Alice Gunn at the piano. Scripture
was read by Rev. J. W. Bartlett from
an historic bible, one hundred and
fifty years old, brought to Frederic-
ton by Duncan Blair, a Loyalist who
founded the old Methodist Church of
Fredericton. The programme of the
meeting consisted of an address by
Ansting Squires of Fredericton. The
address was an historic and geo-
graphic sketch of Ethiopia. Mr.
Squires speaks with authority on this
subject, having given considerable
study to it. Ethiopia is a country of
12,000,000 inhabitants. Mr. Squires
said, which have been ruled for 6,000
years by native princes. Haile Selas-
sie is the 334th ruler of the royal line
of Solomon, the succession not being
direct, however, Christianity was
brought to Ethiopia about four cen-
turies ago by the Portuguese and to-
day there are 15,000 Christian churches
and five million Christians in
that country. The Ethiopian people
belong to the Hottentot division of the
white race with a considerable por-
tion of the population, however, com-
posed of negroes. The Ethiopian de-
sert is terrifically hot but the highland,
are temperate. The country exports
coffee, ivory and leopard skin. Mr.
Squires concluded with an account of
previous attempts at invasion of Ethio-
pia, emphasizing the defeat of the
Italians at Adowa as the cause of the
present Italo-Ethiopian dispute. A vote
of thanks moved by William DeLong
and seconded by Lester Inch, was car-
ried unanimously. The recreational
period which concluded the evening,
was conducted by Ralph Albrant who
has been appointed full time Y.M.C.
A. secretary for Fredericton.Miss Barbara MacCunn who has

to hospitals of the province in the
year 1934.Dr. S. R. D. Hewitt, superintendent
of the St. John General Hospital, who
proposed the resolution, pointed out
from statistics submitted by Dr. War-
wick that only two hospitals in New
Brunswick in 1934 received lump sum
grants which were equivalent to more
than a per diem allowance of 25 cents.
Sixteen other hospitals would stand
to gain materially by such a proposed
move, he said. The change in the sys-
tem would tend to relieve municipali-
ties of the province from their hospi-
tal costs. J. A. Reid, president of the
board of trustees of the Victoria Public
Hospital in this city, seconded the
resolution.The executive committee elected
yesterday was composed of Dr. J. J.
MacPherson, Mother Audet, Campbell-
ton; W. J. Kent, Bathurst; R. C. Clark
Newcastle; Sister Kenny, Chatham;
A. C. Chapman and Sister Angela,
Moncton; Dr. S. R. D. Hewitt, Dr. R.
J. Collins and Sister Camillus, St.
John; J. A. Reid, of this city; S. D.
Granville, St. Stephen; W. S. Sutton,
Woodstock; R. H. Laporte, Edmund-
ston; Dr. G. E. Gauvin, Vallie Lour-
des; Sister Dugas, Tracadie.Dr. Warwick, speaking of registra-
tion of births and marriages and their
statistical and legal value, made a
plea for accuracy.Dr. Warwick pointed out there was
a great divergence in the support
given the various institutions by the
government and the municipalities.
Asking if it was a fair method of mak-
ing grants and stating that he was
asking no suggestion as to a simple
method of adjustment, he expressed a
belief that the time was coming when
perhaps something more equitable
must be worked out. The department
would be glad to receive information
to help in arriving at something more
equitable all round than the present
system.Dr. Hewitt stated that New Bruns-
wick was the only province in Canada
where hospitals received lump sum
grants from the government. The
lowest per diem allowance was in
Quebec, where 34 cents was paid, he
said.Dr. G. Harvey Agnew, Toronto, sec-
retary of the Canadian Hospital Coun-
cil, pointed out that some provinces
paid per diem allowances considering
all patients, others took into account
only the public ward patients, while
still others considered only indigent
patients in their reckoning. British
Columbia and Quebec graded their al-
lowance to the different hospitals, he
said.It was decided today that typewrit-
ten copies of a proposed hospital act
for New Brunswick to regulate inter-
nal hospital organization would be
submitted to all hospitals in the prov-
ince for suggestions, and that later
the redrafted proposed act would be
sent to the New Brunswick Medical
Society, the New Brunswick Associa-
tion of Registered Nurses, the Union
of New Brunswick Municipalities and
the New Brunswick Federation of La-
bor, for objections, suggestions and
comment, in anticipation of asking the
provincial Legislature to pass such a
measure next year.Dr. Hewitt and Dr. Collins, superin-
tendent of the St. John Tuberculosis
Hospital were chosen as the associa-
tion's delegates to attend the biennial
meeting of the Canadian Hospital
Council which this year will be held
on Oct. 8, 9 and 10.**PUBLIC SCHOOL
