MISSIONARY SAYS CONGO CAN USE OLD RAZOR BLADES

PARIS, Oct. 11—The world's old razor-blade problem has been solved by Rev. H. Jenkinson, English missionary in the Belgian Congo, who would be glad to have all he can get. The Congo natives yearn for razor blades, old or new, and he says there is "no limit to the uses they can find for them."

They shave with them, use them to dig out thorns, fashion household utensils, and make hunting instruments.

When there is a death in a native family, Jjenkinson explained here on his way home, the demand for any kind of razor blades rises. Friends and relatives are expected to shave off their hair. They do it by pressing it back with one hand and running the blade through it near the roots.

If You Eat Starches Meats, Sweets Read This

They're All Necessary Foods
— But All Acid-Forming.
Hence Most of Us Have "Acid
Stomach" At Times. Easy
Now to Relieve.

Doctors say that much of the so-called "indigestion," from which so many of us suffer, is really acid indigestion... brought about by too many acid-forming foods in our modern diet. And that there is now a way to relieve this... often in minutes!

Simply take Phillips' Milk of Magnesia after meals. Almost immediately this acts to neutralize the stomach acidity that brings on your trouble. You "forget you have a stomach!"

Try this just once! Take either the familiar liquid "PHILLIPS", or, now the convenient new Phillips' Milk of Magnesia Tablets. But be sure you get Genuine "PHILLIPS".

Also in Tablet Form:
Phillips' Milk of Magnesia Tablets are now on sale at all drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of Genuine Phillips' Milk of Magnesia.

PHILLIPS'
Milk of Magnesia
