Baer, in 50 Fights, Has 31 Knockouts And 10 Decisions

NEW YORK, Sept. 24—Max Baer, in six years of fighting which carried him to the heavyweight championship and down again, has had fifty fights, not including innumerable exhibitions. He has won thirty-one by knockout and ten on decision. One was a no-decision fight and eight he lost. He has never been knocked out, has been on the floor three times, but never knocked down. Against Frankie Campbell he slipped to a knee and against Carnera he went tumbling twice when the giant pulled him as he fell.

CALUMETEVELYN BREAKS WORLD PACING RECORD

(Special to The Daily Mail)
LEXINGTON, Ky., Sept. 24—Calumet Evelyn, black mare, owned by McConville brothers, of Ogdensburg, N. Y., in winning every heat of the Almahurst free-for-all pace in Saturday's opening of the last Grand Circuit meeting of the season, lowered the world record for four year old pacers and went the fastest three beats ever paced by a horse of any age. Driven by Vic Fleming, Calumet Evelyn won the heats in 1:59 1/4, 1:59 1/4, and 2:00 1/4. J. E. Vonian was the main contender.

LEADS IN PLAYOFFS

SAN FRANCISCO, California, Sept. 24—San Francisco's Seals, managed by Frank (Lefty) O'Doul, captured the second-half pennant of the Pacific Coast Baseball League yesterday when they split a double-header with Seattle 6-0, and 10-1 as the season ended.

CARNERA PICKS JOE LOUIS TO DEFEAT BAER

NEW YORK, Sept. 24—Primo Carnera returned to New York on the liner Rex yesterday. He said he'd return to Italy, when called if war is declared, and picked Joe Louis to beat Max Baer in tonight's heavy-weight bout.

"Louis is quick and shifty," the big Italian said. "Baer swings wide and Louis will go inside of his punches. If there's a knockout Louis will score it."

NELSON WINS AGAIN IN MARATHON SWIM

NORTH BAY, Ont., Sept. 23—Marvin Nelson, world's champion swimmer from Fort Dodge, Ia., defeated George Young, Toronto's "Catalina Kid," by five yards in a marathon swim here Saturday. Darkness interfered before the scheduled nine miles had been stroked. The race was for a purse of \$5,000.

Mayor W. G. Bullbrook acting as official referee, called the race after the swimmers had gone six and seven-eighths miles in Lake Nipissing.

Louis Record Lists 20 Knockouts in 24 Professional Fights

NEW YORK, Sept. 24—Joe Louis, the twenty one year one Negro, has had twenty-four fights in his fourteen months as a professional; has won them all and knocked out his opponent in twenty. Before turning professional he had fifty-two amateur fights and won the National A. A. U. 175-pound championship in 1934 at St. Louis.

LOUIS EXTREMELY NERVOUS AS GREAT BOUT DRAWS NEAR

Prediction That Baer Will Win Before Tenth Round Tonight

(By The Daily Mail Sports Editor)

Now that the Baer-Louis fight is here, we have nothing to do but sit and wait for the result. Maybe it will be a short wait maybe it will be a long one, but, in any event the fight has been won and lost by fight fans and writers probably a hundred times a day for the last three weeks or more. Everyone seems to have his own idea about the result and if the fighters themselves listened to any of them they would probably not want to fight.

It seems as though everyone has had a crack at predicting the result of this great match except us. Well, here goes the zero hour tip—the last one, we think, before the gladiators step into that squared circle in the Yankee Stadium tonight.

Max Baer will win by a knockout, technical or otherwise, before the end of the tenth round! We will be brief in telling you that we base our prediction on the news that comes fresh from New York that Baer is in the best shape that he has ever been in and that the Brown Bomber is worried. Louis is worried because he never has had to fight a real opponent before, and he realizes that Baer is out to fight the greatest fight of his career. Louis' unsettled temperament yesterday revealed that he is not satisfied with his own condition, and when a fighter is not sure of his own condition he can never be sure what will happen to him when he gets into the ring.

