**U. N. B. COACH'S  
SALARY REDUCED  
BY STUDENTS****New Figure of \$250 Ac-  
ceptable to Coach  
is Report**

At a meeting of the Students' Representative Council of the University of New Brunswick today it was decided to budget \$250 for the services of a rugby coach this fall. C. B. Burden, who has coached the team for many years, will take the position at the budgeted salary, it is understood. This salary is \$50 less than the coach received last year when all his lost time on the faculty of the Fredericton High School was paid for by the Students' Council. This year the coach will have to pay for this time himself.

Owing to the absence of Donald Ross, president of the council, the meeting was presided over by William Morrissey, Newcastle, vice-president. Mr. Morrissey read a letter from the president, who is at present working in St. John, stating that he was uncertain as to whether he would return to the university this year.

The resignation of Charles W. D. Scotcher, London, England, chairman of the Social Committee, was accepted by the council.

A meeting of the freshman class at the university was also held today, at which a committee of four freshmen and one sophomore was elected to look after the affairs of the class until the new students become better acquainted. They originally met for the purpose of electing their class officers, but the scheme of waiting until the students become better acquainted was adopted. The committee was elected as follows: Eric Melanson, Bathurst; Miss Margaret Brown, Miss Anna Hughes and Donald McKinnon, all of Fredericton. Miss Brown was elected president of the ladies' section of the class yesterday.
