At the meeting of the Brunswick Street Baptist Young People's Union last night Rev. George Telford was the Guest Speaker. Taking as his text the words of David, "I will not offer unto the Lord my God that which doth cost me nothing." Mr. Telford challenged the young people with the question, "Did you get your religious convictions by thinking them out for yourself? Then you want to try," he said. "It is good for us to doubt religion as it makes us begin to think and in the end that which cost us serious thought will be of more value to us than that which cost us nothing." Mrs. W. T. Walker, the president, extended to Mr. Telford the thanks of the young people for his helpful message.

During the service Mr. Theodore Porter offered prayer and Miss Gertrude David, accompanied by Miss Gertrude Munro sang an appropriate solo.

Mrs. W. S. Carter who has been the guest of Dr. and Mrs. G. J. Trueman at Sackville has gone to Windsor where she will spend several weeks before returning to her home in Fredericton.

The first meeting of the Ladies Aid of Gibson Memorial Church, Devon, was held at the Parsonage last evening. A good representation of the ladies of the church was present. The first order of business was election of officers. The retiring president Mrs. A. D. Barnes, who has served for three years was tendered a hearty vote of appreciation by those present. In a few well chosen words she thanked the ladies for their support which had made the work enjoyable to her. While feeling she could not assume the responsibility of the leadership of the Ladies Aid another year she promised her successor her help and support in the work of the organization. On a ballot being taken Mrs. Alex. Burns was elected as President, Mrs. A. D. Barnes, vice-President, Mrs. J. J. Dickson Secretary and Mrs. H. J. Shields, Treasurer. Additional members of the Executive Mesdames W. W. Maxwell and R. Harvey. After other matters of business were disposed of, refreshments were served, several of the ladies assisting.

The first regular meeting of the St. Paul's Mission band was held on Monday afternoon with Mrs. T. H. Barry in the chair and a good attendance recorded. The meeting was conducted by Mary Murray the new president with Dorothy MacKay as the secretary for the coming year. Tidings from India were presented by several members and a very instructive talk of the work among the 'child widows' of India was given by Mrs. Barry, which was greatly enjoyed.

Miss Lillian Hovey of Saint John, who has been visiting in the city the past few days was the guest yesterday afternoon of Mrs. Marie Gallagher.

There was a large number of members present and four new members were admitted to the Circle. The president, Miss Annie McLaggan was in the chair and devotional service was conducted by Mrs. A. T. Murchie. Mrs. Mont Belyea

SKIING POPULAR NATIONAL SPORT

Railways and Hostleries Cater to Skiing Parties In the Mountains and Other Winter Resorts.

The popularity of skiing which has led to the opening of a training school in London, makes it interesting to recall that this sport was utterly unknown to most Europeans 40 years ago, according to a London newspaper writer.

Lord Conway, when describing his experiences in Spitzbergen no longer than about 1890, felt it necessary to explain in detail the nature and use of ski to his British readers, and did so with such gusto that probably he could register a claim to having first set his countrymen—and women—on the scent of a new winter amusement. He suggested the ski might be found useful in Alpine climbing and even ventured a prophecy that "ski-running might become a popular sport in Switzerland."

As late as 1890, the vision of skiing in Canada as sport was hardly conceivable. The word ski was almost synonymous to Scandinavia and almost limited to that northern country, its alluring interest to Canadians being practically unknown. Today, skiing in Canada takes first place among winter sports in all fashionable winter resorts. In Montreal, at Windsor Station, Place Viger or Bonaventure Station the sight of week-end skiing parties going away in gay costumes on skiing excursions is an interesting one. The Laurentians provide an ideal skiing playground for beginners as well as experienced skiers.

To spend the week-end in the Laurentians and enjoy the various winter sports offered to lovers of the Canadian winter at one of its many resorts is, to say the least, something to give one a thrill and something exhilarating.

Those who belong to winter clubs or who possess winter homes in the mountains will probably spend the week-end on the winter playgrounds. Hotels offer every convenience to the skier guests. Old Quebec city presents every inducement to those who are whilst excursion trains to the ski amateurs of the Norwegian sport grounds provide special skiers' cars, and point the way to the best skiing grounds. Competent instructors can also be readily obtained. We read of one skiing instructor of international fame, Maupas, who last year established a precedent on opening the official skiing season on his territory. He invited all his student skiers to come to divine service in the chapel in the mountains and also have their skis blessed, the pastor entering wholeheartedly into the spirit of the enjoyment of his young people, though not unmindful of the hazard ever present and reminding them of the need of judicious care for safety.

Our own capital city of Fredericton can boast of its quota of skiers. After a snow fall carpeting College Hill at the back of the city, with the blue sky gleaming without a cloud, a number of skiers can be seen enjoying this national sport which with the proper care is relaxing and wholesome and helps to create a sound mind in a sound body. It is our national winter sport.

