

THE PREMIER

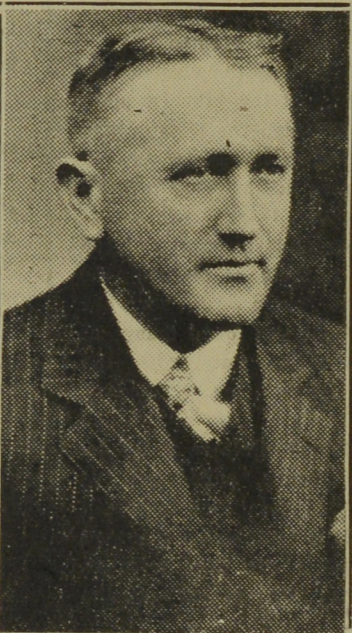

HON. L. P. D. TILLEY

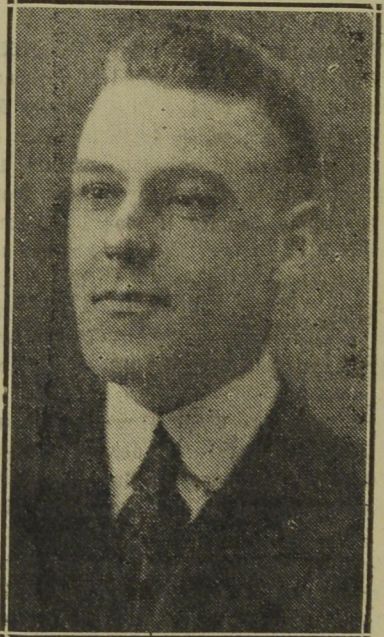

The Candidates

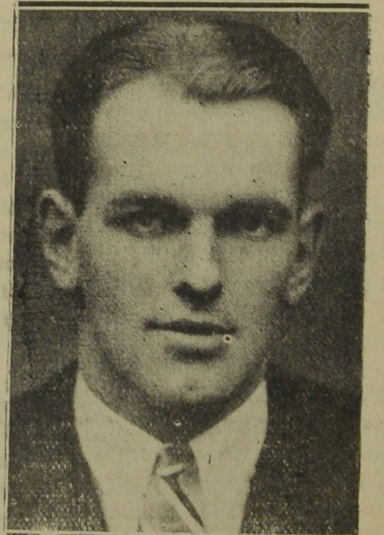

DR. B. H. DOUGAN

DR. M. L. JEWETT

ALD. C. HEDLEY FORBES

DONALD DOUGLASS, B.Sc.

ACCOMPLISHMENTS

versus

Platform Promises

The Tilley Government Candidates ask your support on a "Record of good work done." . . . Dysart and his ambitious followers request you to place them in power on the strength of what they promise to do.

Which Do You Prefer

Facts or Fancies ?

If You Want Facts

Here Are Some Actual Accomplishments of the Tilley Gov't

WAGES of WOODSMEN RAISED and FIXED
Men protected by definite minimum scale.

MINERS' WAGES PROTECTED
and safety regulations enacted.

WIDE HYDRO EXPANSION
To additional important sections of the Province, including Rural Districts

MORE N. B. LUMBER TO ENGLAND
Double the quantity shipped within one-year period.

BETTER MARKET FOR N. B. FISH
through Fish Commissioner to study and promote sales for fish.

MORE PUBLIC FISHING
By lessening licensed areas in Crown Land waters.

WOOD'S WORK INCREASED
by requiring saw-mills to cut maximum amount under regulations.

STRIKES SETTLED
in Minto mines and lumber mills through government co-operation.

REBATE ON GASOLINE TAX
to farmers, fishermen, lumbermen and industries.

FIRST PERMANENT HIGHWAYS
begun at strategic points and continued yearly.

PROVINCIAL HOSPITAL MODERNIZED
to an equality with any similar institution in the world.

GUARANTEE OF BONDS
to preserve their financial standing.

BETTER HIGHWAYS THROUGHOUT THE PROVINCE
and permanent paving program started and to continue yearly.

THREE HUNDRED and EIGHTY-FOUR PERMANENT BRIDGES CONSTRUCTED
with a carrying capacity of twenty tons and over.

LEGISLATION FOR WOMEN
Women may sit in House as M.P.P.'s and one Government Candidate already in the field.

COLONIZATION ENCOURAGED
with assistance of free seed and maintenance during first year.

AWARD OF \$300,000 YEARLY SECURED FOR THE PROVINCE
by Premier Tilley before the White Commission whereby the Province will be enabled to resume the giving of free schoolbooks under an improved system of distribution.

TOURIST TRADE PROMOTED
by thorough advertising road improvement and small weekly fees for fishing on open waters both for visitors and residents.

PROCURED BEST BOND PRICES
secured within the last thirty years, indicating wise financial management by the government.

AGRICULTURAL EDUCATION PROMOTED
by short courses, boys and girls club work and additional accommodation for students at the Experimental Farm.

TECHNICAL EDUCATION MAINTAINED and EXTENDED
without Dominion aid.

(Do You Wish This Good Work Continued? — or will you take a chance on an unknown and untried Administration That Will Be Dictated To By the Men Who Controlled Provincial Affairs Previous To 1925.)
