## BIG TIME FOR GOSHEN TRACK PRESENT WEEK

Grand Circuit Cavalcade Pours Into Goshen for Rich Meeting — 15 Stakes.

Like an old-time one-ring tent show coming to town, the Grand Circuit cavalcade will be pouring into Goshen to camp for the week while trotters and pacers were at W. H. Cane's Good Time Park for more money than they have yet won or again will have a chance to win at any other track this season. The fifteen stakes which make up the program will be worth approximately \$56,000, which is big money in these hard times, and the cracks of the trotting turf are going to compete for them. So many horses are reported to be headed that way that stables on both the mile track and the half-mile track in this Orange County village of 4,000 inhabitants may be required to accommodate them.

Tomorrow will be the opening day of the meeting and the card comprises one trotting race and two pacing races, one of which is for two-year-olds with third-odd juvenile side-wheelers eligible to start. The feature of Tuesday's program is the \$25,000 Good Time stake for two-year old trotters, won last year by Greyhound in 2:04 3/4. This fixed event has come to be regarded as a kind of junior Hambletonian Stake, so many winners of the race for three-year-olds having previously figured conspicuously in the one for two-year-olds. It is the drawing card of the meeting this year, so far as entries are concerned, no less than seventy baby trotters having been nominated last spring.

It is a rather remarkable coincidence that Rosalind, 2:07, the favorite in this race, and Jack Orr, the favorite in the race for two-year-old pacers, are owned by the same young man, Gibson White, son of the famous colt train-

### CANADA AND U. S. BOXING RELATIONS THIN

MONTREAL, Aug. 13—The last connecting link between Canada and the United States appeared ready to break here with the Montreal Athletic Commission threatening to sever its connection with the National Boxing Association.

The Montreal body is formally protesting N. B. A.'s endorsement of the Lou Salica-Sixto Escobar world's bantamweight title bout charging bad faith.

They point out that they entered into a pact with the national organization last December whereby the latter would protect the world's bantamweight tourney then underway here. The date of the encounter had been set for Aug. 28. Then New York allegedly cut in on the bout.

Unless the matter is adjusted it is learned, the Montreal body will resign from the N.B.A. tomorrow.

er, Ben F. White, and are by the same sire, Henry Oliver's two-minute trotter Scotland, 1:59 1/4. Both are purely trotting bred, but the colt is a natural pacer that goes without hobbles. Neither the colt nor the filly has met with more than one defeat thus far this season. Excepting Rosette, 2:07, recently reported sold by Oliver to W. N. Reynolds, practically every juvenile trotter of the first flight is eligible to start in the Good Time Stake. The three-year-old pacers are billed to start on Tuesday, but unless they develop more speed than they displayed last week at Salem they will make a poor showing by comparison with the two-year-old trotters.

Greyhound's victory in the Hambletonian on Wednesday seems to be foreshadowed about as certainly as anything can be in a field of fast horses. With a clean score of winning races and only one heat lost since he struck his gait at Salem last year, the straight going, level-headed, game, enduring gray gelding is pretty sure to sell in the auctions for more than all the rest combined, if he is not barred in some of the pools. And yet there is always a chance of defeat when half a dozen or more good horses, with as many resourceful drivers, "fit for strategat and spoils," are out to beat the favorite.

## Will Fight Don Labbe in Waterville, Me., for Maine Middleweight Title Today — Improving Fast.

Jimmy Boyne, the former Fredericton scrapper, who has been "going great guns" in the state of Maine in recent months, is now a middleweight. Today at Waterville, Maine, he will meet Don Labbe for the State of Maine middleweight title.

Recently Jimmy has been winning fights right and left, and has turned back such tough customers as Rocky Stone of Biddeford, Me., Killer Brown, of Bangor, and Tuffy Taylor of Seal Harbor. His venture against Labbe today is his first in that class. His handlers are rapidly turning Jimmy into a thorough fighting machine and his prospects of climbing the ladder are good at the present time. Boyne now weighs 154 pounds.

There is a possibility that Boyne may be seen here in the near future. At present arrangements are being made to bring Boyne here for a special bout and the fight may be put on during one of the Devon baseball playdown nights—possibly next week. It is considered unlikely that there is an opponent in Fredericton for Boyne and a scrapper may be brought from Maine to meet him.

## CANADIANS TO COMPETE IN SOVIET

MONTREAL, Aug. 13—It was learned on good authority here on Saturday that a party of Canadian track and field athletes would leave on Wednesday for Russia to compete in the Soviet Games. In the party will be Eva Dawes, Canadian senior high jump champion. The personnel of the team and sanction under which they are travelling appears shrouded in mystery. Even P. J. Malqueen, chairman of the Canadian Olympic Committee, was vague as to the make-up of the team and who was responsible at this end of the line for the trip.