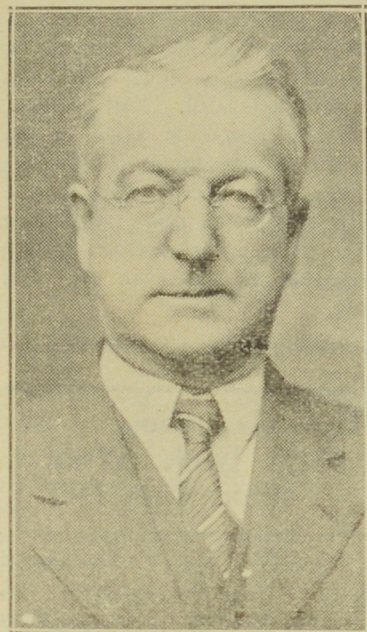

and Mrs. H. Woods continuing the story of Drummond's essay, "The Greatest Thing in The World" occupied the first part of the session. Election of officers was held and the following were elected: President, Mrs. Mont Belyea; Vice-president, Miss Annie McLaggan; Secretary, Miss Ada Wiley; Treasurer, Mrs. I. McKnight; Corresponding Secretary, Mrs. Roy Cameron. A special service welcoming the new members and admitting them to The Order of the King's Daughters was conducted by Mrs. C. A. MacVey. Reports were given on the Christmas baskets and work. Annual reports showing work done during the year were also presented. Money was voted for a needy family and clothing also provided. Miss Lena Cook will act as Recording Secretary during Miss Wiley's absence due to illness. The meeting closed with The King's Daughters' Prayer.

Miss Helen Ryan expects to leave in the near future for Florida where she will spend the winter with her sister, Mrs. Eugene Powers and Mr. Powers.

CITY PLANS ON EXTENSIVE PAVING PROGRAM FOR SUMMER OF 1935

Bond Issue of \$60,000 To Cover Work Passed At Council Meeting Yesterday—Congratulations To Member of Council, Mayor Clark and New Member, F. S. Mundie, As They Are Sworn To Office—Ald. Forbes Deputy-Mayor—Committees and Chairman Named.

The city council for 1935 which was sworn in yesterday in the council chamber of the city, besides coming to a prompt settlement of its differences with the Maritime Electric Company, Limited, plunged into the matter of a paving program for the ensuing year, and before the meeting adjourned its one hour and a half session, passed a motion that legislation be prepared for a bond issue of \$60,000 to cover permanent paving in this city. The meeting which was held at

MAYOR W. G. CLARK

4:30 o'clock yesterday afternoon was principally to swear in the newly acclaimed members of the council, Aldermen G. Willard Kitchen, David McCaughey, Warren Maxwell, H. Ralph Gunter and F. S. Mundie, His Worship Mayor W. G. Clark, also was sworn in, it being his tenth year as chief magistrate of civic affairs. F. S. Mundie is the only newcomer to the council, taking the place of Ald. C. L. Dougherty who has retired.

Immediately after the ceremony of swearing in the council and the appointment of the various committees and their chairman, Mayor Clark brought up the matter of securing legislation for the year in the matter of continuing the city's paving program which extends from this city to the Dominion Experimental Station, and which is under a fifty-fifty arrangement with the provincial government. This work is to be completed during the approaching summer.

Bond Issue of \$60,000

The mayor suggested that there were other paving projects such as Queen Street, parts of Needham St., and the section around the Parliament Buildings. It is understood that the cost will be somewhere between \$36,000 and \$56,000, half of which is to be paid by the government. With respect to the issuing of bonds, Mayor Clark pointed out that it would require more for permanent roads than is usually appor-

HANDSOME SILVERWARE

The case of Rogers 1847 silverware, Sylvian design, which the Daily Mail is to give away this afternoon is manufactured by the International Silverware Company at Hamilton, Ontario. The design is one of the latest and most up-to-date and the silverware is admired by all those who have seen it. The silverware manufactured by this concern is very popular and the design is unique. The candidates who do not win the Daily Mail's cabinet of Silver can easily secure reasonable prices either at Colwell and Jennings, the complete house furnishing concern or at the different jewellers who handle this line of goods.

IMPROVES DAILY

Friends will be very pleased to learn that gradual daily improvement is shown in the condition of Greg McGinnis, who has been seriously ill at his home here with pleuro-pneumonia.

tioned. He said that it was desirable to get more money than was expected to be expended since the surplus can be used for other paving work. Furthermore the cost is no more for \$60,000 than it would be for \$20,000. His Worship declared that it was desirable this year to do some sidewalk work.

There was some little discussion on the matter before the motion was put through authorizing the bond issue of \$60,000 to cover permanent paving work in the city. The motion was made by Ald. David McCaughey and seconded by Ald. C. Hedley Forbes.

