

"CEASE FIRING" ORDER GIVEN U. N. B. RANGE

College Shooting Team Completed Outdoor Activities Yesterday

Silence Observed

E. M. Nason's Outstanding Performance Equals Record

The order to "cease firing" just as it was given seventeen years ago, when the Great War came to an end, was delivered yesterday to the University of New Brunswick Rifle team on the Devon ranges yesterday.

Exactly at eleven o'clock Range Officer Lieutenant J. S. Stephens gave the order and a two-minute period of silence was observed.

Finishing with a total score of 786 points, as compared with last year's tally of 770 points, the University of New Brunswick Rifle Team completed its outdoor activities yesterday, when it completed in the Dominion of Canada Rifle Association Intercollegiate Matches at the Devon Ranges. The most outstanding event of the match was the individual score put on by E. M. Nason—104 out of a possible 105. Nason, who has been a member of the team for four years, thus equalled the Dominion Intercollegiate record set three years ago by an ex-team-mate of his, Ross Cameron.

A total of 17 marksmen turned out to shoot in the Intercollegiate match. The eight men who made the highest scores constitute the team, whose scores are then certified and sent to D. C. R. A. headquarters.

Although the day was overcast, the visibility, on the whole, was good. The only trouble experienced was the in the firing of the last relay on the 600-yard range—the last range—when a drizzling rain began to fall, making it difficult to see the targets clearly. A moderate breeze blew from behind the shooters, directly towards the targets.

U. N. B. has had a brilliant record during the past few years in intercollegiate rifle competition. In both 1932 and 1933 the Rifle team held, by virtue of the excellent marksmanship of its members, the D. C. R. A. Intercollegiate Trophy Cup, emblematic of Dominion supremacy in rifle competition. Last year U. N. B. came second, McMaster University winning the cup with an all-time record score of 302 out of 340. Other universities which competed are: Manitoba, British Columbia, Royal Military College, Queens and Dalhousie.

The 1935 U. N. B. Rifle Team, and the individual scores, are as follows:

	yds.	yds.	yds.	Total
E. M. Nason	34	35	35	104
H. K. Corbett	33	35	31	99
G. Copeland	31	35	33	99
D. A. Brown	32	34	32	98
R. Chalmers	30	32	35	97
A. Pearson	31	32	34	97
D. W. Kitchen	31	33	32	96
M. E. Wilson	31	33	32	96

Total—786

The team average was 98.2.

ONLY RURAL LEGION

At Southampton yesterday an impressive Remembrance Day ceremony was carried out. Tribute was paid to the war dead of that locality which claims to be the only rural section within miles having a rural legion. Rev. G. W. Guilou, pastor of Brunswick Street Baptist Church, was present and took part in the ceremony.

A PRESENTATION

The sidesmen of Christchurch Cathedral following their regular monthly business meeting last night paid honor to H. W. Woods, who is leaving shortly for Welsford. In the absence of the chancellor of the diocese, J. J. F. Winslow, K. C., Very Rev. Dean J. H. A. Holmes, on behalf of himself and the sidesmen presented Mr. Woods with a beautiful Sheffield tray, suitably engraved. Very Rev. Dean Holmes spoke in praise of Mr. Woods to which the latter replied feelingly. A. A. Shute, who is the veteran sidesman of the church, also spoke in appreciation of Mr. Woods' many good works.

KILLED IN JUMP FROM WOOD TRUCK

Wardlow Ames, Argyle Street Resident, Died in a Few Minutes

Women Were Injured

Ernest Crouse, S. Devon Youth, Lost Control of Laden Truck

Wardlow Ames, aged 48, died within a few minutes after having been dragged a distance of almost a hundred yards by a truck loaded with wood, which careened uncontrollably down Hanwell Road yesterday at noon.

Amos who had been engaged in wood hauling, attempted to jump from the cab of the truck when the driver, Ernest Crouse, 18, lost control of the machine at the top of the hill and the brakes failed to work. The truck speeded down the hill at a terrific pace. According to Percy Crouse, father of the driver, who also was in the truck, Amos "got frightened".

"I tried to hold him in, but he jumped", Percy Crouse told R. C. M. P. investigators. The hill on which the accident occurred is one and a half miles in length and leads down to the Woodstock road on the outskirts of the city.

Mrs. Guy Lamson, of this city, who was driving her car up the hill at the time was struck by a flying piece of cordwood when the truck overturned at the bottom of the hill, and she was so dazed by the impact that she lost control of her car and it dove into a hydrant. Miss Lyons, of this city, a fellow passenger of Mrs. Lamson, suffered injuries to her shoulder.

No Inquest

Dr. Charles MacKay, coroner, investigated the circumstances of the tragedy and found that an inquest was unnecessary. Constable D. F. Maffett of the Fredericton detachment of the R. C. M. P. said last night that Amos had evidently been thrown underneath the truck as soon as his feet touched the ground on his "jump to safety". It was shown that he was dragged 85 yards and that the dual wheels of the truck passed over his body. He suffered multiple injuries, having a fractured at the base of his skull, all the ribs on his right side crushed and numerous other fractures.

Percy and Ernest Crouse claimed that the brakes on the car had been working all right when examined before the accident. The car was taken to a garage for examination.

Was Wood Cutter

Amos was employed at cutting wood on the Hanwell road, about six miles from this city and had been hauling for Crouse for several days. He was born at Doaktown, Northumberland County. Surviving is his wife, one son, Clayton; three daughters Ethel, Ruth and Marina and his mother, Mrs. Charles Amos, all at home; also four brothers, Manford and Wilbur of Devon; Elijah of Saint John and Eldon of this city; two sisters, Mrs. Verna Goodrich and Mrs. Donnelly O'Donnell of Portland, Maine.

The driver of the truck, Ernest Crouse, when he found the car out of control tried to put the car into another gear but found it impossible to slow the speed of the truck. The truck narrowly missed hitting the Lawson car en route down the steep hill and it suddenly turned over in the ditch. Neither of the Crouses were seriously hurt.

Searchers found Amos lying on the road about a mile up the hill. Vincent and Alexander Young of South Devon, brought the dying man to the Victoria Public Hospital.

APPEAL COURT OPENED HERE THIS MORNING

I. J. F. Winslow Expresses Regrets at Absence of Justice Baxter

Justice Grimmer Replies

Justices Grimmer, Harrison and LeBlanc Presiding

The November session of the New Brunswick Court of Appeals opened today with Justice W. C. H. Grimmer, Justice W. H. Harrison and Justice A. T. LeBlanc presiding.

Regret was expressed by J. J. F. Winslow, K. C., on behalf of the lawyers in court that Chief Justice J. B. M. Baxter was unable to sit at the November session of the Court on account of a serious injury he received a few weeks ago. Previous to the commencement of the first of four cases on the docket Mr. Winslow spoke briefly of the unfortunate accident to the Chief Justice. He hoped the Chief Justice would have a speedy recovery and would be able to attend to his duties soon.

Justice W. C. H. Grimmer, one of the three presiding justices in reply to Mr. Winslow's reference stated that the Chief Justice's injuries were more serious than first thought, and that he would be unable to attend to his duties for about two months.

The chief justice fell in his cellar a few weeks ago seriously injuring his knee.

Mr. Winslow then moved for an extension of time to file factum in the case of Flannagan vs. Perry. The extension was granted.
