PROCLAMATION

bration a success.

A. J. McEVOY.

IN TWENTY-FIVE YEARS

py to join hands as one big family to years. celebrate the Silver Jubilee of the King George the Fifth the Governor- in the course of his address. Hazen. Many of these have passed has seen during the last twenty-five years the departure of such artists as Caruso, Sarah Bernhardt and Ellen Terry.

Tragedies have not been missing during the last quarter of a century. The world's greatest tragedy, the World War, or the "Tragic Mistake," prevailed from 1914 to 1918. In addition humanity was called upon to mourn over such tragic events as the Titanic disaster, earthquakes in Japan and China, the most disastrous flood Mississippi valley in 1927; the collapsing of the Saint Francis dam in

However, as a compensation many notable discoveries have balanced with saw the discovery of insulin by a young Canadian doctor, now Sir Frederick Banting. Progress in many ways has been made in relieving pain and in curing diseases. Television has been demonstrated as a success. The mode of travelling has been perfected to a high degree. The year 1927 saw Col. not attempt this year to deface the
