL

Many friends will be glad to hear that E. P. Dayton, who has been a patient at the Royal Victoria Hospital in Montreal for several weeks, returned to his home in St. John on Saturday. Mr. Dayton underwent a serious operation while at the hospital which was successful. Although his condition is much improved, Mr. Dayton will have to remain in bed for some time. Mrs. Dayton, who was with her husband during his illness, accompanied him home.

CLOGGED CHIMNEYS

On Saturday evening at 7 o'clock the local firemen were called out to the residence of Morris Shephard to clear out a clogged chimney. A clogged chimney was the cause of a slight fire at the home of Arthur Barton this morning at eight o'clock, and at noon a slight chimney fire occurred at the residence of Roy Cummings, George street. All fires were quickly extinguished and there was no damage.

INVASION OF ARMY WORM IN N.B. GARDENS

Entomologist Reports
Damage by Forest
Tent Caterpillar

Outbreak In 1933

Forest Fire Protection,
Silvacultural Management for Control

The forest tent caterpillar, sometimes called the "army worm" is now reaching the stage where it is causing damage in gardens and orchards and annoyance around houses, particularly in the country, according to announcement today by R. E. Balch of the Dominion Entomology laboratory here. Swarms of them are moving from the trees which they have defoliated in search of other food. They are crawling over gardens where they feed on rose bushes and other shrubs, but more particularly trees.

In New Brunswick, the caterpillars become numerous at periodic intervals of ten years or so in those parts of the forest where aspen poplar (Populus tremuloides) is the predominating tree. The reason for this is that large areas have grown up to aspen following destruction of the normal forest by fire and such areas are very favorable to the insect.

No permanent damage is likely to occur in New Brunswick to trees other than aspen poplar except, perhaps, where they are growing in mixture with the poplar.
