### BABE FIGURES HE'S GOOD BET TOURNEY GOLF

NEW YORK, July 31—Babe Ruth, having made a successful debut as a tournament golfer, sees no reason why his name should not be among the starters in the national amateur at Cleveland.

If I can play like this in the rain at that, a bit careless, I don't see why I shouldn't be able to qualify for the amateur," said the Babe after he missed by only one stroke getting into the championship flight in the Westchester Country Club's tournament.

"If I can arrange my business I sure intend to give it a try anyway."

It was the rollicking Babe of base ball days who splashed through the rain yesterday for an 81, one stroke in front of Dick Chapman, defending champion.

"We're off," the Bambino shouted to a small gallery as he sank a 10-foot putt for a birdie three on the first hole. "It's too bad they can't make this a double-header for tomorrow, the crowd would be bigger."

A few minutes later he was apologizing for three-putting the water-soaked green.

"I knew that birdie was too good to be true," he said.

At the fourteenth he called time out and invited his partner, caddies and small band of admirers to have one on him at the refreshment stand.

The Babe then lighted a big cigar and started for the tee. Everything went fine until he reached the green. Then on in three and only 10 feet from the pin, he took four putts to hole out.

"Smoke got in my eyes," he said, shaking the ashes from his cigar. "Now that I'm used to it, watch me go."

With his No. 7 iron, the Babe lifted the ball high on its way to the fifteenth. The little white pellet landed a foot from the greens' edge and buried itself in the mud.

"Use your head," Chapman advised, but the mighty Babe decided to use his bulk of 230 pounds. He drove his niblick into the turf behind the ball. Mud flew everywhere, but the impact lifted the ball to within 18 inches of the cup, whence he got his par three.

"Just as I thought," he said, smiling, "Weight will help once in a lifetime in golf—and this was the once."

### MINTO TOPS YORK-SUNBURY BASEBALL LOOP IN FIRST SEASON

Defeat of Devon the Other Night Decides the Issue — Minto Writer Berates Devon for Its Importations — Rates Nichols-Kiley Battery as Best in Maritimes — Thinks Marysville or Pets May Oust Devon.

By JOHN LEPPER

(Special to The Daily Mail)

MINTO, N.B., Aug. 1—In defeating Devon on Wednesday night on the Devon diamond Minto did a real job showing up their superiority over the Devon squad in the York-Sunbury Baseball loop. The score was 6 to 1. Minto have so far out-hit the Devon team two to one, and have scored a total of 22 runs against a total of 16 runs scored by Devon. Eddie Dinsmore was pulled from the box on Wednesday night after a fruitless attempt to stop the steady flow of hits from the bats of the Minto team.

Of course Devon had last minute imports in the line-up, but one would think that they would have had foresight to realize they would need these men at the first of the season, and not wait until they knew they were trimmed in grand style before going to extremes to get ineligible players in an attempt to beat a team that is a far superior team. As far as pitching goes I don't personally believe that Wiley is as good as the ordinary pitcher in the York-Sunbury baseball league. He has speed but this is what Minto likes. Wiley pitched one inning the other night and Minto scored one run. That is what Minto batters think of Mr. Wiley.

The way Marysville and Fredericton have been shaping up lately it looks as if Minto might play the finals with one of them, each team having previously won over Devon. The saddest part of Wednesday's game was the fact that Dinsmore had to be taken from the box after the game was lost. He is a grand pitcher, a fine sport but he lacks the stuff it takes to get past the Minto hitters. So far as

The Babe's 81 left him nine strokes behind the medalist William Tobin of Plandome, whose 72 was one of the best competitive rounds of the current season considering the adverse weather conditions.

"Johns" Keene being called a crabber he is in the game all the way, always fighting for his team, but as his tactics seem to make him a crabber, a crabber he really is.

The fact that Minto won first place in the York-Sunbury league in their first season in the loop shows they have a team and backing as one certainly could tell from the rooting support at the Devon game.

We know of course that Charlie Nichols is the best pitcher in the Maritimes and also know that his services are being sought by other clubs. But Charlie is making his home in Minto for some time to come. I also say Bill Kiley is going to be with us for quite a spell. A sweet battery this. Kiley is in the game all the time. If anyone is capable of handling Charlie's hooks Kiley can certainly do it. Nichols and Kiley work smoothly together and are the best of friends.

They have a record for putouts, in strikeouts, etc. Opposing players find it difficult to steal second. Several fast runners have been caught flat-footed on the second sack.

I still say, may the best team win, also all for sport. However, every team must be "panned by some opponent. It livens up the sport to a certain extent. Minto has been panned and now we are in the old fight and we have a ball team and a fine collection of fans to back them up.
