## RALLY OF TEMPERANCE WORKERS HERE

Sessions Opened This  
Morning at George St.  
Baptist Church

### Protest Sale Beer - Wine

To Co-ordinate and Ex-  
tend Agencies Work-  
ing for Prohibition

A rally of Temperance Workers  
met, at the call of the executive of the  
N. B. Temperance Alliance, in George  
Street United Baptist church in this  
city, this forenoon. The chair was  
taken at eleven o'clock by the pres-  
ident S. J. Hallett of Marysville. Rev.  
G. W. Guion secretary. Rev. Wm. A.  
Burge of South Devon, offered pray-  
er.

The president explained the object  
of the meeting, which was to co-ordi-  
ate and extend all existing agencies  
working in the interests of Total Ab-  
stinence and Prohibition.

Rev. Mr. Guion spoke along the  
same lines, and on his motion, sec-  
onded by the Right Honorable the  
Countess of Ashburnham, the meeting  
resolved itself into a committee of  
the whole to discuss ways and means  
of promoting temperance work.

The chairman said that the only  
executive meeting since last conven-  
tion was the one which had arrang-  
ed for the meeting with the Tilley  
government to protest against the  
authorization of the sale of light  
wines and beer, which protest had  
been successful for the time, but  
which question would undoubtedly be  
raised again if ever the Liquor inter-  
ests thought it advisable.

The discussion was continued by  
Rev. F. A. Watson of Fredericton;  
Rev. Mr. Burge, Mrs. S. S. Miller of  
the Fredericton W.C.T.U.; Rev. Mr.  
Guion and the chairman.

H. H. Stuart of Fredericton Junc-  
tion, Grand Scribe of the N. B. Sons  
of Temperance, advocated a board or-  
ganization, along the lines of the  
Nova Scotia Social Service Council,  
to work for Prohibition and against  
certain other crying evils akin to the  
liquor traffic. The public profit made  
from the government sale of liquor  
and the private gain of those from  
whom the governments buy was the  
basic evil of the liquor business.  
There were too many total abstainers  
who were willing to have their own  
taxes reduced by having the public  
make profit out of sale of liquor to  
others.

Rev. H. E. Allaby of Woodstock,  
described recent conditions in Nova  
Scotia, which led to the defeat of  
prohibition and paid a high tribute to  
the N. S. Social Service secretary,  
the indefatigable Rev. Dr. H. R. Grant.  
He thought it necessary to link up  
temperance work with evangelism in  
order to obtain the spiritual driving  
power necessary to success. So many  
Christians were in favor of govern-  
ment sale of liquor that many probi-  
tionists seemed afraid to speak out.  
The discussion was further con-  
tinued by Mrs. Miller, Rev. Messrs.  
Guion, Watson and Burge. Rev. F.  
A. Dunlap of Marysville and the pres-  
ident.

urer of the New Brunswick Temper-

## PREPARE FOR PILGRIMAGE CAN. LEGION

All Canadian Legions  
Make Ready For  
Vimy Trip

### Organize Here

Local Branch Awaiting  
Decision Members,  
Here

The Fredericton branch of the Can-  
adian Legion, B. E. S. L., in company  
with legions all over Canada are be-  
ginning to look towards that Vimy  
Pilgrimage which takes place in July  
of next summer. Already preparations  
are going forward with applications  
pouring in to the headquarters of the  
organizer at Ottawa. Several applica-  
tions already have gone from the  
Fredericton legion it was learned here  
today. A total of 2,400 from various  
parts of Canada had signified their in-  
tention of making the trip by Novem-  
ber 11.

The executive of the local branch of  
the Canadian Legion are engaged in  
recruiting those from here who are  
planning on making the trip, but so  
far only a few have definitely an-  
nounced their intention of going. Others  
will probably announce their plans  
some time during the winter season.  
As the pilgrimage is not until July  
many of the Legionaire here are hold-  
ing off decision until later.

"The Pilgrimage is of great spiritu-  
al significance", said Captain Ben Al-  
len, organizer of the pilgrimage at  
Ottawa.

"This pilgrimage is of great spiri-  
tual significance", said Captain Allen.  
"But even with the solemnity of the  
occasion, there will be great fun to  
be had by all. Note in our applica-  
tions quite a lot of professional and  
amateur talent booking passage, so  
we will have some grand concerts  
both going over and coming back".

The leading spiritual adviser is of  
course Canon Scott, who is listed as  
Pilgrim Number One in the pilgrim-  
age. In addition to the unveiling of  
the Canadian War Memorial at Vimy  
the pilgrimage will participate at an  
impressive ceremony at the Cenotaph  
in London. Many thousands of ex-  
C. E. F. men will go from the Old  
Country for the ceremony at Vimy  
Ridge, and arrangements are now be-  
ing concluded by the British Broad-  
casting Company for an Empire  
broadcast of the services.

The great fear at present is that  
unless advance bookings are made  
many thousands of ex-service men  
and their relatives who may wish to  
go will find that there have not suffi-  
cient accommodation if they withhold  
their applications too long.

Up to Monday, November 11, over  
2,400 applications with first payment  
made have been received and approved  
at other headquarters. The Cana-  
dian Pacific Steamship Company and  
the Cunard White Star Line state that  
this advance registration is the larg-  
est in the history of shipping in Can-  
ada. The pilgrimage headquarters in  
France has already made advance bil-  
leting accommodation for 5,000 peo-  
ple.

It pays to advertise in The Daily  
Mail.

362 Revision

### Re Fire Protection

Forestry Research to be  
Discussed at Second  
Conference

G. L. Miller, chief forester for New  
Brunswick, leaves this evening for  
Ottawa, where he will attend two con-  
ferences during the coming week. On  
November 20 there will be a public  
hearing before the Board of Railway  
Commissioners for the purpose of  
considering revision of certain sec-  
tions of general order 362 which per-  
tains to forest fire protection concern-  
ing the railways. The order was last  
revised in 1922 and since that time  
changes in locomotives and equip-  
ment have rendered parts of the or-  
der out of date. Representatives from  
the forestry department of all prov-  
inces are invited to attend the hear-  
ing with the Railways Association.  
Revision of the order has been consid-

### Radio Installed

Mayor W. G. Clark, M.P.  
Gives Radio to  
Prisoners

Dr. W. C. Crocket and Dr. C. P.  
Holden were appointed yesterday af-  
ternoon by the Building and Finance  
Committee of the York County Coun-  
cil to supervise the medical treatment  
of prisoners in the York County Jail.  
This action was taken by the com-  
mittee because of the growing prac-  
tice of other doctors in ordering the  
removal of prisoners to the hospital.  
Under the new ruling no prisoner can  
enter the hospital on recommenda-  
tion of his own physician alone, but  
the authorization must be given by  
the "jail doctors" also. The new ap-  
pointed medical supervisors will be  
paid from the administration of jus-  
tice fund of which the county pays  
two-thirds and the city one-third.

When a prisoner calls in his own  
physician he will be required to pay  
his own medical expenses, and if it is  
deemed necessary by his physician  
that he go to the hospital, the consent  
of one of the "jail doctors" is also re-  
quired along with an order from the  
attorney general's department author-  
izing the sheriff to transfer the pris-  
oner to the hospital.

In conjunction with the proposed re-  
form movement advocated by The  
Daily Mail and the Ministerial Associ-