## FAMOUS HORSE FANCIER PASSES

NEW YORK, Aug. 13—The death last week of W. D. Grand at his home in Goshen marked the passing of a horseman whose name was known a generation ago wherever fine carriage and saddle horses were exhibited or used. Coming to New York from his native Toronto just when the influence of the National Horse Show and the American Hackney Horse Society, of which he was at one time the treasurer, were giving great impetus to the demand for high steppers of the English type, he obtained the concession for conducting auction sales at the American Horse Exchange, then recently rebuilt by William K. Vanderbilt and his associates at Broadway and Fiftieth Street. There, in the years between 1892 and 1906, he disposed of most of the best driving and riding horses offered under the hammer in the New York market, including shipments from Russia, France and England. Also he negotiated the purchase of such noted show horses as Frank J. Gould's Burlington, William H. Moore's Forest King and Thomas W. Lawson's Red Cloud at prices running up into five figures.

## Baer Sings As He Preps For Joe

YONKERS, N. Y., Aug. 13—Max Baer, former world's heavy-weight champion, was on his way to Speculator, N.Y., to begin training for his battle next month with Joe Louis.

While crossing the Hudson on the Yonkers-Alpine ferry yesterday, Max displayed his light-heartedness by singing "The Man on the Flying Trapeze" for his fellow passengers.

## 51 Yearlings Sold for \$118,950

SARATOGA SPRINGS, N. Y., Aug. 13—Fifty-one yearlings from the Claiborne and Elletts Studs of the famous breeder Arthur B. Hancock had new masters today.

Along with four head consigned by R. A. Fairbairn, the yearlings went to the block last night for a total of \$118,950, or an average of \$2,332 each.

The group claimed such famous daddies as imp, Sir Gallahad III, his son, Gallant Fox Stimulus, one of the outstanding sires of the last three years; imp. Jacapo, Sir Andrew and Brown Bud. The high price for the evening was \$8,100 paid by Mrs. John Hay Whitney for a chestnut son of Stimulus—Rick.

Norman W. Church, of California, paid \$100 less for a bay son of imp. Sir Gallahad III out of Sunny Step, and Harry Giddings, of Toronto, Canada, an active bidder since the sales opened, bid \$7,500 for a colt sired by Gallant Fox and out of Maxima. The bay colt is a three-fourths brother to C. V. Whitney's Motto, winner of \$28,935 and numerous stakes as a juvenile last season. Giddings also took a Gallant Fox—Scally filly for \$5,300.

A. G. Vanderbilt bought a chestnut son of Gallant Fox—imp. Peroration for \$5,000. R. E. VanClef, of Virginia, paid \$5,200 for an American Flag—One Hour filly, a half sister to Gay Monarch.

## Sarazen Needs Trip To Balance Budget

BUTLER, Pa., Aug. 13—Gene Sarazen is aiming his golf shots at Europe's Golden Fleece. He announced he is planning a trip abroad "to balance my budget."

The two-times winner of the national open golf championship said he will forego further tournament play this year, take a rest at his farm near Brookfield, Conn., and depart some time in the fall.

"I'll be back in this country about the middle of next summer," he added. "You know you can make a lot of money over there. I know, I've been there, and that's why I'm going back."

## DEVON NOSES OUT NEWCASTLE 8-7 FIRST PLAYOFF

Heavy Hitting Affair on North Shore Yesterday Second Game of Play-downs to be Played on Devon Field Thursday.

(Special to the Daily Mail)

Devon triumphed 8 to 7 over Newcastle Fishers here yesterday in the first of the three-game series in the first provincial amateur baseball play-downs. The game was a heavy hitting affair with the visitors barely nosing out the locals after a hard fight. The same two teams will play on the Devon diamond on Thursday in the second game.

Eddie Dinsmore started for Devon and was hit quite freely. Wiley finished. For Newcastle Kitchen and Fraser did the hurling.

The final inning—only six innings were played—provided the fireworks. Devon were trailing 7 to 5. The first three hitters, Staples, Malloy, and Burgess hit the first pitch for some- runs, the few Devon fans present going veritably wild.

Darkness fell after six innings, the game starting late. It is expected that the game will count, however.

## GRIMES UP TO HIS OLD TRICKS

BLOOMINGTON, Ill., Aug. 13—Wholesale ejections of players marked a recent doubleheader here. During the first game Manager Burleigh Grimes of the Cardinals was chased, along with Edwin Morgan, while in the second tussle Manager Bud Knox and Bill Lahman of the Decatur Com-mies were given the gate. The second contest also saw Red Martin of Bloomington ousted by the umps.

Romantic ballads of France and England, gypsy songs from the Balkans and old folk melodies of Russia will be featured by Nina Tarasova in another of her unique song recitals to be broadcast over the WABC-Columbia network tonight, from 7:15 to 7:30 P. M. A. S. T. Several highlights of Tarasova's program will include numbers the noted singer discovered in remote regions of Europe during her recent travels there.
