N. B. LEGISLATURE IS OPENED TODAY

Divides Over Million Dollars Leaves It Mostly to Charity

Late Mrs. M. F. Ganong
Makes Wonderful Will,
University of N. B. To
Receive Four Thousand
Dollars of Amount.

ST. STEPHEN, N. B., Feb. 14—Dis-
posing of an estate totalling \$1,145-
780.64, of which more than half a mil-
lion dollars is distributed to charitable,
religious and educational causes, and
to employees of Ganong Brothers, Lim-
ited, the will of the late Mrs. Maria
Famicha Ganong, widow of Hon. Gil-
bert White Ganong, former lieutenant-
governor of New Brunswick, was pre-
sented for probate here yesterday.

The petition was presented to Gor-
don F. Nicholson, judge of probate for
Charlotte County, with Samuel A. Mc-
Bride named as sole executor and
Messrs. Hanson, Dougherty and West,
Fredericton, as proctors.

Remarkable alike for the generosity
of its gifts and the practical wisdom
of its division, the will is one of the
most interesting ever presented for
probate in the province. Succession
duties are paid by the estate on all
bequests liable for assessment.

The largest philanthropic feature of
the will is provision for the establish-
ment of an old folks home at Saint
Stephen which will be located on the
beautiful Ganong property with the
fine residence as a nucleus. There is
an endowment fund of \$200,000 pro-
vided for the home with a \$25,000
cash bequest to cover cost of altera-
tions and a special fund of \$22,000 to
provide accommodation for certain
personal employees.

Bequests to loyal servants of her
household total \$27,000.

The estate is made up of \$10,600
real estate and \$1,135,180.64 personal
property.

Among Bequests

Among the various bequests of pub-
lic interest are the following:

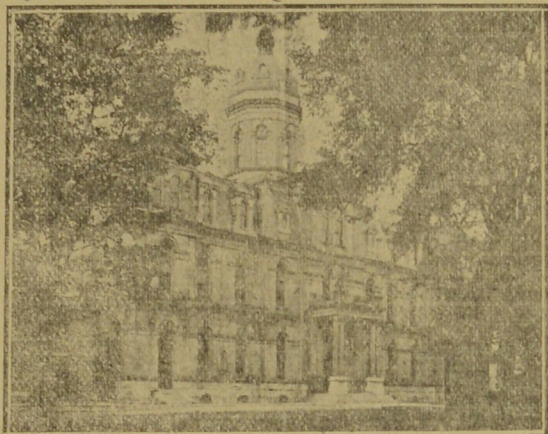

To the nephews and nieces of her
late husband, she gave the controlling
interest in Ganong Brothers, Limited,
the large chocolate and confectionery
manufacturing company, which was
founded by her husband, and his
brother, James H. Ganong in 1873,
and which, since then, has been suc-
cessfully operated with plants at
St. Stephen and Saint John, and
branches and agencies across Canada
from Halifax to Vancouver. A. D.
Ganong, M. P., for Charlotte County
and son of the late James H. Ganong
is now president and managing di-
rector.

To the employees of Ganong Broth-
ers, Limited, holding key positions and
to some of whom her husband had
earlier bequeathed preferred shares of
Ganong Brothers, Limited, she gave
one-quarter of the common stock.

To other employees at the plants,
branches and agencies, she gave a
total of about \$15,000 cash in various
amounts according to length of ser-
vice. This latter clause of the will
affects about 300 employees of the com-
pany in its various branches and
agencies throughout Canada. All
employees with two years or more of
service are inclined, no matter in
what capacity employed.

She named Ganong Brothers, Lim-
ited, as trustees of the fund of \$7,000 to
be known as "The Maria F. Ganong
G. B. Employees Hospital Aid Fund",
the income thereof to be expended
from time to time to provide accom-
modation at the Chipman Memorial
Hospital at St. Stephen for any then
employee or prior employee of Ganong
Brothers, Limited, requiring hospital
aid. This fund is provided to take
care of any employee who requires hos-
pital aid. If any employee become ill

The Parliament Building

The House of Assembly, where the annual session of the Leg-
islature opens this afternoon. This will be the last session be-
fore an election.

Our Legislators

The last Session of the present Provincial Legislature which
opened this afternoon promises to be an interesting one and some
important legislation is outlined in His Honour's Speech from the
Throne. This includes the New Brunswick Housing Commission
Act; the Dairy Products Act; amendments to the New Brunswick
Forest Operations Act. This legislation will be explained in the
early days of the Session. All of this legislation as outlined is for
the benefit of the workman, the farmer and those who are engaged
in the lumber industry. The Session is interesting from the fact
that we have a new lieutenant-governor. All loyal citizens of this
province will extend the best of good wishes to His Majesty's rep-
resentative in this province and will hope Hon. Murray MacLaren,
C.M.G., P.C., will have a successful career as New Brunswick's
first citizen.

