Dizzy Dean Blasted As Cubs Threaten

Giants Win in Tenth From Cards — Giants 3½ Games Behind Leaders, While Cubs Knock Loudly.

NEW YORK, N. Y., September 14—A three-run blast against "Dizzy" Dean in the tenth inning gave the Giants a 13-10 victory over the Cardinals yesterday at St. Louis in the second game of the crucial series to even the count at one victory apiece. The triumph put the Giants 3½ games behind St. Louis, which dropped into a virtual tie with Chicago Cubs.

The Cards retained the lead by four percentage points, .635 to .631 as they played fewer games than Chicago.

A double by relief pitcher Frank Gamler with two on base after a mis-play by Leo Durocher had let in one run climaxed the exciting but poorly played game. It was fifth Cardinal error of the game.

The Cardinals blasted Clydesdale Castleman out in the second inning with five runs, only to fall behind in the sixth. They tied the score in the eighth and again in the wild ninth inning which saw each team score four runs. The Giants collected a total of 20 hits off four St. Louis pitchers, but made four costly errors on their own part.

"RED" GRANGE, OTHER FORMER GREATS RETIRE

"Galloping Ghost" of Touchdown Fame Will Roam Gridirons No More.

NEW YORK, Sept. 14—The fadeout of football's "Galloping Ghost"—Red Grange—as an active professional performer, after a decade of spectacular play, provides timely emphasis on sweeping personnel changes that will feature the 1935 National Football League season, opening this week-end on two fronts.

Never in the 14-year history of the major grid circuit has such a brigade of shiny new ex-college stars been drafted for probable replacements as the 180-odd rookies who marched into the league's nine training camps late this summer.

Ned Irish, League's statistician, predicted yesterday that at least 20 per cent of these youngsters will win posts in the line-ups, replacing men like Grange, Harry Newman, Link Lyman, etc., who are retiring, or wrestling positions from other seasoned performers. Grange has become assistant coach of the Chicago Bears.

The season opens tomorrow night at Philadelphia when Pittsburgh's Pirates collide with the Eagles in Teple Stadium. The Chicago Cardinals tackle the Packards at Great Bay, Wis., on the week-end. The other seven clubs swing into action later.

Coincidentally this great influx of new talent comes just at a time when the circuit approaches most closely "Major League Perfection" by being pared down to nine clubs, least number in its history. The clubs are: Western Division—Chicago Bears and Cardinals, Detroit and Green Bay, Eastern Division—New York, Boston, Brooklyn, Philadelphia and Pittsburgh.

First Casualty of New Football Year

CALGARY, Sept. 13—Loss of fleet-footed Norm Perry, star halfback, dampened the glory that went to Sarnia Imperials today in their third victory in the Western Canada Exhibition rugby tour.

Sarnia downed Calgary Bronks for the second time last night but their 17-2 victory was dearly bought.

Perry, on the receiving end of a forward pass in the second quarter, crossed his leg while turning to take the ball, fell heavily and his left ankle fractured. He will be out of rugby for the rest of the season and his teammates thought he might retire for good.

The Canadian champions will journey to Regina where they play the west's famous Roughriders Saturday in their fourth exhibition game. But Perry will be left in Calgary. His ankle has been placed in a cast and he will be under medical care here until Sept. 17.

HOCKEY BROTHERS IN NORTHLANDS

EDMONTON, Sept. 14—Five days in the north country were enough to convince Lionel Conacher and his younger brother Charlie, of Toronto, husky big league hockey stars, of the lure that draws men into the north country and keeps them there.

"It's the best holiday trip I've ever made," the elder Conacher exclaimed as they arrived here by airplane late yesterday from the Athabaska gold fields. During the 300 mile flight down from McMurray, where they have been staying since Sunday, the airplane nosed through a snow storm.

The brothers enjoyed the fishing and shooting but it was the gold and the hospitality up there that made the two famous brothers' eyes shine with enthusiasm when they told of their holiday in the new field.

"Just as soon as the hockey season's over we're heading right back there next spring and stay there for the summer," Lionel declared.

KIWANIS AND YARMOUTH IN MARITIME FINALS

SAINT JOHN, N. B., Sept. 14—At two o'clock this morning (Saint John Daylight Saving Time) the St. Stephen-Milltown Kiwanis, New Brunswick Champions, decided to go to Yarmouth for the first two games of the Maritime Baseball finals with the Yarmouth Gateways, Nova Scotia titlists, Orville Mitchell, manager, announced.

The first game will be played there on Tuesday and the second on Wednesday.

The teams will leave immediately after the second game for Saint Stephen, where the third and fourth game of the series will be played.

They will be staged on Friday and Saturday, weather permitting.

HORNSBY SYSTEM REMAKES LARY, MANY OTHERS

NEW YORK, Sept. 14—What does Rogers Hornsby feed players obtained in deals from other clubs? What does he do with them to cause them to improve their batting averages almost over night? Take Lyn Lary, for instance. Admittedly a sensational outfielder, Lary batted only .241 in 130 games for the Boston Red Sox and .194 in thirty-nine games for the Senators this year. Manager Bucky Harris was willing to trade him for shortstop Alan Strange of the Browns. In 53 games with St. Louis Lary has batted .297, thus elevating his mark for the entire season up to Monday to .263.

When he left Washington Lary had four doubles to his credit. Now he has twenty-two two-sackers, five triples and a home run. He has stolen eleven more bases and driven in twenty-one runs, whereas with the Senators, he had sent in only seven. Being a lead-off man, he is not expected to send many runs across the plate.

Julius Solters batted .299 for Boston in 1934, but when he left the Red Sox to join the Browns, he was hitting but .241, as compared with his present average of .325. When he changed teams, he had made six doubles, one triple and no home runs and driven in eight runs. The last averages showed him driving in 84 runs and making 28 doubles, five triples and eighteen home runs. One hundred and fifty hits, as compared with 19.

Ed Coleman was batting .250 with the Athletics. Transplanted to St. Louis he now boasts of a mark of .281. To go back further, Rollie Hemsley batted .190 for Cincinnati in 1933. Joining the Browns in mid-season, he hit .242, came back in 1934 with a .309 record, while this year he is batting .311. Again may be asked: "What does Hornsby do to boost these batting averages?"

FASTEST 3 YR. OLD HEAT PERFORMED BY TOM GRATTAN

LONDON, Ont., Sept. 14—Tom Grattan, 3 year old pacing star owned by Brock Brothers of London paced the fastest heat on a half-mile track of

the Canadian harness racing season. Tom Grattan breezed in ahead of the seven-horse field in the feature event of the Western Fair program in two minutes and nine seconds flat. He took the next two heats just as decisively in 2:10½ and 2:10¼ for what is believed to have been the fastest three heats ever paced by a 3-year-old in Canada.