A request for permission to erect an electric sign over the business premises of Universal Sales on the corner of King and Regent Streets was considered and the request granted, subject to the usual conditions.

New Member Congratulated

During the meeting congratulations were extended to the mayor and the newly elected members of the council board in which several of the aldermen and His Worship Mayor Clark gave impromptu speeches. Ald. Moses Mitchell, the veteran at the board, congratulated the mayor on his fine record of service and declared that "the citizens must think well of you", to have kept him for the tenth term. He extended a welcome to Ald. F. S. Mundie who he said would be "an asset to the council".

Ald. Mundie made his first address as a civic representative, thanking Ald. Mitchell for his kind words. During his remarks he declared for "a wider Queen street", more civic support for the Board of Trade, and improved city water. He extended congratulations to the city for its good standing in the bond market.

Ald. H. Ralph Gunter, who was one of the four aldermen re-nominated for office this year paid tribute to Mayor Clark for the fact that during his term of office the sinking fund of the city had increased \$100,000 since the mayor had taken over the office of mayor. The physical assets of the city now, he asserted, were much greater now than they were at the time the mayor came to the board.

In Politics 18 Years

His Worship also spoke, briefly outlining his tenure of office. He had

been engaged in civic service as alderman and mayor for a term of eighteen years. He thanked the citizens for their faith in him, "My only excuse for serving again as mayor," he said, "is my real interest in the city." He has endeavored during his service to make improvements in the city and to improve its appearance. In this connection he proposed a City Improvement Commission which would undertake the duties of improving the city and its surroundings. He appreciated being connected with the council. In conclusion His Worship pointed to the fact that there was no suggestion of self-interest in the council today and this could not be said of the earlier councils. He noted, and was pleased, that the type of man serving on the council today was much superior. This, he said, was quite possibly the reason for no elections in recent years.

The Committees

The formalities of swearing in the aldermen were completed quickly. Rev. Dr. G. E. Ross was present and offered prayer. Ald. C. Hedley Forbes was elected deputy mayor for the year and the committees and chairman were appointed as follows: Finance: Ald. Forbes, chairman; Kitchen; Water and Sewerage: Ald. McCaughey, chairman, Gunter, Mitchell; Roads and Streets: Ald. Kitchen, chairman, Mitchell, Mundie, Gunter and Doohan; Street Light: Ald. Doohan, chairman, Maxwell and Forbes; fire: Ald. Mitchell, chairman, Kitchen, Gunter, McKnight, Mundie; Appeals and Contingencies: Ald. Mundie, chairman; Wright, Doohan, Kitchen and McCaughey; City Hall and Market: Ald. McKnight, chairman, Wright, Doohan, McCaughey, Kitchen; Wharves and Local Improvement: Ald. Gunter, chairman, Wright Mitchell, Doohan, and McKnight; Municipal Home and Relief: Ald. Maxwell, chairman, Kitchen, Wright and Gunter; Administration of Justice: Ald. Wright, chairman, Gunter, Doohan, McKnight, Mundie; Legislation: Ald. Doohan, chairman, Gunter, McKnight, Mundie; Building: Ald. McCaughey, chairman, Mitchell; Insurance: Ald. Gunter, chairman, Wright and McKnight.

Mayor Clark was appointed a member of each committee, as well as chairman of the general committee of the council, Ald. Wright and Ald. Mitchell were named the two members from the council to represent the city on the Victoria Hospital Board, and Aldermen Gunter, McCaughey and Mitchell were appointed as the three members from the council to the Fredericton Exhibition, Ltd.

York & Sunbury Historical Society

Annual Meeting

In the Museum (Post Office Building)
WEDNESDAY, JANUARY 16—8 p.m.
The Public Cordially Invited
Executive will meet at 7:30 p.m.

Citizens of Fredericton

Do you want a Board of Trade to speak for your business interests and for the community generally, or do you think the effort to maintain such a Board not worthwhile?

Fredericton is the Capital City of the Province and as such has duties and responsibilities of leadership from which it cannot escape except by relinquishing its claim to be worthy of the seat of Government. While not large as to population, it is nevertheless the centre of an old established community, the centre of provincial affairs and should be influential in leading progressive public opinion. Can this be done without organized effort, or a community centre where any and all citizens can voice their ideas?

In the past the Fredericton Board of Trade has done valuable work through the efforts of a small band of men in promoting the interests of the City and of Central New Brunswick, but during the last few years there has been a noticeable falling-off in interest and it is now up to the citizens of Fredericton as to whether the Board shall continue and progress or surrender its historic charter and cease to exist.

The Annual Meeting of the Board is to be held at the Board's rooms, City Club Building, 627 Queen street, at 8 p.m., WEDNESDAY, 16th inst. All Men Interested in the Welfare and Progress of the City are invited to attend and discuss the situation.