This will probably be what is known as "a fighting Session."
This is generally the case when a session immediately precedes a
general election. The government has a good majority in the
House notwithstanding the fact that of the six vacancies in the
Chamber four of these are on the government side.

New Brunswick is today and always has been fortunate in the
character and ability of the men who in one walk and another
have adorned the political history of our province. We have had
men in our Provincial Legislature who would have been a credit
to any legislative body in the world. Many of these men, including
Sir Leonard Tilley, the distinguished father of our present Premier,
made names for themselves that will go down in history and will
be remembered as long as New Brunswick lasts.

Some people have the idea that all the great men are of the
past. It must be remembered, however, that the problems which
our present legislators have to deal with are probably much heavier
than were many of those of other years.

The citizens of Fredericton are always pleased to welcome the
members of the Legislature and the members of their family to
our capital city. We hope that our representatives will enjoy their
stay with us and that their deliberations will be fruitful and in the
best interests of our province, which all, irrespective of political
affiliations are sincerely doing their best to promote.

Chinese Are Seeking Loan of \$4,000,000

OSAKA, Japan, Feb. 14—The news-
paper Mainichi recently received un-
official reports from Nanking that
China is seeking "desperately" a
\$400,000,000 loan from foreign sources,
even though it involves a restoration
of foreign supervision of foreign af-
fairs.

GOVERNOR IS HEARD ON AIR IN SCOUT APPEAL

Lieut.-Governor Murray
MacLaren Delivers His
First Public Address
Since Appointment Ap-
pealing on Behalf of
the Boy Scouts.

Appealing on behalf of the Boy
Scout drive to raise the Boy Scout
membership to 100,000 as well as the
sum of \$100,000 for the work of the
movement in the Dominion of Canada,
Hon. Dr. Murray MacLaren, the new
Lieutenant Governor, made his first
public address since his appointment
to his new office. The address, to-
gether with others by Chief Justice
J. B. M. Baxter and His Worship
Mayor W. G. Clark, was broadcast
over CFNB last evening at 7.15
o'clock. The Lieutenant Governor's
appeal was direct and forceful. Al-
ready he had shown his own interest
in the drive by a generous personal
contribution of \$5,000 towards New
Brunswick's share of \$20,000.

Chief Justice Baxter and Mayor
Clark, who is honorary chairman of
the campaign, also delivered splendid
addresses.

HAUPTMANN SENTENCED TO DIE MARCH 18

FLEMINGTON, N. J., Feb. 14—
Bruno Richard Hauptmann was con-
demned to the electric chair last night
by the jury that tried him for the kid-
nap-murder of Baby Lindbergh.

White and unshaven, the German
carpenter tottered slightly as he stood
between his guards and heard himself
ordered to pay the death penalty.

He was sentenced to die in the week
of March 18, but an almost certain
appeal to the New Jersey court of ap-
peals and errors would stay the exe-
cution. The high court would not pass
upon the appeal until late in May.

The jury of eight men and four wo-
men spent 11 hours and six minutes in
a bare back room of the old courthouse
where Hauptmann had been on trial
since January 2 before they reached
their verdict.

"We find the defendant, Bruno Rich-
ard Hauptmann, guilty of murder in
the first degree," intoned Foreman
Charles Walton, Sr., in the deathly
quiet of the littered, smoke-filled court-
room.

Anna Hauptmann, tears rolling down
her cheeks as her husband went si-
lently back to his cell, cried "There is
nothing left for me."

But she dried her eyes as she pushed
through the thronged courtroom and
left by a rear door.

"I am not afraid," she said. "I still
hope."

"WHY DO THE HEATHEN RAGE"

If you were un-civilized and obliged
to spend your nights, perhaps lying
on the ground, with your head on a
stone, no doubt you would rage. Civil-
ized people demand good comfort-
able beds and the more civilized they
are the more comfortable beds they
demand. To be civilized, does not ne-
cessarily mean that we must be rich,
therefore Lemonts believe that good
beds should be provided at many dif-
ferent prices, to suit the require-
ments of all. At Lemonts, during this
Month, you may purchase for a few
dollars, beds, which to possess the
Princes of old would doubtless have
given the half of their Kingdoms.

drew's Church Tea at Ashburnham
Place.