On the other hand Baer is a showman of the first order, and as a showman he realizes an excellent opportunity to capitalize on his position. Should he win this fight he will go down in pugilistic history as one of the greatest fighters that ever lived—if he loses, he will never be heard of again. No one realizes this more than Baer himself and, if he loses the fight it will not be because he did not put everything he had into it.

Louis might almost be termed a novice in the professional prize ring with his meagre fourteen months' experience in which he battered a ragged collection of has-beens around the ring to make good material for his very able press agent. On paper his victories looked great, but in real flesh and blood, Max Baer could have made shorter work of the same palookas, and did some of them.

So, when the smoke clears away we think you will see the one-time Broadway Playboy (we say one-time because we do not think he will return to Broadway) standing on top of the heap.

F.H.S. RUGBY SQUAD LOOKS GOOD THIS YEAR

The Fredericton High School rugby squad is working into fine shape for the opening game of the 1935 "Big Three" League and according to reports from Coach Egbert Cass the Yellow and Black, despite the fact that there are only two of last year's squad with the team this year, will be out to win the league title again this year.

The backfield, says Mr. Cass, is as fast as last year's, but the scrum is a little light. But what the forwards lack in weight they make up in speed, said the mentor.

Bert Waterhouse, classy ball half of the High School team several years ago, is second in command to Mr. Cass, and is putting the gridsters through their paces when the chief coach cannot be present. The league opens here on October 5th when the Rothery Fifteen meets the local rug-gers.

U.N.B. FIFTEEN FOR 1935 SHORT SCRUM PLAYERS

Only Six Members of Last Year's Squad Out to Practice

A dearth of scrum material for the University of New Brunswick rugby squad of 1935 was foreseen at College Field this afternoon when 28 aspirants for positions on the team took limbering up exercises and preliminary ball drill under the direction of Coach C. B. "Burdo" Burden. For a first practice the turnout was the smallest for several years.

Only six members of the Maritime Intercollegiate championship squad of last year were present, six having graduated last spring and three having fallen by the wayside through scholastic difficulties. Eligible veterans include Charles Thomas, captain and scrum half, who is rated as one of the best halves ever produced by the University; Hector McKinnon and Don Cogle, three-quarters; Owen Sleep, fullback; and Charlie Scotcher and Don Jamer, in the scrum. It is expected that Harold Pond, another scrum man, will appear at later practices.

Considering additional players available, however, backfield prospects are promising. Donaldson and Corbett, who disappeared from the three-quarter line through injuries last year, are back in condition, and new prospects include Cecil Covey, formerly with Fredericton City and Fredericton High School; Don McKinnon, captain of F.H.S. last year, and Garnet Copeland, a member of last year's second team.

Unless late arrivals to the University swell the ranks of the big men, an inferior scrum is inevitable. With four positions in the pack to be filled, candidates include Elbridge, McDermott and Watson of last year's second team all of whom are comparatively light in weight.

The manager of the team, Frederick W. MacLaren, Moncton, stated this evening that no definite dates have been decided for games as yet. Negotiations are under way for a home-and-home practice series with St. John Trojans, and it is expected that the opening game of the Intercollegiate series will be played here on Thanksgiving Day.

Moosepath Reopens; Races Next Saturday

SAINT JOHN, Sept. 24—Moosepath Trotting Park is to be the scene of harness racing again.

Next Saturday the first meet will be held on the newly built track, work on the oval having been completed yesterday. A crew of about 15 men was engaged in restoring the popular old spot to racing shape for about 10 days. Five or six local enthusiasts built a new judges' stand yesterday.

Two events are planned for the opening day's card at Moosepath. The feature will be a three-cornered race, run on best-three-in-five-heats plan.

The nimble-footed Harry Putnam, handsome bay gelding owned by H. B. Bridges of Gagetown, was brought to Saint John by river boat yesterday and will train for this race throughout next week. Lee Jones of Wickham is bringing his fast roan gelding Theodore Guy to the city today as a second entry in the event. The third will be a local mare, the coal-black Miss Mulch, famed as an ice horse. She is one of the Alexander stable and is owned by W. J. Alexander.

There will be in addition a mixed trot and pace with five or six starters.