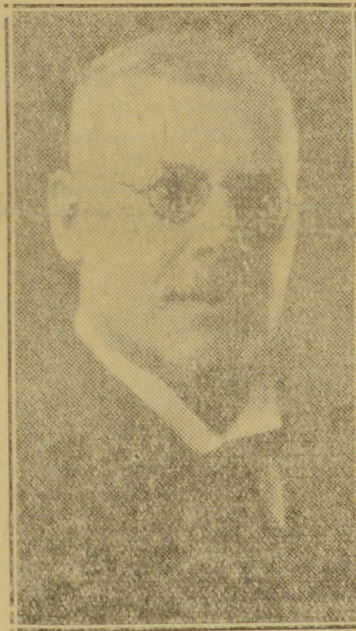

N. B. Legislature Opened Here Today

Fifth and Last Session of the Seventeenth New
Brunswick Legislative Assembly Opened with
Pomp and Ceremony — Lieutenant-Governor
MacLaren Officiates for First Time — Speech
From the Throne Forecasts Important Legis-
lation.

WITH the usual pomp and ceremony, the Fifth and last Session of the
Seventeenth New Brunswick Legislative Assembly to meet since Con-
federation was opened this afternoon at three o'clock, when Hon. Dr. Murray
MacLaren, C.M.G., P.C., officiated for the first time as Lieutenant-Governor
and read the Address from the Throne.

Long before the opening hour, citizens and others, visitors in the city
wended their way to Parliament Square for the purpose of viewing the cere-
monies. Many remained outside the building while others filled the various
galleries. Those connected with the official set occupied seats upon the
floors of the Legislature. Hon. L. P. D. Tilley, Premier of the Province,
and members of his Cabinet occupied the Government benches in the front
row to the right of the Speaker. Behind him were the supporters of the
Government. On the Opposition side of the House, Hon. A. A. Dysart, K.C.,
leader of the Opposition and his lieutenants occupied the front rows to the
left of the Speaker, while the rank and file of the Opposition members filled
the rear seats.

OUR GOVERNOR

HON. DR. MURRAY MACLAREN,
C. M. G., P. C.

Lieutenant-Governor of New Brun-
swick who this afternoon opened the
last session of the Seventeenth Leg-
islative Assembly. This was Lieut-
enant-Governor's first official duty
since his appointment.

Prepare For Anniversary City of Fredericton

The executive of the York-Sunbury
Historical Society held a meeting last
night with W. W. Hubbard, president,
in the chair, and an interesting meet-
ing held. Plans for the 150th anniv-
ersary of the City of Fredericton as
the capital of the province of New
Brunswick were made and as previ-
ously suggested, a "birthday party"
will be held, a huge cake to be pre-
pared for the event. The schools will
be notified of the event and the pupils
will parade from the City Hall on the
evening of February 22, headed by the
71st Band. The Rover Boy Scouts also
will take part, and the Band will ren-
der several patriotic pieces. His Wor-
ship Mayor Clark and Lieutenant-
Governor MacLaren are expected to
speak on the occasion. The anniv-
ersary service promises to be a unique
and unusual one, filled with color and
ceremony.

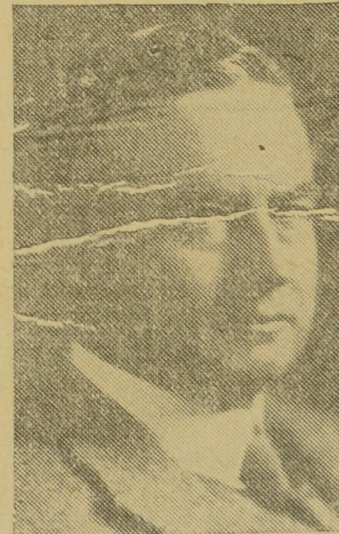

At last night's meeting Mayor Clark
who was present, read a letter from
the Monument Board of Canada in
respect to the proposed erection of a
monument to the 104th Regiment or
the site of the triangle on Smythe St.
This will likely be done in May.

There are four further vacancies in
the House this year in addition to
those which existed during the last
year's session. The total number of
vacancies include five among the gov-
ernment benches and one on the
opposition side of the House. The
standing will be: 26 Government sup-
porters to 15 of the opposition. Fol-
lowing the reading of the Governor's
Speech from the Throne this after-
noon, H. M. Wood, of Sackville, one
of the Government supporters, repre-
senting Westmorland County, moved
the address in reply to the Speech
from the Throne, and this was se-
conded by H. M. Groom, of St. Steph-
en. It is understood that further
consideration of the Address which was
read at the opening this afternoon,
will be continued on Tuesday after-
noon next, with Hon. A. A. Dysart
Opposition leader, opening the debate.
This, however, may not be postponed,
but may be taken up immediately. It
will be known later today. Unless
some changes are made in the ar-
rangements, Premier Tilley may fol-
low Hon. Mr. Dysart on Wednesday
afternoon. The last of next week will
probably be devoted to routine busi-
ness.
